No Death, No Fear - Thich Nhat Hanh 2012-02-29  
'(Thich Nhat Hanh) shows us the connection between personal, inner peace and peace on earth' His Holiness the Dalai Lama Thich Nhat Hanh says: 'Our biggest fear is that we will become nothing when we die. If we think that we cease to exist when we die, we have not looked very deeply at ourselves.' With his usual blend of stories, exquisite analogies and guided meditations, Thich Nhat Hanh takes the reader through the same examination of death, fear and the nature of existence that Buddhist monks and nuns have been performing in their meditations for 2500 years. The understanding of no death comes from exploding the myth of how we think we exist. Knowing how we actually

exist produces the state of no fear. This is a new subject for Thich Nhat Hanh and many people will turn to him for his help with fear and death, just as they did for his help with anger.

*Casino* - Nicholas Pileggi  
2016-10-18

The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic *Wiseguy*—basis for the film *Goodfellas*—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas

casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and

Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).

Emmanuelle - Emmanuelle Arsan 2014-03-11

A young woman discovers the boundless potential of her sexuality in this “lyrical and graphic” international bestselling classic novel of joyful eroticism (NPR). It begins with nineteen-year-old Emmanuelle’s flight from London to join her husband in Bangkok. On the airplane, she is seduced by the passenger seated next to her. By the time they land, she has indulged her irrepressible and insatiable sexual appetite, embarking on an odyssey of hedonistic sensual discovery that takes her from the arms of her husband to intimate encounters with the wives of his business associates, to further explorations wherein the philosophical and aesthetic facets of eroticism are expounded—and enacted—to the fullest degree. Much like

Anne Desclos' *The Story of O* and Anaïs Nin's *Delta of Venus*, *Emmanuelle* is as pertinent today as it was when it was first published in 1967, a thrilling reminder of "how this revolutionary epic had an impact on the sexual liberation of women" (*Le Parisien Magazine*). "Emmanuelle is not just sex; it is an eroticism that is vintage, oneiric, utopian, and tender, an optimistic and radiant eroticism." —*Le Point* "Emmanuelle's eroticism is not pathological, unlike the eroticism of revolt. It is a crucial part of the satisfaction of the individual, which feels threatened by nothing, which unfolds in harmony with the world: an eroticism of perfect accord." —*Le Magazine Littéraire* "Lyrical and graphic . . . But it's not all salacious play-by-play. The sex scenes are interspersed with abstract musings about the nature of sex. . . . In short, it arouses." —Teddy Wayne, NPR

**The Best Of Me** - Nicholas Sparks 2011-10-13

The bestselling love story behind the massive Hollywood film starring James Marsden and Michelle Monaghan. They were teenage sweethearts from opposite sides of the tracks - with a passion that would change their lives for ever. But life would force them apart. Years later, the lines they had drawn between past and present are about to slip . . . Called back to their hometown for the funeral of the mentor who once gave them shelter when they needed it most, they are faced with each other once again, and forced to confront the paths they chose. Can true love ever rewrite the past? This is the new epic love story from the multi-million-copy bestselling author of *The Notebook*, *The Lucky One* and *The Last Song*. Nicholas Sparks is one of the world's most beloved authors.

*It's Easier Than You Think* - Sylvia Boorstein 2011-08-23  
Using delightful and deceptively powerful stories from everyday experiences, beloved Buddhist teacher Sylvia Boorstein demystifies spirituality, charts the path to happiness through the Buddha's basic teachings, shows how to eliminate hindrances to clear seeing, and develops a realistic course toward wisdom and compassion. A wonderfully engaging guide, full of humor, memorable insights, and love.

*Sex is a Funny Word* - Cory Silverberg 2015-07-28  
2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality

for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated *What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.

**Mass Media in Vietnam** - David G. Marr 1998

"Transformations in print publication, radio, film and television are an integral part of broader changes taking place in Vietnam since the mid-1980s. Although the Communist Party continues to scrutinise content, and every mass media outlets is formally state-owned, new market economy imperatives, technological upgrades,

international linkages, and persistent audience demand for novelty all serve to propel media experimentation and innovation, whatever the intentions of Hanoi's elderly leadership. This is the first book in English to describe these significant changes, drawing on the knowledge and experience of both vietnamese and foreign experts." -- p. [4] of cover.

**Twinkle Twinkle** - Kaori Ekuni 2003-05-01

They got married ten days ago. They haven't had sex yet and they don't intend to. As it turned out, the only way to make their parents get off their backs about trying to "find someone" was actually finding someone--with whom to put marriage for show. Mutsuki is strictly gay and has a boyfriend, while Shoko is a clinical case of emotional instability who's in no shape for a relationship. They've each found in the other a perfect partner for a sham marriage. Since the conspirators' parents know of their own child's undesirability, but not the spouse's, the union

manages to please them. And while the newlyweds hope, in their own way, to live happily ever after, they inevitably come face to face with the fact that no marriage real or staged, is a fairy tale.

The Precipice - Toby Ord 2020-03-05

What existential threats does humanity face? And how can we secure our future? 'The

Precipice is a powerful book . . .  
. Ord's love for humanity and hope for its future is infectious'  
Spectator 'Ord's analysis of the science is exemplary . . .  
Thrillingly written' Sunday Times  
We live during the most important era of human history. In the twentieth century, we developed the means to destroy ourselves - without developing the moral framework to ensure we won't. This is the Precipice, and how we respond to it will be the most crucial decision of our time. Oxford moral philosopher Toby Ord explores the risks to humanity's future, from the familiar man-made threats of climate change and nuclear war, to the potentially greater, more unfamiliar threats from engineered pandemics and advanced artificial intelligence. With clear and rigorous thinking, Ord calculates the various risk levels, and shows how our own time fits within the larger story of human history. We can say with certainty that the novel coronavirus does not pose such a risk. But could the next

pandemic? And what can we do, in our present moment, to face the risks head on? A major work that brings together the disciplines of physics, biology, earth and computer science, history, anthropology, statistics, international relations, political science and moral philosophy, *The Precipice* is a call for a new understanding of our age: a major reorientation in the way we see the world, our history, and the role we play in it.

**The Drifters** - James Albert Michener 1971

### **Battle Hymn of the Tiger**

**Mother** - Amy Chua

2011-12-06

A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it...

Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they

had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? *Battle Hymn of the Tiger Mother* is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever.
