Amari and the Night Brothers - B.B. Alston
2021-01-20

The most extraordinary and enchanting book of the year is here! *Amari and the Night Brothers* - the first in a magical new series for all ages from breakout author B.B. Alston. Amari Peters has never stopped believing her missing older brother, Quinton, is alive. Not even when the police told her otherwise, or when she got in trouble for standing up to bullies who said he was gone for good. So when she discovers a ticking briefcase in his closet containing a nomination for a summer tryout at the Bureau of Supernatural Affairs, she's certain the secretive organisation holds the key to locating Quinton - if only she can wrap her head around the idea of magicians, fairies, aliens, and other supernatural creatures all being real. Now she must compete for a spot against kids who've known about magic their whole lives. No matter how hard she tries, Amari can't seem to escape their intense scrutiny and doubt - especially once her own supernaturally enhanced talent is deemed 'illegal'. With an evil magician threatening the supernatural world, and her own classmates thinking she's an enemy, Amari has never felt more alone. But if she doesn't stick it out and pass the tryouts, she may never find out what happened to Quinton ... Praise for *Amari and the Night Brothers*: 'Sharp, funny and brightly imaginative - a big adventure filled with magic and heart.' - Jessica Townsend, New York Times bestselling author of the *Nevermoor* series 'An enchanting fantasy adventure filled with heart and soul. Amari is magical!' - Angie Thomas, New York Times bestselling author of *The Hate U Give*. 'As a former black girl misfit who wanted nothing more in the world than to be magical, this book is a song to my soul. Amari is the heroine we all need.' - Nic Stone, New York Times bestselling author of *Dear Martin*
Paola Santiago and the River of Tears - Tehlor Kay Mejia 2020-08-04

Space-obsessed 12-year-old Paola Santiago and her two best friends, Emma and Dante, know the rule: Stay away from the river. It's all they've heard since a schoolmate of theirs drowned a year ago. Pao is embarrassed to admit that she has been told to stay away for even longer than that, because her mother is constantly warning her about La Llorona, the wailing ghost woman who wanders the banks of the Gila at night, looking for young people to drag into its murky depths. Hating her mother's humiliating superstitions and knowing that she and her friends would never venture into the water, Pao organizes a meet-up to test out her new telescope near the Gila, since it's the best stargazing spot. But when Emma never arrives and Pao sees a shadowy figure in the reeds, it seems like maybe her mom was right. . . . Pao has always relied on hard science to make sense of the world, but to find her friend she will have to enter the world of her nightmares, which includes unnatural mist, mind-bending monsters, and relentless spirits controlled by a terrifying force that defies both logic and legend.

Illusive - Emily Lloyd-Jones 2014-07-15

The X-Men meets Ocean's Eleven in this edge-of-your-seat sci-fi adventure about a band of "super" criminals. When the deadly MK virus swept across the planet, a vaccine was created to stop the epidemic, but it came with some unexpected side effects. A small percentage of the population developed superhero-like powers, and Americans suffering from these so-called adverse effects were given an ultimatum: Serve the country or be declared a traitor. Some people chose a third option: live a life of crime. Seventeen-year-old Ciere Giba has the handy ability to change her appearance at will. She's what's known as an illusionist. She's also a thief. After crossing a gang of mobsters, Ciere must team up with a group of fellow super powered criminals on a job that most would have considered impossible: a hunt for the formula

that gave them their abilities. It was supposedly destroyed years ago--but what if it wasn't?
Government agents are hot on their trail, and the lines between good and bad, us and them, and freedom and entrapment are blurred as Ciere and the rest of her crew become embroiled in a deadly race that could cost them their lives.

What Did I Do Last Night? - Tom Sykes
2007-10-30

A whimsical and candid account of the author's struggles to overcome alcoholism while working his dream job as the New York Post's bar columnist and nightlife reporter describes his alcohol-marked escapades as a British youth and his first sober ninety days. Reprint.

This Book Is Gay - Juno Dawson 2021-09-07

The bestselling young adult non-fiction book on sexuality and gender! Lesbian. Gay. Bisexual. Transgender. Queer. Intersex. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU. This candid, funny, and uncensored exploration of sexuality and what it's like to grow up LGBTQ also includes real stories from people across the gender and sexual spectrums, not to mention hilarious illustrations. Inside this revised and updated edition, you'll find the answers to all the questions you ever wanted to ask, with topics like: Stereotypes—the facts and fiction Coming out as LGBT Where to meet people like you The ins and outs of gay sex How to flirt And so much more! You will be entertained. You will be informed. But most importantly, you will know that however you identify (or don't) and whomever you love, you are exceptional. You matter. And so does this book. This book is for: LGBTQIA+ teens, tweens, and adults Readers looking to learn more about the LGBTQIA+ community Parents of gay kids and other LGBT youth Educators looking for advice about the LGBTQIA+ community Praise for This Book is Gay: A Guardian Best Book of the Year 2018 Garden State Teen Book Award Winner "The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL."—Patrick Ness, New York Times bestselling author "This egregious gap has now been filled to a fare-thee-well by Dawson's book."—Booklist *STARRED REVIEW*

Good Housekeeping - 1979

The Forensic Records Society - Magnus Mills
2017-04-06

'The Forensic Records Society is like Animal Farm but with blokes for pigs, and much better songs' Guardian Two men with a passion for vinyl create a society for the appreciation of records. Their aim is simple: to elevate the art of listening by doing so in forensic detail. The society enjoys moderate success in the back room of their local pub, The Half Moon, with other enthusiasts drawn to the initial promise of the weekly gathering. However, as the club gains popularity, its founder's uncompromising dogma results in a schism within the movement and soon a counter group forms. Then the arrival of a young woman called Alice further fractures the unity of the vulnerable society. As rifts are forged and gulfs widen, Magnus Mills examines the surreal nature of ordinary lives. The master of the comic deadpan returns for his ninth novel, a spectacularly disingenuous exploration of power, fanaticism and really, really good records.

How to Lose a Lass - Anna Durand 2023-11-20

An intercontinental romance goes off the rails big time in this steamy second chance story from the Hot Scots universe. When a former Marine and a Scottish lass meet, it's lust at first sight. But American Gavin Douglas never counted on Jamie MacTaggart's family butting into their romance. His old wounds and her burly brothers keep getting in the way. The stress of an intercontinental relationship doesn't help either. If you've read the Hot Scots, you know how Gavin and Jamie's story begins and ends. But what happened in the middle? How did everything go so wrong? Find out in November 2023. How to Lose a Lass is a Hot Scots prequel novella that fleshes out the story of Gavin and Jamie's rocky road to their happy ending.

The Unreal Life of Sergey Nabokov - Paul Russell 2011-11-08

In his novel based on the extraordinary life of the brother of Vladimir Nabokov, Paul Russell re-creates the rich and changing world in which

Downloaded from
legacy.opendemocracy.net on
2023-08-31 by guest

Sergey, his family and friends lived; from wealth and position in pre-revolutionary Russia to the halls of Cambridge University and the Parisian salon of Gertrude Stein and Alice B. Toklas. But it is the honesty and vulnerability of Sergey, our young gay narrator, that hook the reader: his stuttering childhood in the shadow of his brilliant brother, his opium-fueled evenings with Cocteau, his troubled love life on the margins of the Ballets Russes and its legendary cast, and his isolation in war-torn Berlin. A meticulously researched novel, featuring an extraordinary cast of characters (including Picasso, Diaghilev, Stravinsky, Magnus Hirschfield, and of course the master himself, Vladimir Nabokov), this is ultimately the story of a beautiful and vulnerable boy growing into an enlightened and courageous man.

Blood Red Horse - K M Grant 2004-02-05

Will longs to be a knight, like his older brother Gavin. Then he could ride a charger, fight bravely in the Crusades for King Richard, and win the heart of a fair maiden. All he needs is a horse. And when he chooses one, he chooses well - a small chestnut stallion with a blaze on its forehead. There's something different about Hosanna - but Will doesn't know how important Hosanna will be to him, to his family, even to Saladin. In the Holy Land, Will learns that being a knight is bloody, brutal and often terrifying. His father is killed, his brother desperately injured, and Will finds himself closer to his enemy than he ever expected - but his small chestnut horse teaches him what it really means to be brave, to be noble, and to be fair.

The Orphan Twins - Lesley Eames 2020-07-23

An unputdownable saga about love and family, guaranteed to warm your heart this winter... London, 1910. Lily is ten years old when she realises her grandmother, a washerwoman in the backstreets of London's Bermondsey, is seriously ill. She's determined to do what she can to help and keep her grandmother's illness a secret - even from her beloved twin, Artie. But Gran isn't getting any better, and there's only so much Lily can do... When tragedy strikes and the twins are faced with the prospect of a workhouse or an orphanage, a benefactor offers to take Artie in and educate him. All Artie's needs will be taken care of - but the gentleman has no use for a girl. The twins have lost everything they knew and

loved, but they never thought they'd lose each other. As the orphan twins grow up and take different paths, their new lives are beyond anything they could have imagined. Will they ever find a way to be together again? Set against the backdrop of the First World War, *The Orphan Twins* is the heart-wrenching new saga from Lesley Eames, bestselling author of *The Brighton Guest House Girls* and two-time RNA Romantic Saga award nominee.

Why Be Happy When You Could Be Normal?

- Jeanette Winterson 2011-10-27

The shocking, heart-breaking - and often very funny - true story behind *Oranges Are Not the Only Fruit*. In 1985 Jeanette Winterson's first novel, *Oranges Are Not the Only Fruit*, was published. It was Jeanette's version of the story of a terraced house in Accrington, an adopted child, and the thwarted giantess Mrs Winterson. It was a cover story, a painful past written over and repainted. It was a story of survival. This book is that story's the silent twin. It is full of hurt and humour and a fierce love of life. It is about the pursuit of happiness, about lessons in love, the search for a mother and a journey into madness and out again. It is generous, honest and true. 'Unforgettable... It's the best book I have ever read about the cost of growing up' Daisy Goodwin, Sunday Times ****ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY****

The Motion Picture Guide - Jay Robert Nash 1985

The Vanishing Act of Esme Lennox - Maggie O'Farrell 2009-11-12

From the Costa Award winning, bestselling author of *THIS MUST BE THE PLACE* and *I AM, I AM, I AM*, comes an intense, breathtakingly accomplished story of a woman's life stolen, and reclaimed. 'Unputdownable' Ali Smith Edinburgh in the 1930s. The Lennox family is having trouble with its youngest daughter. Esme is outspoken, unconventional, and repeatedly embarrasses them in polite society. Something will have to be done. Years later, a young woman named Iris Lockhart receives a letter informing her that she has a great-aunt in a psychiatric unit who is about to be released. Iris has never heard of Esme Lennox and the one person who should know more, her grandmother Kitty,

Downloaded from
legacy.opendemocracy.net on
2023-08-31 by guest

seems unable to answer Iris's questions. What could Esme have done to warrant a lifetime in an institution? And how is it possible for a person to be so completely erased from a family's history?

The Quiche of Death - M. C. Beaton 2010-04-01

The first book in M. C. Beaton's New York Times bestselling Agatha Raisin series—now a hit show on Acorn TV and public television. Putting all her eggs in one basket, Agatha Raisin gives up her successful PR firm, sells her London flat, and settles in for an early retirement in the quiet village of Carsely. But she soon finds her life of leisure isn't all it's cracked up to be. Bored, lonely, and used to getting her way, she enters a local baking contest: Surely a blue ribbon for the best quiche will make her the toast of the town. But her recipe for social advancement sours when the judge, Mr. Cummings-Browne, not only snubs her entry but also falls over dead! After her quiche's secret ingredient turns out to be poison, she must reveal the unsavory truth. . . . That is, Agatha has never baked a thing in her

life! In fact, she bought her entry ready-made from an upper-crust London quicherie. Grating on the nerves of several Carsely residents, she is soon receiving sinister notes. Has her cheating and meddling landed her in hot water, or are the threats related to the suspicious death? It may mean the difference between egg on her face and a coroner's tag on her toe. . . . *The Quiche of Death*, the first book in this beloved series, is now a Minotaur Signature Edition, complete with a discussion guide and essay by the author.
