*Scat* - Carl Hiaasen 2011-09-22

From Newbery Honoree Carl Hiaasen comes this New York Times bestseller in which an eccentric eco-avenger, a stuffed rat named Chelsea, a wannabe Texas oilman, and an angry panther can't stop two kids on a mission to find their missing teacher! When Mrs Starch, the most feared biology

teacher in Florida, goes missing during a school trip to the Black Vine Swamp, her class is secretly relieved. The school principal tries to cover it up as a 'family emergency', but Nick and Marta just aren't convinced. They think it's much more likely to have something to do with Smoke, the local troublemaker - whose run-ins with Mrs Starch are infamous - and decide to do some investigating of their own. But there's more going on in Black Vine Swamp than either one of them could guess. And Nick and Marta must see off an eccentric eco-avenger, a stuffed rat named Chelsea, a crooked oil prospector, a singing substitute teacher, and an angry Florida panther before they really begin to see

always felt a close bond with nature. The woods around her home are a much-loved sanctuary - and the pawprint birthmark on her hip feels like a sign that she belongs. But then strange and terrible things begin to happen in the tiny medical-research town of Salmon Creek (population: 200). The captain of the swim team drowns mysteriously in the middle of a calm lake.

Mountain lions appear around Maya's home, and won't go away. Her best friend, Daniel, starts experiencing 'bad vibes' about certain people and things. One of those people is Rafe - the new bad boy in town. What is he hiding - and why is he suddenly so interested in Maya . . . ? The Baby Shift: Colorado (BBW  
Cougar Shifter Baby Romance  
Series) - Becca Fanning

This cougar stalks his prey,  
whether for the dinner table or  
the bedroom. Ava was dealing  
with the death of her mother, a  
recent move to Colorado from

California, and now an encounter with the first shifter she has ever met. Though she knows that Colorado has many shifters compared to California, she just wasn't expecting to meet one on her first day upon arriving in the small town after moving in with her uncle. She also wasn't expecting to feel so strongly attracted to him...

Candor was used to a certain stability in his life. That all shattered the day a group of rogue Shifters entered his territory and murdered his brother. Though his main priority is to protect his kin and rid his land of these invaders, he can't deny the way this human woman, Ava, is igniting something deep within him.

But the closer Ava and Candor become, the more dangerous this small town becomes...

Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Keep up with the Shifter Babies of America series and enjoy a nice little one-sitting story!

~~Backdoor Erotica: Five Anal~~  
Sex Erotica Stories Bend that beautiful baby over and blast that backdoor! This hardcore collection of anal sex erotica is just what you need if you want to see your girls get it in their tightest and tiniest holes! Warning: This ebook contains very explicit sexual content, and it focuses on anal sex. There is very rough sex, group sex, first anal sex, ass to mouth, and other graphic content many will find offensive, so this is intended only for readers who will not be disturbed by this kind of content. Here are the stories of anal ecstasy: Seven-Year Itch: My First Anal Sex Experience by Darlene Daniels Logan's had it. He's had it with the missionary position and the once a month blow jobs. It's time to put some spice back into his love life. With the help of a cute clerk at the local adult store, Logan gathers the courage to introduce wife Jessica to the world of porn and anal love. Fortunately for Logan, Jessica's had it too, and with a little encouragement, is

~~more than eager to bend to his~~  
will. A ruined meatloaf, a little pizza, and just the right setting all combine to give Logan and Jessica a seventh anniversary neither will soon forget. Wait! That's the Wrong Hole! An Erotic First Anal Sex Short by June Stevens Ron is afraid the fire is out with his girlfriend Mandy, but he's willing to do anything to get her back. So, the sky's the limit, and they end up at the best hotel in town with an incredible suite and fantastic room service. The best is yet to cum, though, and soon they're enjoying each other's bodies. When a moment of passion gets him moving so fast that he ends up accidentally giving Mandy her very first anal sex experience, is her at risk of losing everything he worked for? Ashley Gets It From Both Ends: A Double Penetration Short by Kathi Peters Ashley is a very sexy cougar intent on getting young cock! When she travels to a cabin for a party with a group of her friends, she finds exactly what she wants, two young studs. Before long, she

penetration! Not So Rough: My First Anal Sex Experience by Mary Ann James Jacob has eyes for Kayla, and his fantasies about her are growing more and more specific. What he wants is to feel his cock in her tightest hole. He wants to give her every bit of his thick shaft, and he wants to do it hard and fast. It will be his first anal sex experience in hers, and it might be just a bit rough... The Double Penetration of Doris: An MMF Threesome Short by Sara Scott Doris is tired of people assuming that being a massage therapist means she's screws everyone in sight! So, she's looking forward to the convention, and it's nice to meet up with good friends she hasn't seen in quite some time. Tom and Terry are just as wonderful and handsome as she remembers! She's about to have new experiences with these two hunky men, a torrid threesome complete with her first anal sex and a scorching double penetration!

2023-09-19

The TikTok sensation Paper Princess, the first in the #1 New York Times bestselling The Royals series, now in a new special edition with bonus material! From strip clubs and truck stops to southern coast mansions and prep schools, one girl tries to stay true to herself. These Royals will ruin you... Ella Harper is a survivor—a pragmatic optimist. She's spent her whole life moving from town to town with her flighty mother, struggling to make ends meet and believing that someday she'll climb out of the gutter. After her mother's death, Ella is truly alone. That is until Callum Royal appears, plucking Ella out of poverty and tossing her into his posh mansion among his five sons who all hate her. Each Royal is more magnetic than the last, but none is as captivating as Reed Royal, the boy who is determined to send her back to the slums she came from. Reed doesn't want her. He says she doesn't belong with the Royals. He might be

I Know What I'm Doing -- and Other Lies I Tell Myself - Jen Kirkman 2017-04-25

"Jen offers up all the gory details of a life permanently in progress. She reassures you that it's okay to not have life completely figured out, even when you reach middle age (and find your first gray pubic hair). She talks about making unusual or unpopular life decisions (such as cultivating a 'friend with benefits' or not going home for the holidays) because you don't necessarily want for yourself what everyone else seems to think you should. It's about renting when everyone says you should own, dating around when everyone thinks you should settle down, and traveling alone when everyone pities you for going to Paris without a man"--Amazon.com.

The Shack - Wm. Paul Young  
2017-09-26

After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is

abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever.

The End of Men - Hanna Rosin  
2012-10-11

What Betty Friedan, Simone de Beauvoir, Susan Faludi and Naomi Wolf did for feminism, senior editor of The Atlantic Hanna Rosin does for a new generation of women: an explosive new argument for why women are winning the battle of the sexes and why men are no longer top dog. Women are no longer catching up with men. By almost every measure, they are out-

performing them. We are at an unprecedented moment in history. In 2010, for the first time, the balance of the British workforce tipped towards women, who now hold around half of the nation's jobs. In the US, meanwhile, for every two men that receive a BA, three women will achieve the same. Not only do women now dominate colleges and professional schools on every continent except Africa, young single women in the US now earn more than their male counterparts, and more than a third of mothers in the UK and the US are their family's main breadwinner. The tides have turned. The 'age of testosterone' is decisively over. At almost every level of society women are proving themselves far more adaptable and suited to a job market that rewards people skills and intelligence, and a world that has a dramatically diminishing need for traditional male muscle. In this landmark, once-in-a-generation book, Hanna Rosin reveals how this new world order came to be and its

profound implications for marriage, sex, children, work, families and society. Unhampered by old assumptions and ideologies and drawing on examples from across the globe, *The End of Men* helps us see how both men and women can - and must - adapt for a radically new era. 'In this bold and inspired dispatch, Rosin upends the common platitudes of contemporary sexual politics with a deeply reported meditation from the unexpected frontiers of our rapidly changing culture' Katie Roiphe, author of *The Morning After* and *Uncommon Arrangements* 'The End of Men describes a new paradigm that can, finally, take us beyond 'winners' and 'losers' in an endless 'gender war.' What a relief! Ultimately, Rosin's vision is both hope-filled and creative, allowing both sexes to become far more authentic: as workers, partners, parents...and people' Peggy Orenstein, author of *Cinderella Ate My Daughter* and *Schoolgirls* Hanna Rosin is a

**Of Wolves and Men** - Barry Lopez 2016-05-31  
National Book Award Finalist:  
A "brilliant" study of the science and mythology of the wolf by the New York Times–bestselling author of *Arctic Dreams* (The Washington Post). When John Fowles reviewed *Of Wolves and Men*, he called it "A remarkable book, both biologically absorbing and humanly rich, and one that

should be read by every concerned American." In this National Book Award–shortlisted work, literary master Barry Lopez guides us through the world of the wolf and our often-mistaken perceptions of another species' place on our shared planet. Throughout the centuries, the wolf has been a figure of fascination and mystery, and a major motif in literature and myth. Inspiring fear and respect, the creature has long exerted a powerful influence on the human imagination. *Of Wolves and Men* takes the reader into the world of the *Canis lupus* and its relationship to humankind through the ages. Lopez draws on science, history, mythology, and his own field research to present a compelling portrait of wolves both real and imagined, dispelling our fear of them while celebrating their place in our history, legends, and hearts. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author's

### Strip City - Lily Burana

2003-02-19

Lily Burana had given up on stripping years before she accepted a marriage proposal—but decided to strip her way from Florida to Alaska before settling down. Lily, now a successful journalist, looks back at stripping with a writer's perspective. Her humorous yet hard-edged memoir deftly describes funky clubs and offbeat characters, the exhilaration that overtakes a dancer on stage—and the darker realities that assail her heart when she's out of the spotlight. Strip City is both a hugely entertaining insider's

account of a hidden world and

a moving voyage of self-discovery. Lily Burana has written for The New York Times Book Review, GQ, New York magazine, The Village Voice, Spin, and Salon. She lives in New York State. This is her first book.

### The Werewolf Filmography -

Bryan Senn 2017-02-06

From the horrific to the heroic, cinematic werewolves are metaphors for our savage nature, symbolizing the secret, bestial side of humanity that hides beneath our civilized veneer. Examining acknowledged classics like *The Wolf Man* (1941) and *The Howling* (1981), as well as overlooked gems like *Dog Soldiers* (2011), this comprehensive filmography covers the highs and lows of the genre. Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.
