[The Secret Language of Birthdays](#) - Gary Goldschneider 2003-10-20

Combining astrology, numerology, and pure psychic intuition, The Secret Language of Birthdays is a wholly unique compilation that reveals one's strengths, weaknesses, and major issues while providing practical advice and spiritual guidance. Many have suspected that your birthday affects your personality and how you relate to others. Nineteen years and over one million copies later, The Secret Language of Birthdays continues to fascinate readers by describing the characteristics associated with being born on a particular day. The 366 personality profiles are based on astrology, numerology, the tarot, and Gary Goldschneider's observations of more than 14,000 people. Your strengths, weaknesses, and major concerns will be illuminated while you are given practical advice and spiritual guidance. After you study your profile, it will be hard to resist examining those of family, friends, colleagues, and even celebrities.

Food For Thought - Joost Elffers & Saxton Freymann 2005

Presents fruits and vegetables carved into shapes to teach colors, numbers, letters, shapes, and opposites.

[The Secret Language of Destiny](#) - Gary Goldschneider 2003-10-20

This indispensable astrological text addresses the question we all ask at some point during the course of our lives: "What is the purpose of my life?" It identifies, based on birthdate, what, on a soul level, someone came into this lifetime to achieve, in other words, their karmic signature. Gary Goldschneider and Joost Elffers take the reader on a spiritual quest around the astrological galaxy that culminates in a sense of purpose and truth. In addition to the great inter-personal benefits, this book also contains thousands of tidbits of information regarding the astrological signs of actors, musicians, and world leaders.

[The Power of Birthdays, Stars & Numbers](#) - Saffi Crawford 1998-11-10

The most complete, comprehensive birthday forecast available--synthesizing the secrets of astrology, numerology, and fixed stars! In this delightfully addictive, wholly accessible book, two skilled astrologers guide you toward greater psychological insight, self-awareness, and a keen understanding of your unique position in the universe. Packed with an extraordinary wealth of knowledge and clear, easy-to-interpret graphs and charts, The Power of Birthdays, Stars and Numbers provides:
 · BIRTHDAY FORECASTS--366 profiles--one for each day of the year--reveal your positive and negative personality traits, career strengths, tips on love and relationships, your secret self, your best days for romance and friendship, potential fatal attractions, famous people who share your birthday, and much more! INCLUDING!
 · FIXED STARS--
 Though astrologers have used fixed stars for centuries, now the general public can reap the rewards of this

classic method for enlightenment. The stars that line the heavens radiate great power, depending on your date of birth. You'll learn your primary fixed star plus those that influence your astrological chart.
 · NUMEROLOGICAL PROFILES--Discover the importance of the nine basic numbers, and learn how to calculate your holistic number (which reveals your life purpose) and your personal year number (which sheds light on what specific lessons a particular year has in store for you). Travel beyond the twelve signs of the zodiac and tap into The Power of Birthdays, Stars and Numbers. You hold centuries of wisdom in your hands.

Colorstrology - Michele Bernhardt 2005

Four out of 10 North Americans read their horoscope daily, 10 out of 10 have a birthday, and almost all of them see the world in living colour. Colorstrology, already with a highly successful website at colorstrology.com, infuses elements of astrology and numerology with the spirituality of colour to create a colour profile for every day of the year. Cleverly packaged with 32 pages of perforated colour chips, this new genre of metaphysical fun will bridge the consumer gap between the house-proud urbanite and the barefoot spiritualist. Colorstrology, the company, is rolling out an entire line of branded products, from cosmetics and jewellery to cards and flowers, but this is the only comprehensive book available by the author who New York magazine calls a "must-see phenomenon."

Arcane Lore - Scribe 27 2002-07-04

This is guaranteed to be completely unlike any other occult text you've ever read, whether it be some wussified "New Age" book about crystals and guardian angels, or some classic tome of barely decipherable ceremonial evocations. No, this book is really "something different." You will find no references to potions, poppets, or pendulums; nor shall you find illustrations of magic squares, voodoo ververs, or Enochian script. Incantations, folk magic, numerology, and the Seals of Solomon have also been excluded from this work. What, then, remains? Quite simply, a magical philosophy which can be applied, with great success, by students at any level of advancement. Great emphasis has been placed upon self-knowledge and common sense--secrets have also been divulged as to various tried and true methods which will enable a besieged magician to kick the boogymen's ass. Although presented as a work of fiction, this extensively researched text contains within it a great deal of occult Truth--and it is highly entertaining as well! The author is clearly either a genius or a madman--perhaps both.

The Signs - Carolyne Faulkner 2017-11-02

'A new constellation of astrology guru' - Vogue Nobody's future is written in the stars, but we can use the stars to help write our future. For thousands of years people have looked to the night sky for the answers to life's problems. Today's practice is a far cry from newspaper horoscopes and fortune-telling, but instead uses ancient wisdom of astrology to help us better understand our choices and ourselves. It's not about prescriptive descriptions of personality and fate, but about putting the individual at the centre of decision making. In The Signs, Carolyne Faulkner breaks down the jargon and offers a clear and simple explanation of how to use your birth chart (a map of the night sky at the time you were born) to take control of every aspect of your life.

[The Secret Language of Luck](#) - Gary Goldschneider 2004

Based on his unique and internationally recognized system that tracks the two most important planets for success in daily life--Jupiter and Saturn--Goldschneider has written the definitive book on how to promote good luck in all areas of life through the year 2021.

Astrology - Carole Taylor 2018-09-06

Discover how to use astrology to understand yourself, make the best choices, and improve every area of

your life. In her trademark accessible, down-to-earth style, acclaimed astrologer Carole Taylor explains how to use the age-old wisdom of astrology as a powerful tool for self-knowledge and self-enrichment. Using your birth chart as a starting point, you'll learn how to interpret the zodiac signs, planets, and astrological houses to better understand yourself. Carole shows how astrology can provide psychological insights, then pinpoints ways to use this knowledge to nurture personal and professional relationships, deal with stress, or release your imagination and creativity. You'll discover, too, how star lore can help you when you need it most, with practical advice on negotiating key moments, whether you're changing jobs, starting a family, coping with financial difficulty, or facing retirement. Authoritative and easy to understand, featuring fascinating case studies and with beautiful, inspiring illustrations throughout, *Astrology is your essential e-guide to making the most of all life's challenges and opportunities.*

Personology - Gary Goldschneider 2005-10-11

Astrology is finally getting personal! From the best-selling author of *The Secret Language of Birthdays* comes a revolution in charting your horoscope based on both the date and time of your birth that makes all other horoscope books irrelevant. With his "Personology" system, Gary Goldschneider has created a unique method which divides each of the twelve signs into five sub-types—such as Aquarius-Pisces Cusp, Pisces I, Pisces II, Pisces III, and Pisces-Aries Cusp—thereby sub-dividing the astrological year into 48 personology periods. The precision this allows is far beyond anything available in any other astrology book and provides a ground-breaking new way for readers to look not only at their own lives, but their interactions with those around them. The book comes packed with easy-to-follow charts covering the sun, eight different planets, and, unique to this book, the rapid fluctuations of the moon for every year from 1900 through 2025. The result is an unprecedented level of precision, as well as a beautifully illustrated volume destined to become the one and only book horoscope readers will treasure for the next twenty years.
