Price NOW! Your Customers Will Never Stop to Use this Awesome Manual!! Have you ever wondered how many times do you think about sex during a day? An American statistic of some time ago calculated an average frequency of thoughts related to sex equal to 19 per day for males and 10 per day for females... in practice, almost twice an hour, our thoughts drift towards the sensual pleasures of seduction. but the main question is: ARE YOU SATISFIED WITH YOUR SEX LIFE In this book I have tried to explain to you which is the correct approach, both mental and physical, to obtain the best performance in bed and make your partner addicted to you. Have you ever been bored while doing it How many times have you thought: I would like something new, to experiment without taboos new positions, new techniques .. but I don't know where to start !! well, what you will find in my book will be a series of simple but effective tricks of the trade, to amaze, amuse, and surprise. STOP BOREDOM IN BED!! Building up the sex toolbox with your partner can be motivational (and that's a big part of what I'm doing for my customers), but skills do come into practice. Sexual desires aren't politically correct and they aren't actually something in real life that you want to happen. They are your private, artistic environment and to embrace your sexual impulses is to let go of shame and own your story as a human being free to run wild sexually. Professionals realize they are perfectly natural. Your body was made for enjoyment. Your mind is limitless and imaginative. Good sex is not something of a divine gift. It's not something seen just by a select few. Great sex will happen with a little wisdom and a spirit of adventure! And great sex can be whatever you want it to be-intense lovemaking, no penetration at all, kinky as everybody gets out, or whatever else makes you feel happy and friendly. Sometimes it may be painful and stressful and scary and unpleasant, but if you're willing to deal with it and allow it to be what it is for a while, there's bliss on the other hand! Let's leave together for

this trip, don't be shy !! Check out the main topics: Understanding sexual positions Using tantric sex Using dirty talk Sexual positions Everything oral Reaching orgasm SEX IS ART. Let's try to make your nights of passion your Mona Lisa!! So..... Don't miss the chance to get your copy, and start playing right away!!! Buy it NOW and let your customers get addicted to this amazing book! Remember: PASSION HAS NO CONTRAINDICATIONS.
