**Harry, A History - Now Updated with J.K. Rowling Interview, New Chapter & Photos** Melissa Anelli, 2008-11-04 A new enhanced e book edition featuring an extended transcript from Melissa Anelli's exclusive interview with J K Rowling and a new updated chapter Melissa Anelli wears a ring that was a gift to her from J K Rowling given as a measure of appreciation for the work she does on The Leaky Cauldron where her job entails being a fan reporter guardian and spokesperson for the Harry Potter series For ten years millions of fans have lived inside literary history the only fans to know what it was like when Harry Potter was unfinished When anticipation for a book was just as likely to cause a charity drive as a pistol shootout When millions of rabid fans looked to friends families neighbors forums discussion groups fan fiction and podcasts to get their fix between novels When the death of a character was a hotter bet than who'd win the World Series When one series of books had the power to change the way books are read This has been a time when a book was more popular than movies television and video games The series has spawned a generation of critical thinkers and new readers The New York Times changed the way it reported book sales just to avoid a continual overpowering of its bestseller list These events must be given their proper context and this moment must be preserved The series will remain important to literature and pop culture but the experience will change Harry's fate will be as commonly known as the identity of Luke Skywalker's father and readers who never had to wait for a Harry Potter book will have no idea what transpired when the series had hundreds of millions of people waiting desperately for the next volume We are the first wave of Harry Potter fans the ones that are living in the time that shapes how Harry Potter will be remembered for all time But when this era is over fans will need some way to remember this strange wonderful dizzying experience Future fans too will want to know what they missed Harry Potter will exist as a seven book series but without the indivisible story of the cultural literary and emotional impact the series has made the story is incomplete How can a fan understand Harry Potter without hearing about the midnight book parties the scams the theories the burglaries the bets the bannings and most importantly the worldwide camaraderie spurred on by mutual love of a boy wizard How can they know how Harry Potter changed and touched the lives of so many without hearing it first hand Harry A History tells this story It tells the personal story of Melissa Anelli's journey through the very heart of Harry Potter fandom And wraps this phenomenon up into one narrative factual volume one book that tells what happened when Harry Potter met the world

**Harry Potter and the Walls of America** J. K. Rowling, 2017-01-01 Harry Potter and his friends went on a trip to the land of the free home of the brave AMERICA But as they're enjoying their vacation there the Orange man suddenly became the president And he erected a huge wall around the entire border so that no one can come and go Moreover as this is the land of the Muggles the magic won't work here Can Harry and his friends escape the wall and come back to his home Will he be able to liberate the people there too WITHOUT magic And it seems they're not the only ones who're from the magic world the Orange man knows about them too And in a hidden secret archive in the Capitol Hill they found a parchment which says the founding fathers already knew about this Orange man But who's this mysterious Orange man Is he the new dark lord Harry finds himself drawn deep inside a mystical world he never knew existed before

*The Archive of Magic* Signe Bergstrom, 2018-11-16 Go behind the scenes of J K Rowling's magical universe of creatures and wizards in this exciting full colour companion volume to *Fantastic Beasts The Crimes of Grindelwald*. Newt, Tina, Queenie and Jacob the beloved heroes of *Fantastic Beasts* and *Where to Find Them* are back. In this second adventure they're joined by fan favourites from the Harry Potter universe including Albus Dumbledore, Nicolas Flamel and the villainous Gellert Grindelwald. Officially licensed by Warner Bros Consumer Products and designed by MinaLima, the creative force behind the graphics and many of the props for the first *Fantastic Beasts* and *Where to Find Them* as well as the Harry Potter films, this authorised tie-in compendium delivers a rich and unique making-of experience for fans of all ages. This keepsake treasury offers an imaginative close-up look at Newt Scamander and his colourful trove of cohorts, beasts and wizards alike as they face off against the evil forces of Gellert Grindelwald, one of the world's most powerful dark wizards, in a story that travels from New York City to London and onto Paris. Brimming with film-making secrets, full colour artwork and stories from the cast and crew, this magnificent book is modelled after a special item from the movie and features removable facsimile reproductions of props and other materials from the movie along with some very special effects. A tribute to moviemaking magic, it is an essential for every Wizarding World fan, aspiring concept artists and designers and cinema buffs.

**The Art of Fantastic Beasts: the Crimes of Grindelwald** Dermot Power, 2018-11-16 Step inside the world of the talented art departments who led by Academy Award winning production designer Stuart Craig were responsible for the creation of the unforgettable characters, locations and beasts from the eagerly anticipated next chapter in the wizarding world. *The Art of Fantastic Beasts The Crimes of Grindelwald* curated by concept artist Dermot Power and filled with unique insights from Stuart Craig and the artists themselves about the filmmaking adventure, takes you on a thrilling journey through a design process every bit as wonderful as that encountered by Newt, Tina, Queenie, Jacob in the Wizarding World. Beautifully designed and bursting with hundreds of dazzling paintings and concept sketches, intricate card models of the sets, storyboards and matte paintings sumptuously printed and enhanced with a unique glow-in-the-dark removable, this finely crafted book, officially licensed by Warner Bros Consumer Products, presents a visual feast for readers and a truly immersive experience for fans of *Fantastic Beasts*.

**Lessons from Hogwarts** Marcie Panutso, Roan, Melissa Wehler, 2020-07-23 Before she was a renowned children's author, J K Rowling was an educator. Her bestselling series *Harry Potter* places education at the forefront, focusing not only on Harry, Ron and Hermione's adventures but also on their magical education. This multi-author collection shines a light on the central role of education within the *Harry Potter* series, exploring the pedagogical possibilities of using *Harry Potter* to enhance teaching effectiveness. Authors examine topics related to environments for learning, approaches to teaching and learning, and the role of mentorship. Created for scholars, teachers and fans alike, this collection provides an entry into pedagogical theories and offers critical perspectives on the quality of Hogwarts education, from exemplary to abusive, and every approach in between. Hogwarts provides many lessons for educators, both magical and muggle alike.

**The Harry Potter Generation** Emily Lauer, Balaka Basu, 2019-03-20 The generation of readers most heavily impacted by J K Rowling's *Harry Potter* series, those who grew up alongside the boy who lived, have come of age. They are poised to become teachers, parents, critics and writers, and many of their views and choices will be influenced by the literary revolution in which they were immersed. This collection of new essays explores the many different ways in which *Harry Potter* has shaped this generation's views on everything from politics to identity to pedagogical spaces online. It seeks to determine how the books have affected fans' understanding of their place in the world and their capacity to create it anew.
