Don't Stop Believing - Eve Langlais
2021-01-28

My kids living at home and reconnecting with me. Plus, I was a witch. There, I said it out loud. I'm a sorceress who can do magic. Not bad for a woman my age. I should have known better than to get so cocky. The other shoe dropped, bounced, and hit me in the face, then bounced again and whacked me in the shin. It proceeded to ricochet once more and— What should have been the most amazing night turns into a disaster. I'm crushed, in more ways than one. When I recover, it's to find my reality has shifted. My cat can speak. Some of the townsfolk appear to be possessed by demons, and I'm supposed to be sacrificed to free magic. Seriously? I just wanted my damned happily ever after. And I will fight to get it. genre: paranormal women's fiction, paranormal romance, romantic fantasy, older heroine, seasoned heroine, midlife crisis, pwf, fab13, supernatural thriller, contemporary fantasy

undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You will never look at underwear the same way again.
