The Weird Girls - Cecy Robson 2018-12-28

Celia Wird and her three sisters are just like other 20-something girls—with one tiny exception: they're products of a backfired curse that has given each of them unique powers that make them, well, a little weird... The Wird sisters are different from every race on earth—human and supernatural. When human society is no longer an option for them, they move in among the resident vampires, werebeasts, and witches of the Lake Tahoe region. Could this be the true home they've longed for? Um, not quite. After the sisters accidentally strip a witch of her powers in a bar brawl, they soon realize the mistake will cost them. Because to take on a witch means to take on her coven. And losing the battle isn't an option. Includes a preview of the first full-length novel in the Weird Girls series, Sealed with a Curse—as well as introductions to the Weird World, and a letter from the author.

Weird Stuff - Richard Tulloch 2012-01-01

A very funny story about writing, soccer, girls and weird stuff. Brian Hobble isn't much of a writer - he's more of a soccer player. And most of the time he's not much of a soccer player either. But then one day he borrows a pink Easyflow pen from Nathan Lumsdyke, and he can't stop writing! Unfortunately for Brian, the pen only allows him to write sickeningly flowery prose, even on his science test. Brian can't wait to give the pen back - until he realises that Cassandra Wyman finds him a lot more interesting with his new-found writing talent. Weird Stuff is the first in a series by Richard Tulloch revolving around the kids of Garunga Central and the slightly odd things that happen to them. 'I couldn't write for nuts, until I borrowed Nathan Lumsdyke's pink Easiflow pen. Suddenly I wrote super long stories. They were totally weird, embarrassing stories, with kissing and stuff. And what was worse, everybody thought I'd made them up myself!!!' Brian Hobble, Author (also soccer superstar and red-hot babe magnet) 'Brian Hobble is the most talented young writer I've met in my years as a children's author and writing teacher. Keep up the good work, Brian!' Lancelot Cummins (bestselling author of A T-Rex Ate My Homework, Brown Gunk from Mars and My Mum's a Zombie Killer) 'Brian Hobble's Weird Stuff is a reel fantastick book and you oughta reed it.' Vince Peretti (Brian Hobble's best friend)

As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. Kellen may not be innocent, but he is the fixed point in Wavy and Donal's chaotic universe. Instead of playing it safe, Wavy has to learn to fight for Kellen, for her brother, and for herself. Weird Girl - Mae Mccall 2015-03-17

There was no blood. No death, injury, or dismemberment. (Well, possibly a little bit of dismemberment.) Cleo squirmed through the mass of spectators and crawled through two sets of legs to get into her room, where she found her roommates pretty much where she had left them, except now they were screaming and pointing at the interior of Cleo's second dresser drawer. The girls, trying to be nice (and also because they were seriously leery of Cleo), had unanimously decided to clean up the mess that Mae (or her cronies) had left. Once the mattress was relatively clean, they had split the remaining duties: half would clean the pillowcases, shoes, and floor; the other half would clean out the dresser and try to salvage Cleo's clothes. This was a great plan until somebody found the severed head rolled up in a sweater. Trouble is her middle name.... Cleo St. James isn't like other girls. In fact, she's downright creepy. But by the time she's nine years old, she's also alone-ignored by her parents and shunned by her peers. Her only friends are two grown men, and the fact that one is a gangster and the other a thief provides enough insight into the forces that shape Cleo into the weird young woman that she becomes. As Cleo grows up (too fast), her criminal tendencies lead her closer and closer to someone from her past—perhaps the only person in the world who truly understands her. With a sailor's vocabulary, a fine set of lock picks, and a few million in the bank, Cleo always gets what she wants. But when it comes to what she needs—a real connection with someone—it pays to have someone who knows her better

than she knows herself.

Texting Olivia - Galya Gerstman 2021-11-27

Texting Olivia is a funny, fast-paced, modern take on the epistolary novel, using phone texts and calls instead of letters as the main form of communication. Fay is a paralegal in her forties with thwarted career ambitions, which she blames on her mother. Indeed, she has done almost everything opposite to her own upbringing in raising Olivia. But Fay's assumptions about what it means to be a good mother—and also a good daughter—are put to the test when she and her husband take a madcap trip from New Jersey to San Francisco to help Olivia move out of her dorm.

Debbie Harry Sings in French - Meagan Brothers 2008-05-27

Johnny's had kind of a tough life so far, and he's always been a bit of a freak. His goth look usually includes black nail polish and a little mascara. When he discovers Debbie Harry, the lead singer of Blondie, he not only likes her music but realizes that he kind of, sort of, wants to BE her. He'd like to be cool and tough and beautiful like her. He'd like to dress like her. He's not gay, at least he doesn't think so. So what does it mean? And what should he tell his amazing new girlfriend? This wise, hip novel introduces shades of gray into the black-and-white ideas of sexuality and gender. Anyone who has ever wished they could be a little bit tough and a little bit glamorous will recognize themselves in Johnny.

Why Girls Are Weird - Pamela Ribon 2003-07-01

She was just writing a story. When Anna Koval decides to creatively kill time at her library job in Austin by teaching herself HTML and posting partially fabricated stories about her life on the Internet, she hardly imagines anyone besides her friend Dale is going to read them. He's been bugging her to start writing again since her breakup with Ian over a year ago. And so what if the "Anna K" persona in Anna's online journal has a fabulous boyfriend named Ian? It's not like the real Ian will ever find out about it. The story started writing itself. Almost instantly Anna K starts getting e-mail from adoring fans that read her daily postings religiously. One devotee, Tess, seems intent on becoming Anna K's real-life best friend and another, a male admirer who goes by the name of "Ldabler," sounds like he'd want to date Anna K if she didn't already have a boyfriend. Meanwhile, the real Anna can't help but wonder if her newfound fans like her or the alter ego she's created. It's only a matter of time before fact and fiction collide and force Anna to decide not only who she wants to be with, but who she wants to be.
