Artful Seduction Homosexuality And The Problematics Of Exile Homosexuality And The

Revista iberoamericana - 2008

Creative Transformations - Krista Brune
2020-11-01

In *Creative Transformations*, Krista Brune brings together Brazilian fiction, film, journalism, essays, and correspondence from the late nineteenth to the early twenty-first centuries. Drawing attention to the travels of Brazilian artists and intellectuals to the United States and other parts of the Americas, Brune argues that experiences of displacement have had a significant influence on their work. Across Brazilian literary and cultural history, translation becomes a way of navigating and representing the resulting encounters between languages, interactions with Spanish Americans, and negotiations of complex identities. While *Creative Transformations* engages extensively with theories of translation from different national and disciplinary contexts, it also constructs a vision of translation uniquely

Problematics Of Exile
attuned to the place of Brazil in the Americas.

Brune reveals the hemispheric underpinnings of works by renowned Brazilian writers such as Machado de Assis, Sousândrade, Mário de Andrade, Silviano Santiago, and Adriana Lisboa. In the process, she rethinks the dynamics between cosmopolitan and national desires and between center and periphery in global literary markets.

Historical Dictionary of Latin American Literature and Theater - Richard Young
2010-12-18

The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single-volume reference tool covering Portuguese-speaking Brazil and the 16 Spanish-speaking countries of continental Latin America (Argentina, Bolivia, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela). Entries for authors, from the early colonial period to the present, give succinct biographical data and an account of the author's literary production, with particular attention to their most prominent works and where they belong in literary history.

Teorías y prácticas audiovisuales - Marina Moguillansky 2010

Con una certeza similar a la que inspira lo que en la practica han iniciado los mas de cien colegas que participaron en Tandil del primer Congreso Internacional, es decir, con la voluntad que tiende a la integracion y al necesario intercambio de perspectivas heterogeneas, los investigadores nucleados en ASAECA hemos conformado esta asociacion de estudiosos del cine y del audiovisual. Nos asociamos para configurar este campo de estudios de la cultura contemporanea a partir de la diversidad epistemico-metodologica y la heterogeneidad de miradas. Entre otros resultados, ofrecemos esta coleccion de articulos, como una muestra significativa del intercambio que proveemos y del alcance de nuestras metas. Podemos revisarlo, si queremos, como un primer mapa del estado de los estudios de cine y audiovisual en nuestro pais. Agradecemos especialmente el subsidio de la Agencia Nacional de Promocion

Científica y Tecnológica, así como el apoyo de la UNICEN y del comprometido equipo gestor de asociados que llevo adelante toda esta producción."

The British National Bibliography - Arthur James Wells 2005

Gay Seattle - Gary Atkins 2011-10-17

Winner of a 2004 Washington State Book Award
Winner of a 2004 Alpha Sigma Nu (ASN) Jesuit Book Award
In 1893, the Washington State legislature quietly began passing a set of laws that essentially made homosexuality, and eventually even the discussion of homosexuality, a crime. A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle. Gay Seattle traces the evolution of Seattle's gay community in those 100 turbulent years, telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle. Gary Atkins recounts the

demonization of gays by social crusaders around the turn of the century, the earliest prosecutions for sodomy, the official harassment and discrimination through most of the twentieth century, and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be "cured." Places of refuge from this imposed social exile were created in underground theater and dance clubs: the Gold Rush-era burlesque shows, modern drag theater, and in mid-century the emergence of openly gay bars, from the Casino to Shelley's Leg. Many of these were subjected to steady exploitation by corrupt police - until bar owner MacIver Wells and two Seattle Times reporters exposed the racket. The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self-help organizations such as the Dorian Society, gay businesses and advocacy groups including the Greater Seattle Business

Artful Seduction Homosexuality And The Problematics Of Exile Homosexuality And The Problematics Of Exile

Association, and the stormy relationship between the Vatican, Seattle's Catholic hierarchy, and gay worshippers. Atkins's narrative reveals the complex and often frustrating process of claiming a civic life, showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics, the police, the media, and public opinion. The emergence of mainstream political activism in the 1970s, and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council, were momentous events, yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole. These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community. Collectively, they are a powerful testament to the endurance and

fortitude of this minority community, revealing the ways a previously hidden sexual minority "comes out" as a people and establishes a public presence in the face of challenges from within and without.

Bibliographic Index - 2007

Artful Seduction - Karl Posso 2017-12-02
"The controversial works of Brazilian authors Silviano Santiago(1936-) and Caio Fernando Abreu (1948-96) offer distinctive but complementary explorations of male homosexual subjectivities formulated through displacement, exile and the abject. Posso examines the innovative ways in which these writers stage-manage Western poststructuralist thought to critique heterosexist exclusion in Brazil and in globalized popular and folk culture, and he explains how they draw on diverse cultural productions and art works to extend a general undermining of oppositional logic and psychoanalytic theory."

Artful Seduction Homosexuality And The Problematics Of Exile Homosexuality And The Problematics Of Exile

Pólvora, sangre y sexo - Assen Kokalov

2014-03-01

The book examines the links between literature and film in Latin America by using queer theory and a series of recent cultural productions whose arguments destabilize traditional gender roles and heteronormative masculinity. For many years, the connections between a literary text and its film adaptation have been considered only from the point of view of the latter's fidelity to the written work, which many scholars imagined to be the original that filmmakers needed to respect. Within the last two decades, however, the idea of adaptation fidelity has been challenged by a number of critics who refute the existence of an original text and promote the notion of an ambiguous and complex relationship between a literary work and its film adaptation. Based on such developments and with the help of queer theory, this book questions and revises several crucial theoretical approximations that analyze the

relations between the two art forms in an

attempt to overcome the limitations of fidelity discourse. This is the first book-length study that seeks to examine, with the appropriate detail, the connections between film and literature in Latin America through the lenses of queer theory and by focusing on the representations of numerous practices that do not fit within the general framework of heteronormative sexuality. *Modern Argentine Poetry* - Ben Bollig

2011-06-15

This book is the first to focus specifically on the exile-poetry link in the case of Argentina since the 1950s. Throughout Argentina's history, authors and important political figures have lived and written in exile. Thus exile is both a vital theme and a practical condition for Argentine letters, yet conversely, contemporary Argentina is a nation of immigrants from Europe and the rest of Latin America. Poetry is often perceived as the least directly political of genres, yet political and other forms of exile

Artful Seduction Homosexuality And The Problematics Of Exile Homosexuality And The Problematics Of Exile

have impinged equally on the lives of poets as on any group. This study concentrates on writers who both regarded themselves as in some way exiled and who wrote about exile. This selection includes poets who are influential and recognised, but in general have not enjoyed the detailed study that they deserve: Alejandra Pizarnik, Juan Gelman, Osvaldo Lamborghini, Nestor Perlongher, Sergio Raimondi, Cristian Aliaga, and Washington Cucurto.
