Love and Honor in the Himalayas - Ernestine McHugh 2011-06-07

American anthropologist Ernestine McHugh arrived in the foothills of the Annapurna mountains in Nepal, and, surrounded by terraced fields, rushing streams, and rocky paths, she began one of several sojourns among the Gurung people whose ramro hawa-pani (good wind and water) not only describes the enduring bounty of their land but also reflects the climate of goodwill they seek to sustain in their community. It was in their steep Himalayan villages that McHugh came to know another culture, witnessing and learning the Buddhist appreciation for equanimity in moments of precious joy and inevitable sorrow. Love and Honor in the Himalayas is

McHugh's gripping ethnographic memoir based on research among the Gurungs conducted over a span of fourteen years. As she chronicles the events of her fieldwork, she also tells a story that admits feeling and involvement, writing of the people who housed her in the terms in which they cast their relationship with her, that of family. Welcomed to call her host Ama and become a daughter in the household, McHugh engaged in a strong network of kin and friendship. She intimately describes, with a sure sense of comedy and pathos, the family's diverse experiences of life and loss, self and personhood, hope, knowledge, and affection. In mundane as well as dramatic rituals, the Gurungs ever emphasize the importance of love and honor in everyday life, regardless of circumstances, in all human relationships. Such was the lesson learned by McHugh, who arrived a young woman facing her own hardships and came to understand—and

*Downloaded from
legacy.opendemocracy.net
on 2022-01-05 by guest*

experience—the power of their ways of being. While it attends to a particular place and its inhabitants, *Love and Honor in the Himalayas* is, above all, about human possibility, about what people make of their lives. Through the compelling force of her narrative, McHugh lets her emotionally open fieldwork reveal insight into the privilege of joining a community and a culture. It is an invitation to sustain grace and kindness in the face of adversity, cultivate harmony and mutual support, and cherish life fully.

To Love and to Honor -

Emilie Baker Loring 1951
Twenty-four-year-old heiress Cindy Clinton was married (by proxy) to the son of her father's business partner. As soon as both older men died, Cindy begins divorce proceedings. Then a handsome, mysterious emissary from her husband arrives in town and begs her not to leave.

To Love and Honor (Mills & Boon Love Inspired) - Irene

Brand 2013-08-28
Love is patient... With her

warmth and grace, Violet Conley easily captured the heart of her neighbor Roger Gibson. Yet, the handsome law officer believed she'd always think of him as merely a friend.

Love and Honor - Randall
Wallace 2005-10-01

From the New York Times bestselling author of *Pearl Harbor* and Oscar-nominated writer of *Braveheart* comes an epic historical page-turner: the gripping, unforgettable story of a patriot's secret mission in Russia to save America from certain defeat on the eve of the Revolutionary War. A brilliant soldier and passionate patriot, Virginia cavalryman Kieran Selkirk is summoned to a clandestine meeting in the winter of 1774. There he finds none other than Benjamin Franklin, who reveals that the British have asked Catherine the Great, the ruthless and mysterious ruler of Russia, to provide twenty thousand of her soldiers to help stamp out the revolution brewing in America. Such a force, fresh from brutal warfare with the Turks, would crush all hope of American

Downloaded from
legacy.opendemocracy.net
on 2022-01-05 by guest

independence. Selkirk's assignment is straightforward - and astounding. He is to travel to Russia disguised as a British mercenary, offer his services to the Tsarina in putting down a Cossack rebellion that threatens her throne, and convince her not to join the British in their war with America. To succeed, he must cross savage terrain, battle starving wolves, avoid secret assassins, fight marauding Cossacks, and contend with a court of seductive young women. In a narrative full of passion and peril, of battles on horseback and wars within the human soul, Selkirk's mission meets with thrilling surprises, including a romantic face-off with the legendary Catherine herself. Told with the hand of a master storyteller, *Love and Honor* is perhaps Wallace's most ambitious project yet, taking readers back to the eighteenth century in a patriotic novel brimming with romance and heroism on the grandest scale. Exotically transporting yet deeply

American, *Love and Honor* captures the fight for good over evil, integrity and compassion over cruelty, and true love over all.

A Journal for Jordan - Dana Canedy 2009-10-13

NEW YORK TIMES

BESTSELLER • "A hauntingly beautiful account of a family fractured by war . . . filled with vivid and heartbreaking details."—The New York Times Book Review NOW A MAJOR MOTION PICTURE • "Full of wonderful treasures offered by a unique and spirited father . . . written with serene grace: part memoir, part love story, all heart."—James McBride, author of *The Color of Water* In 2005, Dana Canedy's fiancé, First Sergeant Charles Monroe King, began to write what would become a two-hundred-page journal for his son in case he did not make it home from the war in Iraq. He was killed by a roadside bomb on October 14, 2006. His son, Jordan, was seven months old. Inspired by his example, Dana was determined to preserve his memory for their son. *A Journal*

Downloaded from

legacy.opendemocracy.net

on 2022-01-05 by guest

for Jordan is a mother's fiercely honest letter to her child about the parent he lost before he could even speak. It is also a father's advice and prayers for the son he will never know. A father figure to the soldiers under his command, Charles moved naturally into writing to his son. In neat block letters, he counseled him on everything from how to withstand disappointment and deal with adversaries to how to behave on a date. And he also wrote of recovering a young soldier's body, piece by piece, from a tank—and the importance of honoring that young man's life. He finished the journal two months before his death while home on a two-week leave, so intoxicated with love for his infant son that he barely slept. This is also the story of Dana and Charles together—two seemingly mismatched souls who loved each other deeply and lost each other too soon. A Journal for Jordan is a tender introduction, a loving good-bye, a reporter's inquiry into her soldier's life, and a heartrending reminder of

the human cost of war.

To Love, Honour And Disobey -

Natalie Anderson 2020-06-20

Wanting to finally be brave,

Ana sends divorce papers to her husband, Sebastian

Rentoul, whom she has been separated from for a year, and leaves for a trip to Africa.

When they first met, Ana had dreamed of a blissful marriage,

but it lasted merely a week before she discovered her

husband's heartless motive: he only married her for a

promotion! After she fled from her marriage, Ana faced

another obstacle alone and did not tell Seb. Now that a year

has passed, Ana is determined to finally overcome her trauma

and be reborn as a stronger person during her impromptu

trip to Africa... However, Seb is also there! She wants to move

on, but she cannot resist her gorgeous-as-ever husband!

For Love and Honor - Jody Hedlund 2017-03-07

A wealthy noblewoman. A desperate knight. A dangerous

secret that threatens their love ... and their lives. If you're

looking for a good, clean read

Downloaded from

legacy.opendemocracy.net

on 2022-01-05 by guest

that combines the setting and mood of a medieval fairytale with the heat of historical romance—you found it! Lady Sabine is harboring a skin blemish that, if revealed, could cause her to be branded as a witch, put her life in danger, and damage her chances of making a good marriage. No nobleman would want to marry a woman so flawed ... and a possible witch at that. Sir Bennet is returning home to protect his family from an imminent attack by neighboring lords who seek repayment of debts. Without fortune or means to pay those debts, Sir Bennet realizes his only option is to make a marriage match with a wealthy noblewoman. As a man of honor, he loathes the idea of courting a woman for her money, but with time running out for his family's safety, what other choice does he have? As Lady Sabine and Sir Bennet are thrust together under dangerous circumstances, will they both be able to learn to trust each other enough to share their deepest secrets? Or

will those secrets ultimately lead to their demise? Praise for Jody Hedlund: "... engaging ... fun for genre fans wanting a quick read." —Booklist Magazine "A great selection for collections looking for titles with strong Christian themes or for readers who enjoy fairy tales." —School Library Journal For Love and Honor: Is a medieval, clean, YA romance novel by award-winning author Judy Hedlund Features a strong female heroine Is a perfect mix of romance and action and adventure Is the sequel to A Daring Sacrifice in the An Uncertain Choice Series **For Love and Honor** - Mrs. Georgie Sheldon 1888

Casino - Nicholas Pileggi

2016-10-18

The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic *Wiseguy*—basis for the film *Goodfellas*—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s

disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. *Casino* is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).

Special Gifts - Dennis L. Olson
1999

Afraid that the “Two-leggeds” might use unwisely the special gifts of love and honor, the Creator asks the animals how to protect them.

An Uncertain Choice - Jody Hedlund

Due to her parents' promise at her birth, Lady Rosemarie has been prepared to become a nun on the day she turns eighteen. Then, shortly before her birthday, a friend of her father's enters the kingdom and proclaims her parents' will left a second choice—if Rosemarie can marry before the eve of her eighteenth year, she will be exempt from the

ancient vow. Before long, Rosemarie is presented with the three most handsome and brave knights in the land. But when the knights' arrival results in a series of attacks within her land, she begins to wonder if the convent is the best place after all. If only one of the knights—the one who appears the most guilty—had not already captured her heart.
