Notorious K.M. Scott 2021-03-31 Cade March loves his life. Free to do as he likes and wealthy enough to afford whatever his heart desires, he's all about having fun. As the only son of Stefan March, he's the spitting image of his father in every way. And that's the problem. At least for everyone else. Hailey Canton lives a very different life. Still recovering from a betrayal that's left her shaken and no longer believing in love, she only has the desserts she makes for her parents' small restaurant to make her feel like she can do anything. The cakes and cookies she lovingly creates are works of art, but to her, they're simply a lifeline so she doesn't give up. What happens when the very thing she's feared comes into her life in the form of a gorgeous man with no idea that life has any limits and who fears nothing? Notorious Royal Marriages Leslie Carroll 2010-01-05 From the author of *American Princess: The Love Story of Meghan Markle and Prince Harry* comes a funny and delightful history of the royal weddings and marriages of Europe's most famous—and infamous—monarchs. This edition includes bonus chapters! “An irresistible combination of *People* magazine and the History Channel.”—Chicago Tribune Since time immemorial, royal marriages have had little to do with love—and almost everything to do with diplomacy and dynasty. Clashing personalities have joined in unholy matrimony to form such infamous couples as Russia's Peter II and Catherine the Great, and France's Henri II and Catherine de Medici—all with the purpose of begetting a male heir. But with tensions high and silverware flying, kings like England's Henry II have fled to the beds of their nubile mistresses, while queens such as Eleanor of Aquitaine have plotted their revenge... Full of the juicy gossip and bad behavior that characterized Royal Affairs, this book chronicles the love-hate marriages of the crowned heads of Europe—from the Angevins to Meghan Markle and Prince Harry—and ponders how dynasties ever survived at all.

Initially, it was football that saved him from being sucked into the gang culture of his tough neighbourhood of Les Ulis in the suburbs of Paris. Then, once he achieved his dream of becoming a professional, he had to deal with racism and a notorious dispute with Luis Suarez; he also became a central figure in the infamous 'strike' by the France national team in the 2010 World Cup; and there was the moment he launched an attack against a Marseille fan while warming up. 'I Love This Game' has become Evra's catchphrase. Throughout this wonderful book, his passion for his sport shines through and there are revealing and entertaining behind-the-scenes insights about the players and managers he's worked with, from Sir Alex Ferguson to Paul Pogba, who knows him as Uncle Pat. With infectious enthusiasm and sharp observation, Evra takes the reader where few football autobiographies dare to tread.

Today bestselling author Caroline Linden's third novel in her Scandalous series brings together a feisty heiress, a notorious rake, and a shocking book that could bring one woman the utmost despair— or the greatest pleasure. Penelope Weston does not like Benedict Lennox, Lord Atherton. He may be the suave and charming heir to an earl, as well as the most handsome man on earth, but she can't forget how he abandoned a friend in need— nor how he once courted her sister, Abigail. He's the last man she would ever marry. If only she didn't feel so attracted to the arrogant scoundrel . . . Once upon a time, Benedict thought he and Penelope got along rather well. Though he needs a wealthy bride to escape his cruel father's control, spirited Penelope just doesn't suit his plans for a model marriage—until a good deed goes awry, and scandalous rumors link his name to Penelope's. She might not be the quiet, sensible wife he thought he wanted, but she is beautiful . . . beguiling . . . and far more passionate than he ever imagined. Can a marriage begun in scandal become a love match, too?

It's Not Love, It's Just Paris Patricia Engel 2013-08-06 A spellbinding story of a young American abroad and a star-crossed relationship: "This is a novel to get lost in." —The Miami Herald Lita del Cielo is the daughter of two Colombian immigrants who arrived in America with nothing and made a fortune with their Latin food empire. Now Lita has been granted one year to pursue her studies in Paris before returning to work in the family business. She moves into a crumbling Left Bank mansion known as "The House of Stars," where the spirited but bedridden Countess Séraphine rents out rooms to young women visiting Paris to work, to study, and, unofficially, to find love. Cautious and guarded, Lita keeps a cool distance from the other girls, who seem at once boldly adult and impulsively naïve, who both intimidate and fascinate her. Then Lita meets Cato, and the contours of her world shift. Charming, enigmatic, and weak with illness, Cato is the son of a notorious right-wing politician. As Cato and Lita retreat to their own world, they soon find it difficult to keep the outside world from closing in on theirs. Ultimately Lita must decide whether to stay in France with Cato or return home to fulfill her family's dreams for her future. From the author of *Vida*, a finalist for the PEN/Hemingway Award, *It's Not Love, It's Just Paris* is a love story, a portrait of a Paris caught between the old world and the new, and an exploration of one woman's journey to lay claim to her own life.
