Sinister Attraction: The Neighbor's Deadly Secret Volume 2 - Kym Datura 2014-08-08

God's Psychology - Terry L. Higgins 2011-11

Countless people sit in church each Sunday and suffer silently. They feel depressed, or anxious, or disillusioned with their lives but are afraid to admit it for fear they will be seen as having "weak faith"-- "After all, if I love and trust God, I shouldn't feel like this! God's Psychology integrates biblical truth and psychological insights to clear away the obstacles that keep us stuck in feeling, thinking, and behaving in destructive ways. We are destined to repeat the same mistakes over and over again by our negative emotions, unloving attitudes, and impulsive behaviors because we fail to examine our heart, soul, and mind and "overcome" the deception in our lives. With God's Word as your anchor and sound mental health principles as your guide, God's Psychology will walk you through the process of both Self-Examination and God-Examination to uncover your negative emotions and thoughts while transforming the way you see your life. You'll learn about the common traps that lead you in self-deception and how to replace your faulty emotions and thoughts with God's truth about you! God's Psychology gives you the "hands-on" tools to challenge your self-deception, change the way to feel and think and live life authentically, enabling you to love God with all your heart, your soul, and your mind. Terry L. Higgins has a Ph.D. in Psychology and holds a Master's degree in Business Administration. Dr. Higgins has worked in the mental health profession for the past twenty-five years providing psychotherapy to adults, couples, and children, helping them overcome a wide range of mental, emotional, and behavioral problems. She currently has a private practice in Long Beach, California, and has been a public speaker on numerous subjects over the years including communication and listening skills training.

The Galileo Affair - Maurice A. Finocchiaro 1991

Trashy Conquest - Gemma James 2020-01-09

The conclusion to Cash and Jules' story is here! It all started 35,000 feet in the air on a flight bound for Seattle. A chance encounter. An undeniable attraction. A forbidden passion. We tried to do the right thing and resist temptation. We failed. Now Cash's wife is missing, and to make matters worse, my ex showed up on my doorstep with the promise of forever on his mind. Things were supposed to be different. He was going to divorce her. He was going to be with me. He was going to love me. But until Cash's wife is found, we have no future. NOTE FROM THE AUTHOR: Trashy Conquest is a steamy forbidden romance suitable for mature audiences only. Though the subject matter deals with cheating, there are no innocent parties here. Book 2 in the Trashy Affair duet.

Affair - Elsa Harbor 2020-07-24

The following topics are included in this 2-book combo: Book 1: This book will focus on some aspects that may not be as obvious when discussing affairs. People often wonder if healing is possible, if the likelihood that another affair will happen is big, or if their marriage will end up in divorce. Although this publication briefly touches on several of these topics, other questions will be addressed as well, such as: What if the person having the affair loves both people? Why are affairs so difficult to stop? Should the children know about the affair? What are some steps to recover from an affair? If you are interested to know more about

these things, whether for personal reasons, or simply out of curiosity, then I urge you to start reading or listening to this book. Book 2: This guide will help you understand various factors of affairs that you may have never thought about before! When it comes to affairs, there are so many things involved. And one of the reasons why they don't get dealt with in the right way, is the misinformation, or perhaps the lack of information out there. Many people, for example, may wonder how you can take full responsibility for your actions. Others may be on the fence or might be in the dark when it comes to recognizing the signs. And some may even wonder what will happen to the man or woman the cheater has cheated with. Why do people have affairs? What is behind all this? How can it end, and what are the consequences? These questions and many of the abovementioned subtopics will be addressed, so don't wait and get started!

The Lettered Affair 2 - Alice Ayden 2016-03-09

Cassandra and Juliana are the Bering Sisters living in Regency England, 1810. When the dying Earl of Abbotden convinces Cassandra, his eldest daughter, to marry the heir of the entail, the Earl dies knowing his family and estate are safe. Being a faithful wife comes easy to the dutiful Cassandra. Her mother died giving birth to her, and Cassandra has spent her life trying to live up to her beloved mother's memory by always doing the right thing. Everything changes when Cassandra's new husband introduces her to Lord Halithorpe. When she receives a letter from him, Cassandra is devastated she can love anyone other than her husband. Juliana is the exact opposite of her duty bound sister. Born from an ill-fated second marriage, she is carefree and confident and refuses to see her sister settle for a loveless marriage. She ignores society's rules that bind Cassandra's future and struggles with her own growing attraction for Lord Kemnay, Lord Halithorpe's handsome cousin. Against Cassandra's wishes, Juliana schemes to unite Lord Halithorpe with her sister. Juliana does not believe her actions will ruffle anything more than society's antiquated rules, but her meddling causes a chance meeting between Juliana's sadistic mother and Lord Halithorpe's infamous brother. The vindictive duo plots revenge against their families and ignites a dangerous obsession that threatens more than Cassandra's reputation or Juliana's future. The Lettered Affair is a clean Regency romance about duty, sacrifice, the loyalty of sisters, love found, love lost, and love forbidden. Each book in the four part series is a quick read at a little over a hundred pages. The conclusion, The Lettered Affair 3 and 4, will be published soon.

Popular European Cinema - Richard Dyer 2013-04-15

Popular European Cinema examines the reasons why films that are most popular with audiences in any one European country are seldom successful elsewhere. Audiences themselves represent diverse class, gender and ethnic identities that complicate the quest for national cinema, not least with recent developments in formerly communist Eastern Europe and post-colonialist Western Europe. Through their individual studies, the contributors open up a new area of study, using the medium of film to focus a wider discussion of popular European culture.

Random Differential Equations in Scientific Computing - Tobias Neckel 2013-12-17

This book is a holistic and self-contained treatment of the analysis and numerics of random differential equations from a problem-centred point of view. An interdisciplinary approach is applied by considering state-of-the-art concepts of both dynamical systems and scientific computing. The red line pervading this

book is the two-fold reduction of a random partial differential equation disturbed by some external force as present in many important applications in science and engineering. First, the random partial differential equation is reduced to a set of random ordinary differential equations in the spirit of the method of lines.

These are then further reduced to a family of (deterministic) ordinary differential equations. The monograph will be of benefit, not only to mathematicians, but can also be used for interdisciplinary courses in informatics and engineering.
