**The Wish List** - Jane Costello 2013-04-11

The Big 3-0 is looming, but there's so much still to do... The brilliant new novel from the Sunday Times Top 10 bestselling author There are six months left of Emma Reiss's twenties. . . and she has some unfinished business. Emma and her friends are about to turn thirty, and for Emma it's a defining moment. Defined, that is, by her having achieved none of the things she'd imagined

she would. Her career is all wrong, her love life is a desert and that penthouse apartment she pictured herself in simply never materialised. Moreover, she's never jumped out of a plane, hasn't met the man she's going to marry, has never slept under the stars, or snogged anyone famous - just some of the aspirations on a list she and her friends compiled fifteen years ago. As an endless round of birthday parties sees Emma hurtle towards her own thirtieth, she sets about addressing these issues. But, as she discovers with hilarious consequences, some of them are trickier to tick off than she'd thought... Praise for *All The Single Ladies*: 'Close the doors, open a bottle of wine, get out the chocs and enjoy this wonderfully witty read. Jane Costello at her best' Milly Johnson 'Jane Costello earned her place on the bestsellers list

Laura Wright 2015

Ranging widely across contemporary American society and culture, Wright unpacks the loaded category of vegan identity. Her specific focus is on the construction and depiction of the vegan body--both male and female--as a contested site manifest in contemporary works of literature, popular cultural representations, advertising, and new media.

### **Evolution of Consciousness -**

Robert Evan Ornstein 1992-11

Based on his life's research, Robert Ornstein provides a look at the evolution of the mind. He explains that we are not rational but adaptive, and that it is Darwin, not Freud, who is the central scientist of the brain. Our minds have evolved to help us survive, not to reason. At the same time, our individual worlds have developed our minds and destroyed many of our natural abilities.

*Contemporary Russia* - Helena Goscilo 2010-10-04

This is the first book to explore the phenomenon of glamour and celebrity in contemporary Russian culture, ranging across media forms, disciplinary boundaries and modes of inquiry, with particular emphasis on the media personality. The book demonstrates how the process of 'celebrification' in Russia coincides with the dizzying pace of social change and economic transformation, the latter enabling an unprecedented fascination with glamour and its requisite extravagance; how in the 1990s and 2000s, celebrities - such as film or television stars - moved away from their home medium to become celebrities straddling various media; and how celebrity is a symbol manipulated by the dominant culture and embraced by the masses. It examines the primacy of the visual in celebrity construction and its dominance over the verbal, alongside the interdisciplinary, cross-media, post-Soviet

landscape of today's fame culture. Taking into account both general tendencies and individual celebrities, including pop-diva Alla Pugacheva and ex-President and current Prime Minister Vladimir Putin, the book analyses the internal dynamics of the institutions involved in the production, marketing, and maintenance of celebrities, as well as the larger cultural context and the imperatives that drive Russian society's romance with glamour and celebrity.

Ford, in the Big Easy for a location shoot, remembers little of the evening and nothing of the murder. And, to make matters worse, Kristi is the niece of a local mafioso-

type who will do whatever is necessary to avenge her death. Balfour is losing money every day the filming is stalled—he needs his actor cleared, and quickly. Surrounded by glitzy Hollywood stars and intimidated by seedy underworld characters, Jake and Nicole encounter nothing but obstacles. Something isn't right. The facts don't fit. Who would want Kristi dead? Why frame Kirk for the murder? Everyone has an opinion, including Kristi's friends and ex-boyfriend, the local homicide detectives, and a fortune-teller. The clock is ticking as Jake and Nicole struggle to decipher who's lying, who's telling the truth, and exactly who schemed to murder Kristi Guidry. Perfect for fans of Carl Hiaasen and Janet Evanovich While all of the novels in the Jake Longly Thriller Series stand on their own and can be read in any order, the publication sequence is: Deep Six A-List Sunshine State Rigged The OC Cultured (coming 2023)

**Cameras** - Paul Nichols

2017-07-17

When Paul Nichols took a job as a hotel night manager in a top London hotel, he was hoping to advance his career and meet a few A-list celebrities along the way. He wasn't disappointed, thanks to encounters with Tom Cruise, Nicole Kidman, Rihanna, Puff Daddy, Kanye West, Kimberly Stewart, Noel Gallagher and Peter Kay, among others. He had no idea that he would also have to play detective, deal with cases of theft, cover up several potential sex and drugs

scandals, rescue a starlet from the paparazzi and do his frantic best to save the life of a severely-injured guest. He also didn't expect to be finding concealed cameras in celebrities' bedrooms. A shocking, entertaining and sometimes hilarious account of life behind the scenes at a millionaires' hotel - and these are just the stories that can be printed...ÿ
