Fix Her Up Tessa Bailey 2019-06-11 The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over

it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of Meet Cute

Handbook of African Medicinal Plants, Second Edition Maurice M. Iwu 2014-02-04 With over 50,000 distinct species in sub-Saharan Africa alone, the African continent is endowed with an enormous wealth of plant resources. While more than 25 percent of known species have been used for several centuries in traditional African medicine for the prevention and treatment of diseases, Africa remains a minor player in the global natural products market largely due to lack of practical information. This updated and expanded second edition of the Handbook of African Medicinal Plants provides a comprehensive review of more than 2,000 species of plants employed in indigenous African medicine, with full-color photographs and references from over 1,100 publications. The first part of the book contains a catalog of the plants used as ingredients for the preparation of traditional remedies, including their medicinal uses and the parts of the plant used. This is followed by a pharmacognostical profile of 170 of the major herbs, with a brief description of the diagnostic features of the leaves, flowers, and fruits and monographs with botanical names, common names, synonyms, African names, habitat and distribution, ethnomedicinal uses, chemical constituents, and reported pharmacological activity. The second part of the book provides an introduction to African traditional medicine, outlining African cosmology and beliefs as they relate to healing and the use of herbs, health foods, and medicinal plants. This book presents scientific documentation of the correlation between the observed folk use and demonstrable biological activity, as well as the characterized constituents of the plants.

Consumerist Encounters Sreedeeep Bhattacharya 2020-08-14 Economic liberalization and globalization in India in the early 1990s resulted in a whirlwind of consumerist activities. New material and visual temptations swamped the markets. Expanding field of commodification infiltrated consumer minds through media imageries. New objects of desire aroused inhibited cravings. This engendered an accelerated and intensified relationship with things and images that permeate our everyday lives. *Consumerist Encounters* elucidates how our all-consuming relationship with objects and their representations have transformed rapidly over the last few decades in contemporary urban India. It argues that ephemerality, frivolousness, and multiplicity of choice regulate our flirtatious encounters with commodities and their images as we restlessly use, exhaust, dispose, and move on. Such a trend is illustrated by examining a plethora of commodity-centric phenomena such as exclusion through apparel, eroticization of body images, population of the T-shirt surface with graphics and text, rise of business process outsourcing, instantaneous seeing and sharing of images, and rejection of material goods in junkyards and ruins. These explorations collectively shed light on the constant negotiation of our identities, statuses, and mobilities in the image-saturated commodity landscape.

Edible Insects Arnold van Huis 2013 Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Although the majority of consumed insects are gathered in forest habitats, mass-rearing systems are being developed in many countries. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. It shows the many traditional and potential new uses of insects for direct human consumption and the opportunities for and constraints to farming them for food and feed. It examines the body of research on issues such as insect nutrition and food safety.

the use of insects as animal feed, and the processing and preservation of insects and their products. It highlights the need to develop a regulatory framework to govern the use of insects for food security. And it presents case studies and examples from around the world. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. To fully realise this potential, much work needs to be done by a wide range of stakeholders. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

The Future of Disability in America Institute of Medicine 2007-10-24 The future of disability in America will depend on how well the U.S. prepares for and manages the demographic, fiscal, and technological developments that will unfold during the next two to three decades. Building upon two prior studies from the Institute of Medicine (the 1991 Institute of Medicine's report *Disability in America* and the 1997 report *Enabling America*), *The Future of Disability in America* examines both progress and concerns about continuing barriers that limit the independence, productivity, and participation in community life of people with disabilities. This book offers a comprehensive look at a wide range of issues, including the prevalence of disability across the lifespan; disability trends the role of assistive technology; barriers posed by health care and other facilities with inaccessible buildings, equipment, and information formats; the needs of young people moving from pediatric to adult health care and of adults experiencing premature aging and secondary health problems; selected issues in health care financing (e.g., risk adjusting payments to health plans, coverage of assistive technology); and the organizing and financing of disability-related research. *The Future of Disability in America* is an assessment of both principles and scientific evidence for disability policies and services. India, that is Bharat J Sai Deepak 2021-08-15 *India, That Is Bharat*, the first book of a comprehensive trilogy, explores the influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of

the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the reshaping of Bharat through a British-made constitution-the Government of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

Jim joins the crew of a ship in pursuit of Bones's treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.

Rated X Maitland Ward 2022-09-06 An empowering, sex-positive, behind-the-scenes look at both Hollywood and the porn industry in this celebrity memoir unlike any other. Perfect for fans of *Pleasure Activism* and *How to Make Love Like a Porn Star*. Maitland Ward got her start in acting as a teenager when she was cast in *The Bold and the Beautiful*, but it wasn't until she joined the later seasons of the sitcom *Boy Meets World* that she got her first taste of fame. As the loveable, sexy (but not too sexy) co-ed Rachel McGuire, Ward soon found herself being typecast as the good girl next door and was repeatedly denied darker, more intriguing roles. So she made a career change—one that required her to turn away from the Disney universe—and eventually established herself as one of the most-respected actresses in the porn industry today. Now, Ward reveals the ups and downs of her fascinating career, including personal stories from her time on one of the most beloved shows of the 1990s, in this anything but a run-of-the-mill memoir. By showing Hollywood and triple-X stardom in a whole new light, she offers a fresh and stirring perspective on the sex industry. Ultimately a story of hope and triumph, *Rated X* is a sharp and provocative look at a former Disney princess who found her fairy tale in porn.

Barkat Vikas Khanna 2021-12-27 *Barkat* means abundance. An abundance of blessings and auspiciousness. Where there is no dearth and there is no scarcity, that's *Barkat*. It's a much bigger word than can be translated in English. This is the story of one of the most beloved chefs from India, Vikas Khanna. From the small town of Amritsar, he grew to be an international chef and fulfilled his dream of getting a Michelin Star. He narrates how his grandmother infused in him the values of sharing food, while the langars of the Golden Temple showed him that community kitchens are perhaps the only way to ensure no one goes hungry. From these values developed around food, he got the goal and the grit to build one of the world's largest food drives called 'Feed India' during the COVID-19 lockdown. This deeply personal and heart-touching narrative is a testimony of one man's vision to showcase Indian culture and the intrinsic value of sharing food to the world.

Call Me by Your Name André Aciman 2020-06-02 The sultry, sensual novel of obsession and desire that inspired the Oscar-winning film.

How Tobacco Smoke Causes Disease 2010 This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

15 odes to older ladies ... THAT SO DESERVE IT! Mike Watson 2023-02-15 Dear Reader, After putting out the gigantic compilation on femdom odes i.e. the "Reader" and the odes to Indian maids (all 25 sizzling hot of them) - what I did not say, is it all initially started with another idea in mind.

Another older lady, who I like to call “Ma Ji” – an uber respectful way of addressing older women in general in India, those over 50 or so, who lay in the park sunning herself, and every time she moved, all I could think of, see, vision- right in front of me rather than my workout which I still did on auto pilot – her soles – and SERVING HER! And from there on, serving her husband, and his lovely little jiggly boobies – so NICE! (tiny, such pretty thick NIPPLES!), sucking them, giving him pleasure, giving HER pleasure, they were so HOT, I can feel the HEAT, that dark skin, between their legs, all of it! I’ve been very open about the fact, of course, it’s never about age – or looks – or anything. Her MIND is what counts! And it could be the older lady I was chatting to the other day in China – or the older ladies I write about so much or the mother daughter combos where lets be honest, the RULING mother, matriarch and her POWER is the real turn on, more than the rolls of fat around her waist which I so love to worship! Much like downtrodden women, and fat women and so forth, OLDER women are always discriminated against, and thats another reason to worship them – MORE! Yet, the other two courses showed up first, despite my IMMENSE devotion to older ladies, and despite the fact I’ve from a young age always “been with women” relationship wise that have been older, in some cases 10 years. Dont get me wrong, I’ve been with plenty younger too as you can tell, but this morning, doing this and that, I couldn’t figure out the sales title for this one, so I left it be as it were. Went out to workout – and presto, as always, the heavens delivered! Usual area where I workout – well I chose another one today, but that was too hot, so I went back to the original area, and as soon as I went there – I knew this book was in the offing! An older white lady was sitting there, her SOLE pointed to me! With an older Japanese lady in socks – now, its important to note at this point there was no lust or anything in my mind, it was on my workout, the heat around me, other things, but I instinctively said Paye Lagu, and thoughts of massaing her foot swept through my mind on auto pilot. She must have felt it. She did, I know because she looked at me strangely for a minute! As I continued my workout, I couldn’t help but stare at the old lady’s wrinkled feet. I took my shirt off to give them more of a “show” which they took in for a while, then left. It was ONLY THEN That true lust kicked in! Man, I thought about that ONE SOLE all workout! If Madam had pinched my nipples, I’d have dropped down right there! She wasnt overly attractiv or anything, grandmother like if anything, kind of like the “white” version of the “Ma Ji”s (older ladies) I write so much about in India – and China ! And without further ado, well, thats the sign I needed. So, enjoy the odes – and implement in your own life, and write back and let me know what you think, and the results you magnetize from imbibing the lessons therein! Best, Mike Watson – ah, but wait. Before we go ... a bit of BACKGROUND on this, WHY you should get this book, and so forth (though really, if you’re into real femdom, the above is all you should need to click the purchase button NOW) WHY OLDER LADIES, even if not considered “traditionally beautiful or attractive” SHOULD BE WORSHIPPED AS QUEENS AND GODDESSES! Or, I could say why I love “old and fat” women, those that have “pumped out kids” (as so many men say!) — and worshipping their asses, feet, soles, armpits ... Dont get me wrong. I dont discriminate based upon age, women are women — and are all so gorgeously dominant. But older women just HAVE it — that dominant vibe x 10! And the maturity to GIVE subs what they want. So, asses, feet and soles? Older women? Paye Lagu, Memsahib! Especially the first and third category! And of course those STRONG hands slapping me! YEARS of experience doing so or wanting to do so, and Madam Aa Chie, that lovely lady of the night who took me in hand SO EXPERTLY — and did NOT do what she was paid for — and I loved it! — her mother was of the latter bent of mind. I remember licking the CRUD off the older lady (60+)’s asshole like never before. As she slept comfortably, legs splayed out like a MAN’s, with NO fear of me entering her (I was locked anyway, hehe) — — her soles reminded me so much of my Grandmother’s who I wrote about before. Big soles. Uncared for soles. And they need to be pressed, boy, as Madam was told in the movie “Anmol”, which I never watched past the femdom. Hehe. Rather boring movie from what I can tell but the fem dom made it worth it! Dekhi kya rahi hai! Daba! Dont look at me bitch! Press my soles! I so wish I was doing it! And a lady of the night — and her mom? Worshipping a lady (Aa Chie) who gloatingly spoke of the manly customers whose cocks she sucked, cum she drank and then tweaked my nipples lovingly and said “not yours though, sissy!” LOVINGLY BEING KEY! Women who do that

are so NICE, humiliate LOVINGLY! Worshipping her old mother that not even the most ardent fetish enthusiast would want to do? To me that is REAL FEMDOM. That doesn't mean you don't worship "young and beautiful" — you do. Madam Pearl, Princess Joanie, the lovely Sophia Bai (well, she was getting on a bit!) and more! But it DOES Mean you pay equal attention to all ladies, which can be a chore sometimes, hehe. Which one to worship more. Tough one to call! But as THAT ex of mine once told me (the one who told me to go to counseling, and she's unfortunately no longer with us due to the plague from China) ... "If anyone, I'll massage those rickshaw puller's feet in India!" A highly barbaric practice, of course, which persists to this day in india in Kolkata at least, despite the Communist government officially outlawing it where humans beings pull more privileged and fat ones like BEAST of burden. I get her point! (She told me to think of sunflowers when I thought of her. I am now. I'm sure she's in heaven weaving a spell over men with that lovely blond hair and her lovely FEET!) Anyway, thats why I love it. Worshipping maids. Sex workers. Ladies of the night. The downtrodden. And so forth. And so should you, if yo'ure a true femdom lover, and if not, you might as well leave this page NOW because in that case this product ain't for you. And Madam Carol, her of the lovely feet is ignoring me right now. I don't know why. I'll have to find out, but as I told her, I'm sure your husband wont mind me saying hi to you! But she told me that story of an older lady with an younger man, and they both had no money apparently, or maybe the guy did, I don't know — — yeah, I think the guy did. And there was a 60 year old age difference. But, the guy loved her no matter what, they lived together! And on that note - thats that - but this wouldn't be complete without me saying this - - I so LOVE kissing the rolls of FAT — LOVINGLY — around Pooja Memsahib's so called corpulent waist, and kissing the saggy buttcheeks, and the TREASURE WITHIN that I'd pay for , and do! Her asshole is the BEST! (tough call, but still!) Why it's NEVER about her age, boy! Women often get a lot of negative attention due to their age, and "younger women" being "more preferable". I cannot tell you how STUPID this line of thinking is - of course, it's MEN that all seem to want "the young girl" and so forth - and then complain when that same young girl shows no interest in the usually "lecherous" old fart. Hehe. Look, the most important thing about a woman is her MIND. Not her age! Not her looks, not her body type - none of that! I'll give you two examples - both extremely pertinent CONFIDENT, DOMINANT AND SUCCESSFUL - what more could a man ask for!! And it's so true! From Madam Su to Pooja Ma'am to ... well, a LOT of the older ladies I've been with - they're financially independent, gorgeous, CONFIDENT - they KNOW they rock - and they dont mind compliments, in fact - they expect them - perfect Madam SUSAN - all of them - they have ONE thing in common. They're older, and they know they ROCK, they're no less than younger women! It's this confidence that is such a huge turn on when it comes to older women, femdom wise, the "why" is so obvious. Further, older women are FAR more open about their sexual preferences - or not - like Madam Ann, and a certain 59 year old Chinese lady I was recently chatting with ... they are open about they DONT want SEX, and just want worship - and for a footboy, a devoted SUB - what could be better news than this? Few things, I'd suspect! NO pressure to perform except as an uber devoted sub, massage slave and so forth, NO other pressure, its so NICE! Ma'am, you're so nice! Muah. (this w.r.t an Indian lady, at least of Indian origin that I've been following on Twitter) ..Ever since i saw her - well, specifically last night - she's been on my MIND. Big time! And as I sit here waiting for a computer reinstall to get done - she's in my mind again. She reminds me SO of a certain Priyanka Ma'am - in many ways - right down to her look, and those lovely legs and heels of hers! She's an older lady whose posts i often see on Twitter. But last night, one of her pictures REALLY stood out - more than just her legs? It's the VIBE! MY! Madam seems to be a political analyst or something - at CNN, I believe, not sure, but her aura is what matters! Confident. Dominating! The two go together. So they should! And they attract SUCCESS - which Madam is successful too! An older lady not shy to show her best assets off, An Indian Goddess that KNOWS deep down inside shels superior! And she flies from country to country, those are my thoughts. What more could a REAL man ask for? Other than to be at her feet, give her massages, which Madam must be so tired traveling between places - i know how that goes. Muah! Id just be happy to press her legs all night while she relaxed after clubbing, chatting with men, whatever she

wanted, no strings attached, like I did with perfect Madam Jyoti! Shine her shoes, iron her clothes, give the working lady what she NEEDS! Women SO deserve that. My lovely S.O. once sneered about a certain Priyanka Chopra - as if to say, well, "put shorts on any girl, she will look good, theres nothing so special about her!". Well... Coming from a lady who so adroitly pointed out that women are each other's worst enemies and is as catty as the best of them - what could I say. Hehe. Not that I would say much anyway! "Look at the whole girl, not just her FOOT, boy"! Ma'am, that's the thing people don't get - it's the VIBE, that dominant vibe that attracts and KEEPS - forever! Feet, legs, heels, fetish, the whole shebang. All of its great! But it's the VIBE that matters. And back to thi stunning Goddess - I SO hope Madam gets a LONG massage post flight. She DESERVES it!! Muah Paye lagu, Madam ...JI! You're TOO NICE! (She even got me to do something I NEVER would, something i absolutely ABHOR - write this on the dumbphone! Ugh ..hehe) (and hence more typos than usual, hehe - so be it!) After devouring the best quality of food on the planet for 3 weeks, I'm not surprised that Japan has the most number of Michelin stars and more importantly the most number of 3 Michelin stars in the world. The quality is too refined and superior. Madam, from what it seems loves soccer. But that comment she made on food - so apt! "Madam, just like you - right down to the Michelin grade". And, as I get the computer back up and running "aint that SO true". Muah! I'd truly wash your feet and drink the water, Madam. You're that gorgeous - the VIBE! (and all of it. I could write forever on this!!). And thats the spirit in which all of my Indian femdom was written (actually, ALL my work- books, manuals, ALL of it) - all TRUE - and all ...well, so FROM THE HEART, which is what matters, counts, as I say on one of my businesses, or so goes the tagline "from the heart". Get some NOW. The true femdom lover wont be able to put 'em down, that I promise! But before that - the reverse of "older women" - WOMAN WORSHIP - regardless of AGE One of the most interesting - and best - things that Madam Alexa and I often talk about it is this - the AGE difference between us. She's more than 18 years younger than I am (and although I myself look around 10 years younger than I am due to my sticking to a GOOD exercise routine - hey, sissies need to be young, beautiful and in shape! Hehe) - and this age difference is always on our minds when we chat about anything. It MATTERS - YES - not her age - but the age difference! "Madam, I love the age difference between us", I'll often blurt out. She giggles. "Me too, hehe". A more calm response, a more "mature", measured response, but I can tell (and she's told me) she LOVES this dynamic too - and rightfully so! There is a certain turn on - - a certain UNIQUE way of being humiliated - - when you address a person younger than you by many years respectfully - - and more importantly, as your Lord, Master (Mistress!) and TRUE (and always) superior! I've made mention before of my occasional visits to the Indian subcontinent, where (unfortunately from a real life perspective) the tradition of keeping "servants" (and servile ones at that) is very much alive and "kicking" - and servants far older than their "Mistresses" or "Masters" are routinely verbally and otherwise degraded (without it being looked upon as such by society at large, such is the "acceptance!"). A servant should know her place, BOY! (Madam Aa ling, her of the ... ah, but you probably remember!) You're always boy, and I'm always your Madam! (The imperious Madam Pearl ...) In Hong Kong in days bygone, older Chinese waiters in restaurants, for instance, were routinely and laughingly (and contemptuously!) addressed as "boy" during the colonial era (pre 1960 etc) ... And examples abound galore. When Princess Tina, for instance, addresses me as a servant in the most humiliating manner possible - and I do the exact opposite thing - it's the whole "age dynamic" at play that makes it so much more interesting! Serving an younger lady - - an younger Goddess - - and her lovers - - like ROYALTY ... And lest you think it doesn't work the other way around - think again, my friend. A lot has been made of men "preferring younger women" both socially and otherwise. It's somehow acceptable for a man to marry a woman 10 or more years younger than him - but the other way around - ?? - and society at large "comments". And I'm here to tell you - and always have- - that true femdom isn't about age or looks - its about the MIND. Everything else is secondary! Madam Susan, for instance, her of the Madam Carrie series - is 12 years younger than me - but as I was chatting with her the other day, I felt this urge to drop down and lick the bottom of her beautiful flip flops for no reason - and proclaim her to be a GODDESS that deserves young, virile lovers - and

SLAVES! And thats how it should be - because she's a Goddess - regardless of age! From Goddess Priyanka, to Madam Pearl, to Madam Susan, Krystal, and all the other lovely ladies I've been fortunate to be with - and of course most recently Princess Tina - they're all Goddesses - and always will be - regardless of AGE! And in case this sort of humiliation turns you on immensely - either as a Domina or a male submissive - well - rest assured this is but just the TIP of the iceberg, my friend. There is far, far more to humiliation and true degradation than just this - and Princess Joanie knew this better than most and it was after meeting that lovely, and FAR younger lass (that I've often said has the most beautiful feet in Southern China and rightfully so) that I penned Humiliation Central. But for now, lets stick to age. And the fact that it's NEVER about her age - or looks, or any of those silly social tags society in general attaches to women. Its' about her mind, and don't you ever forget that, BOY! BENEFITS that REAL submissives will get from imbibing the lessons and vibes from this book (and what you'll LEARN in general) You will find that worshipping an older woman is by extension in many ways a lot more interesting than doing so for a younger woman - not only because she will appreciate it more - but will ENJOY the service more! From Aa Ling's mom to Susan to Nandini Ma'am's mother - to an older "grandmother like" lady I met in China - they ALL enjoy the worship, as much as or more than younger women - which in itself makes it worth it! The CONFIDENCE that comes in spades from older women - that is a huge, huge turn on for any real submissive. Enough said on this one! And that shows in EVERY ode I've written in this book. NO pressure to perform in bed or be good at sex. In fact a lot of older women dont even want sex that often, but they DO want the rest of the service, cooking, cleaning, etc - tasks a lot of us subs BEG to perform! And this one factor alone should be enough to drive you to your knees every time you see an older lady. It's so NICE! xx (and this vibe SHINES through in the odes to them) I've said before that there is NO limit which is "sacrosanct" in terms of real femdom, and submitting to older ladies, you'll learn this x 10. You'll learn how these older ladies, with ONE shot of the foot, and nothng else - ONE sole shot, and nothing else - can inspire you femdom wise for DAYS, weeks - MONTHS on end - how one look from an "Auntie" can make you more submissive than you've ever been - how you'll be literally be willing to do ANYTHING for her - including drop down and suck her husband's penis in public if she so wants for HER PLEASURE! Older ladies know even better than younger ladies how to USE - abuse - which is what a slave DESERVES, so it should be. And they do it so well, you'll see in these odes! VIBE! Findom wise, older ladies can be EXTREMELY demanding. And thats a good thing - you'll pick up on these vibes, and do what you should as a sub in that regard! Older ladies KNOW how to get a younger - or any male - to serve better. Heck, they LEARNED all these things when they were young - as a lady recently told me - you can only dominate, get housework done etc yourself if you KNOW how to do it well yourself first too, so you can hold the sub to those same standards - very high standards - so it should be. What a PLEASURE AND HONOR, MA'am! And more... BENEFITS that you as a DOMINANT ("old", "young", or "in between", even) can expect to gain from imbibing the lessons and vibes from this book True domination and confidence go together, hand in hand. With the confident vibes emanating from dominant women that KNOW how to put men in their place and DO SO even more naturally and confidently due to their inbuilt "matriarch" status - well, YOU as a dominant can and should pick up on these vibes - and the "how" - to put your sub in his or her place even more effectively and PERMANENTLY! Learn some of the "subtle" tricks and bodily cues, vibes - and even body "types" a lot of older women either consciously or unwittingly use to attract younger and often sexier and more handsome men- and keep them HOOKED! (and servile, hehe) While subs will no doubt cream their pant(ie)s just reading about the domination and imagining it - YOU as a dominant female can pick up tips from these older ladies (even if you're a male dom, this applies) - and use them to great effect along with your own wiles on your hapless subs! Each and every ode in this book gives off an aura of sheer and utter ARROGANCE, female superiority and brattiness - and there can never be enough of that in a female dominated/ruled world! More than the actions, as I said in another book today - its HOW you do what you do that counts. Words count, actions count, but the VIBE as often said before counts the most -and older ladies are SO good at SUBTLY projecting that dominating vibe and taking CONTROL

OF MEN - young or old - forever - before bending them and breaking them - to their own wills and wishes - so it should BE! (and so it is, hehe. Ma'am - thank you for that too, I mean it!) And a lot more! This book is currently on a "special launch" sales price. Much like yesterday's two books, it won't last forever so NOW is a great time to grab it at the price it's at - because given the sheer value of info in it, the price WILL go up on it shortly, and deservedly so. Get it NOW. Best, Mike Watson

The Second Sex Simone de Beauvoir 1997 Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time
