Money and the Meaning of Life - Jacob Needleman 1994-09-15

If we understood the true role of money in our lives, writes philosopher Jacob Needleman, we would not think simply in terms of spending it or saving it. Money exerts a deep emotional influence on who we are and what we tell ourselves we can never have. Our long unwillingness to understand the emotional and spiritual effects of money on us is at the heart of why we have come to know the price of everything, and the value of nothing. Money has everything to do with the pursuit of an idealistic life, while at the same time, it is at the root of our daily frustrations. On a social level, money has a profound impact on the price of progress. Needleman shows how money slowly began to haunt us, from the invention of coins in Biblical times (when money was created to rescue the community good, not for self gain), through its hypnotic appeal in our money-obsessed era. This is a remarkable book that combines myth and psychology, the poetry of the Sufis and the wisdom of King Solomon, along with Jacob Needleman's searching of his own soul and his culture to explain how money can become a unique means of self-knowledge. As part of the Currency paperback line, it includes a "User's Guide" an introduction and discussion guide created for the paperback by the author -- to help readers make practical use of the book's ideas.

Heal Your Relationship with Money - Kara Stevens 2018-04-04

All of us have a money story. A story that we tell ourselves about what we can afford, what we should buy, why we shouldn't spend, and about the real power of money. But many of us never examine these money stories, which are the same stories that keep us living in chronic cycles of binge spending, money hoarding, and financial amnesia for our whole adult lives. These forms of financial dysfunction cripple us, erode our confidence, and leave us burdened by guilt, shame, and anxiety. They threaten to leave us financially and emotionally bankrupt if we don't learn how to break free from the chaos and heal our relationship with money for good. Fortunately, our relationship with money does not have to be a major source of stress in our lives. In fact, our relationship with money can actually be a source of joy and provide us with peace of mind once we learn how to care of it, listen to it, and respond to the messages it sends to us. *Heal your relationship with money* guides you through 28 days of money lessons, financial introspection, and daily "lifework" to help you examine your financial past and connect with your true financial voice. The spiritual tools and financial guidance of *Heal your relationship with money* allow you to rewrite your money narrative so it empowers you and transforms how you relate to your money life.

The Soul of Money: Transforming Your Relationship with Money and Life - Lynne Twist 2017-03-14

"A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. *The Soul of Money* now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

It's Not Your Money - Tosha Silver 2020-09-15

New in paperback from the author of *Outrageous Openness*: a witty and spirited guide to radically releasing the burdens of financial fears. It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a

whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems, our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

Healing the Soul of America - Marianne Williamson 2014-03-18

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

Money, A Love Story - Kate Northrup 2013-09-10

Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.

Money Magic - Deborah L. Price 2010-10-04

Making, keeping, and enjoying money isn't just about investments, salaries, inheritances, or dividends, according to Deborah Price. It's also about the games people play around money and their character type in relation to it. In Money Magic, Price shows how to transform your relationship with money to obtain the wealth you desire. The book is structured around eight "types": the Innocent (the ostrich approach); the Victim (blaming circumstances); the Warrior (conquering money); the Martyr (always rescuing someone); the Fool (gambler looking for a windfall); the Creator/Artist (regarding money as evil); the Tyrant (controlling through money); and the Magician (benefitting spiritually and financially from money). The Magician is the book's ideal, and Price offers exercises to help readers attain it. Describes eight money types, and offers quizzes to determine your type. Shows readers how to stop making fear-based money choices.

The Art of Money - Bari Tessler 2016-06-14

An integrative 3-step approach to financial literacy that brings mindfulness, body-based awareness, and radical self-love to one of our most troublesome relationships—the one with our money "Bari Tessler adds an exciting, important voice to the money conversation...at once spiritual and practical, this is the education we've been waiting for." Lynne Twist, Author of The Soul of Money For many of us, the most challenging and upsetting relationship in our lives is with our finances, bringing feelings of shame or powerlessness. But Bari Tessler's unique 3-phase program creates the real possibility of "money healing" as a gateway to self-awareness and a training ground for compassion, confidence, and self-worth. Tessler's gentle, somatic techniques weave together emotional depth, big picture visioning, and refreshingly accessible, nitty-gritty money practices. She breaks it down into 3 phases of Deep Money Work: Money Healing: Healing money shame, money rituals, the body check-in, and letting go Money Practices: Money as a self-care practice, values-based bookkeeping, and the spiritual side of a money practice Money Maps: The 3-Tier Money Map designed to evolve with you over time, making good money decisions, and your money legacy Guiding readers through their own step-by-step journey, The Art of Money will help anyone transform their relationship with money and, in so doing, transform their life. Also check out The Art of Money Workbook for more insights and teachings

The Energy of Money - Maria Nemeth, Ph.d. 2010-11-03

The Seven Stages of Money Maturity - George Kinder 2012-02-01

"A vital, seminal breakthrough work... Kinder penetrates money's enigmas and mythologies with the artist's delicate touch, the critic's discriminating eye . . . and the insightful sensitivity of a good human being. This

book is a gift." --Richard Wagner, former chairman, Institute of Certified Financial Planners Replace anxiety, self-sabotage, and self-doubt around money with the sense of ease and freedom you deserve in *The Seven Stages of Money Maturity*, a one-of-a-kind guide in the life-changing tradition of *The 9 Steps to Financial Freedom* and *Your Money or Your Life*. A renowned Buddhist teacher as well as a Harvard-trained, nationally prominent certified financial planner, George Kinder draws on both disciplines to guide us toward a full understanding of the spiritual and psychological issues that surround money. Although many of us may assume that issues of money and spirit are separate, incompatible questions, George Kinder shows us that we must explore them together to attain true peace, freedom, and security in our money lives. Tracing the same path to transformation on which he has led his clients and lectured audiences for years, Kinder leads us through the Seven Steps of a journey to the profound liberation of awakening to a world of abundance and possibility. Revealing practical, market-tested wealth-building skills as well as the wisdom that contributes to understanding and enriching the role money plays across our lives from the surface to the soul, Kinder teaches us how to: Understand feelings that impact taking financial action Develop understanding and knowledge about money Eliminate stress and anxiety around money Let go of old patterns and painful habits Approach money tasks with energy and optimism Design a money life that is fulfilling both financially and spiritually A powerful new way to look at your money and at your life, *The Seven Stages of Money Maturity* will help us experience each encounter with money as a step toward awakening and a powerful lesson in understanding the relationships we share with others and with ourselves.

SUMMARY - The Soul Of Money: Transforming Your Relationship With Money And Life By Lynne Twist - Shortcut Edition 2021-06-19

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to change your relationship to money and how to transform your life at the same time. You will also learn : the negative effects of a society whose

main value is money; that, contrary to appearances, money does not bring happiness; why you probably use your money in the wrong way; how to get more satisfaction from what you already have; how to be more authentic and give more meaning to your life. Money is the invention that made possible the development of commerce and civilization. As such, it is a necessary tool, which must be respected at its true value. However, today's society has lost sight of its exact role and has erected it as a fundamental and dominant value. No doubt you too think that you don't have enough money and that you would like to earn more. This state of mind is normal and difficult to avoid, because no one really teaches you how to have a healthy relationship with your money. However, living for the "more" doesn't mean "always better". Lynne Twist, who has been actively involved in the fight against world hunger for more than 40 years, has worked with both the richest and the poorest. Are you ready to find out what no one has told you about money? *Buy now the summary of this book for the modest price of a cup of coffee!
