The Promise of Kuan Yin - Martin Palmer
2021-03-01

The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as *Kuan Yin* by Harper Collins in 1995 (and republished as *The Kuan Yin Chronicles* by Hampton Roads in 2009), this

seminal work explores the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. “A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women.” —Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.

Brazilian Portuguese Phrase Book - Grizzly Publishing 2020-03-02

Brazil. But here's the thing: Brazil isn't an English-speaking country and if you'd like to be able to really enjoy your trip there, it's crucial that you know important basic phrases so you can get and convey information that will enable you to get to where you want to go and do what you want to do there. Grab your copy of Brazilian Portuguese Phrase Book and learn the basic phrases you'll need to enjoy your trip to Brazil. And more than just the phrases themselves, you will also get to learn basic principles underlying the Brazilian Portuguese language that will help you learn even more words and phrases later on. The Brazilian Portuguese Phrase Book, you can easily learn to speak basic phrases for tourists so you can make sure that your trip to Brazil will be a most unforgettable one

Beyond Realism - Joan FitzPatrick Dean

2014-11-17

Ranging over more than a century, the essays here focus on theatre that has challenged the

perceived dominance of realism in Irish drama.

Love's Rite - R. Vanita 2005-10-20

This is the first book to examine the same-sex weddings and same-sex couple suicides reported in India over the last two decades. Ruth Vanita examines these cases in the context of a wide variety of same-sex unions, from Fourteenth-century narratives about co-wives who miraculously produce a child together, to Nineteenth-century depictions of ritualized unions between women, to marriages between gay men and lesbians arranged over the internet. Examining the changing legal, literary, religious and social Indian and Euro-American traditions within which same-sex unions are embedded, she brings a fresh perspective to the gay marriage debate, suggesting that same-sex marriage dwells not at the margins but at the heart of culture. Love's Rites by Ruth Vanita is a finalist for a Lambda Literary Award.

Shiva - Vanamali 2013-10-04

The traditional understanding of Shiva told

*Downloaded from
legacy.opendemocracy.net on 2022-06-13
by guest*

through stories and teachings from the Shiva Mahapurana • Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee • Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's

relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is

the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.

Bani Of Bhagats - Dr. G.S. Chauhan 2006

The Diary of Manu Gandhi - 2019-08-20

Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, The Diary of Manu Gandhi is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice,

and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943-44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.

Peaceful Parent, Happy Kids - Laura Markham 2012-11-27

A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in

check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right "consequence," look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

Masonic Questions and Answers - Paul M. Bessel
2013-12-01

Paul M. Bessel gets to the heart of understanding Freemasonry with this light, easy to read and understand question and answer book. Designed to take the reader and Masonic student through the three craft degrees in a step by step, section by section manner. This work can help new Masons, and those interested in Freemasonry, learn the basic facts about our Craft. Cover design by Michael R. Poll

Learning in Embedded Systems - Leslie Pack

Kaelbling 1993

Learning to perform complex action strategies is an important problem in the fields of artificial intelligence, robotics and machine learning. Presenting interesting, new experimental results, *Learning in Embedded Systems* explores algorithms that learn efficiently from trial and error experience with an external world. The text is a detailed exploration of the problem of learning action strategies in the context of designing embedded systems that adapt their behaviour to a complex, changing environment. Such systems include mobile robots, factory process controllers and long-term software databases.

Chaste Wives and Prostitute Sisters - Anuja Agrawal
2020-11-29

This book is an anthropological study of the unusual coincidence of prostitution and patriarchy among an extremely marginalized group in north India, the Bedias, who are also a de-notified community. It is the first detailed

Downloaded from
legacy.opendemocracy.net on 2022-06-13
by guest

account of the implications of a systematic practice of familial prostitution on the kinship structures and marriage practices of a community. This starkly manifests among the Bedias in the clear separation between sisters and daughters who engage in prostitution and wives and daughters-in-law who do not. The Bedias exemplify a situation in which prostitution of young unmarried women is the mainstay of the familial economy of an entire social group. Tracing the recent origins of the practice in the community, the author goes on to explore the manner in which this familial economy manifests itself in the lives of individual women and the kind of family groupings it produces. She then examines the repercussion this economy has on the lives of Bedia men, how the problem of their marriage is resolved, and how the Bedia wives become repositories of female purity which otherwise stands jeopardized by Bedia sisters engaged in prostitution.

The Wedding Night Debt - Cathy Williams

2015-10-01

She owes him a wedding night...and he will collect! Billionaire Dio Ruiz's convenient union was meant to secure two things: vengeance and the enticing Lucy Bishop. But from their wedding night onwards Dio's found his marriage bed inconveniently empty. Two years later, his virgin bride wants a divorce. But freedom has a price... Hurt and humiliated to learn their vows were just a business transaction to Dio, Lucy has played the perfect wife in public, while their cold war waged in private. She wants to walk away—not bow to his command! Can she pay Dio's price and survive ten days as true husband and wife?
