### The Bionic Book Reconstructed

- Herbie J Pilato

Before Hiro on Heroes, there was Steve Austin - The Six Million Dollar Man. Before Buffy Summers on Buffy The Vampire Slayer, there was Jaime Sommers - The Bionic Woman. Now, television's classic wonder people of the 1970s are back and stronger than ever in - THE BIONIC BOOK: THE SIX MILLION DOLLAR MAN AND THE BIONIC WOMAN RECONSTRUCTED, written by best-selling author Herbie J Pilato (Bewitched Forever, The Kung Fu Book of Caine). Co-billed as the Cybernetic Compendium To TV's Most Realistic Sci-Fi Superhero Shows, THE BIONIC BOOK is chuck full of commentary culled from Pilato's exclusive interviews with Bionic stars Lee Majors (who played half-superman/half-mechanical marvel Steve Austin), Lindsay Wagner (Jaime Sommers -

Steve's female counter-part and one true love), series creator (and science fiction novel icon) Martin Caidin, executive producer Harve Bennett (who would later help to ignite the Star Trek feature film franchise), producer/director Kenneth Johnson (The Incredible Hulk and Alien Nation) and actor Richard Anderson, the latter of whom portrayed Oscar Goldman - Steve and Jaime's stoic but understanding supervisor on both shows (and who has penned the book's foreword). Much more than a mere TV trivia guide, THE BIONIC BOOK explores in-depth the social, psychological, medical and scientific influence, appeal and message behind two of the most popular and heroic science fiction television programs of all time.

**Targeted Muscle Reinnervation** - Todd A. Kuiken 2013-07-23  
Implement TMR with Your

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

Patients and Improve Their Quality of Life Developed by Dr. Todd A. Kuiken and Dr. Gregory A. Dumanian, targeted muscle reinnervation (TMR) is a new approach to accessing motor control signals from peripheral nerves after amputation and providing sensory feedback to prosthesis users. This practical approach has many advantages over other neural-machine interfaces for the improved control of artificial limbs. Targeted Muscle Reinnervation: A Neural Interface for Artificial Limbs provides a template for the clinical implementation of TMR and a resource for further research in this new area of science. After describing the basic scientific concepts and key principles underlying TMR, the book presents surgical approaches to transhumeral and shoulder disarticulation amputations. It explores the possible role of TMR in the prevention and treatment of end-neuromas and details the principles of rehabilitation, prosthetic fitting, and

occupational therapy for TMR patients. The book also describes transfer sensation and discusses the surgical and functional outcomes of the first several TMR patients. It concludes with emerging research on using TMR to further improve the function and quality of life for people with limb loss. With contributions from renowned leaders in the field, including Drs. Kuiken and Dumanian, this book is a useful guide to implementing TMR in patients with high-level upper limb amputations. It also supplies the foundation to enable improvements in TMR techniques and advances in prosthetic technology.

**The Million Dollar Story** - Christina Fernandez 2014-04  
TC's life is a busy one, filled with the physical demands of her job as a mail carrier and her dreams to play basketball, not to mention the demands of her convoluted love life. Her girlfriend, Samantha, is one beautiful and powerful woman - and a cop. Jealousy seems to be the unavoidable side effect

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

of their open relationship, and ~~though they each have a lover~~ on the side, each fears loss and heartbreak. Are any of them meant to be together? Is Samantha "the one" for TC--or is her true love still out there somewhere? Jay, TC's best friend, supports her, but he has his own issues. A jock and a player, Jay considers himself a real ladies' man, but on the day he meets Carly, everything he thinks he knows about himself is called into question. Carly has only recently started living her life as a woman, and she's got to balance her natural attraction to Jay with her fear that he will reject her when he learns the truth. As Jay does his best to give TC advice on her own love life, he's got some big decisions to make himself. Is Carly his destiny? Is he hers? Things may not always go as planned, but that's the beauty of life and relationships--and this is especially true in The Million Dollar Story.

NOTE: Due to the printing process the Paperback version does not include the insert pictures in color - if color pictures desired purchase the Hardback version of the book.

MARY: THE MARY TYLER MOORE STORY is the first, full-length, objective biography of Moore's entire life and career, from her birth in 1936 until the day she left this world on January 25, 2017. No previously published biography or book about Moore dares to discuss as honestly and as thoroughly her personal and professional life, exploring her triumphs as well as her struggles before, during, and after the countless TV productions, feature films, stage plays, and personal appearances that spanned her career. Among these: Moore's issues with childhood sexual abuse; alcoholism; diabetes; plastic surgery; her near-obsessive love for animals; her

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

troubled personal relationships with her parents and her first husband; the tragic deaths of her son, brother, and sister; and her personal and professional challenges with her second husband and business partner, TV executive Grant Tinker. In covering the gamut of Moore's personal and professional life, MARY: THE MARY TYLER MOORE STORY features all-new commentary culled from exclusive interviews with many of her co-stars over the years, including Ed Asner, Gavin MacLeod, and Joyce Bulifant (from the Mary Tyler Moore Show); Larry Matthews (little Ritchie Petrie on The Dick Van Dyke Show); Carol Channing (Moore's co-star from the 1967 feature film, Thoroughly Modern Millie), and many others. MARY: THE MARY TYLER MOORE STORY delivers pertinent insights and unique behind-the-scenes perspectives and recollections of the multi-talented performer/humanitarian that Mary Tyler Moore was and will always remain in the eyes of millions of her fans the world

over. About the author: Herbie J Pilato is the author of ~~Reconstructed~~ Twitch Upon a Star: The Bewitched Life and Career of Elizabeth Montgomery, as well as other entertainment industry themed books, such as Glamour, Gidgets, and the Girl Next Door: Television's Iconic Women from the 50s, 60s, and 70s. MARY delivers pertinent insights and unique behind-the-scenes perspectives and recollections of the multi-talented performer/humanitarian that Mary Tyler Moore was and will always remain in the eyes of millions of her fans the world over. In covering Moore's personal and professional life, MARY features all-new commentary from exclusive interviews with many of her co-stars over the years, including Ed Asner, Gavin MacLeod, and Joyce Bulifant; Larry Matthews; Carol Channing, and many others. NOTE: Due to the printing process the Paperback version does not include the insert pictures in color - if color pictures desired purchase the Hardback version of the book.

**God's Debris** - Scott Adams  
2004-09

In God's Debris, best-selling author and creator of Dilbert Scott Adams fashioned a thought-provoking exploration of life's great mysteries (everything from quantum physics and God to psychic phenomena and dating) that quickly captured the attention and imaginations of readers everywhere. The intriguing story of a deliveryman who meets the world's smartest person and learns the secret of reality is threaded with a variety of hypnosis techniques that Adams, a certified hypnotist, used to induce a feeling of euphoric enlightenment in readers to mirror the main character's feelings as he discovers the true nature of the universe. Launched to coincide with the hardcover publication of its sequel, The Religion War (see opposite page), this first paperback edition of God's Debris will soon make the leap to a broader audience. As Adams designed it, the book will "make your brain spin

around inside your skull" and **Reconstructed**  
drive readers toward The

Religion War as they seek to confirm or deny the dizzying impressions and chaotic memories of reading God's Debris. The book provides one of the most compelling visions of reality ever experienced on the printed page. Along the way, readers will enjoy the Thought Experiment: Trying to discover what's wrong with the sage's explanation of reality. This is a book, as Adams says, to be shared and savored with smart friends.

You Wouldn't Like Me When I'm Angry - Patrick A.

Jankiewicz 2011-07

"Doctor David Banner, physician, scientist, searching for a way to tap into the hidden strength that all humans have. Then an accidental overdose of Gamma Radiation alters his body chemistry. And now, when David Banner grows angry or outraged, a startling metamorphosis occurs..." You Wouldn't Like Me When I'm Angry: A Hulk Companion is the incredible true story behind The Incredible Hulk TV series

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

in one Hulk sized book! For 5 seasons, Banner traveled the backroads of America (which resemble the Universal Studios backlot) on his quest to cure himself. You Wouldn't Like Me When I'm Angry: A Hulk Companion tells the tragic story of star Bill Bixby, whose real-life misfortunes left him resembling his tormented alter ego, David Banner. With Marvel heroes now Hollywood's biggest stars, The Incredible Hulk was their first live action success! The book introduces you to: -Hulk creators Stan Lee & Jack Kirby and how the comic-book character was cancelled after only six issues! . -Lou Ferrigno, The Hulk himself and how the upbeat, deaf bodybuilder became TV's unlikeliest star. - Meet the men who played Thor, Demi-Hulk & Evil Hulk on the show. -Guests like Xander Berkeley, Loni Anderson, Rick Springfield & Edie McClurg! With over 500 pages of Gamma-powered goodness, the book includes: exclusive interviews, rare photos & a moving foreword by

Lou Ferrigno. -A complete episode guide, including all 5 TV movies & 2 feature films. --- The unfinished SHE-HULK pilot Bill Bixby appeared in and reveals what sports star played her. -What color were Hulk & She-Hulk going to be on TV? (Hint: NOT Green!) -Which Bond villain was cast as Hulk before Ferrigno? -What California governor almost landed the role...but wasn't tall enough? Journalist PATRICK A. JANKIEWICZ, writer for Wizard & Fangoria, takes an incredible look at the incredible cult TV series! *The Bionic Book* - Herbie Pilato 2007-08-01

This companion to both series explores the shows' histories and influences. Includes interviews with cast members, creators and crew as well as complete episode guide.

[Buck Rogers in the 25th Century: A TV Companion \(Hardback\)](#) - Patrick Jankiewicz 2015-11-30

This is the HARDBACK version. *Buck Rogers in the 25th Century* (1979-1981) premiered on American television in September 1979. The story followed a twentieth century astronaut revived after 500 years of suspended animation to become Earth's greatest hero. Created by Glen A. Larson and Leslie Stevens, the new series starred Gil Gerard, Erin Gray, and Felix Silla. Gerard looked to the past

to prepare for his future production. As Executive Producer of another science fiction series, *Battlestar Galactica* (1978-1979), the early cancellation of the failed series left him with a quasar of props, costumes, sets, special effects film footage, and even a rejected model spacecraft designed by Ralph McQuarrie. He hit on the idea of recycling the artifacts into a less showy series that premiered to the delight of audiences. Viewers thrilled to a seemingly endless parade of notable guest stars, such as Henry Silva, Joseph Wiseman, Jack Palance, Roddy McDowall, John P. Ryan, Richard Lynch, Cesar Romero, Frank Gorshin, Julie Newmar, Jamie Lee Curtis, Vera Miles, Sam Jaffe, William Smith, Sid Haig, Jerry Orbach, Richard Moll, Ray Walston, Gary Coleman, Amanda Wyss, and Mary Woronov. Join Buck and the galaxy's most beautiful women in a richly researched work that soars at light speed beyond other Buck Rogers books with: Foreword by actress Erin Gray A complete

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

episode guide Interviews with the full regular cast and crew Actors that portrayed characters such as The Space Vampire, The War Witch, and The Satyr tell all about working on the series. Discover a never before explored nebula of back stories: How a nervous film student with no credits wound up directing an episode Which future US President was a friend of Gil Gerard and hosted the premiere Which Buck Rogers guest star was murdered and immediately played in a TV movie by another BUCK ROGERS guest? Why Buck Rogers went to war with his own show's writers Which Buck Rogers guest became a director and discovered Julia Roberts Why Dr. Theopolis and nuclear hellhole Anarchia were cut from the show How Sid Haig appeared in four episodes, even though he died in the first two Patrick Jankiewicz is the author of You Wouldn't Like Me When I'm Angry: A Hulk Companion, and Just When You Thought It Was Safe: A Jaws Companion"

*The Bionics* - Alicia Michaels  
2015 **Reconstructed**

---

A heart-pumping futuristic thrill-ride set in a frightening dystopian society. 2016 Once Upon A Book Award Winner. It is the year 4006, and nuclear war has come to the United States. With tens of thousands killed and countless more injured or terminally ill from the blasts, there is no more "normal"...life will never be the same. For her part, Blythe Sol is reeling from the loss of her arm and an eye in one of the blasts - her dreams of following in her father's footsteps and joining the military completely shattered. When she hears about the Restoration Project - a bionic government program that offers the sick and injured a second chance - she immediately enrolls. Made whole again, Blythe is filled with hope and a renewed sense of purpose. But when it becomes apparent that those outfitted with the robotic parts now possess super-human abilities, fear spreads across the nation. The Bionics are

## The Bionic Book The Six Million Dollar Man And The Bionic Woman

forced to go into hiding, outcast from all society. In desperation, they band together to form an underground rebellion, and Blythe finds herself caught in a confusing tug-of-war between two of her fellow soldiers—Gage Bronson, the mysterious new addition to the Resistance, and Dax Janner, her best friend. But with war on the horizon and a death sentence hanging over her, Blythe hardly has time to worry about her feelings... The Bionics Series is perfect for readers who enjoy futuristic science fiction, dystopian novels, science fiction romance, and genetic engineering science fiction. Filled with action and adventure, this series will appeal to fans of *The Gender Game* by Bella Forest and *Secondborn* by Amy A. Bartol. Novels in The Bionics Series include: *The Bionics The Resistance The Revolution*
