Spending an evening now and then, drinking a beer with the guys EasyRiders, is one of the only things that he enjoys, sort of. Then, he meets her. A sexy, curvy woman who makes him smile. Laugh. A dangerous woman. Good thing he's an a**hole because getting rid of her the next morning is easy. The hard part? Forgetting her.

But imagination only goes so far. To escape his painful past, Ray joins the army and finds a career that gives him a sense of purpose and the promise of adventure. Recent news of his kid sister's disappearance brings Ray home on leave before beginning a stateside assignment almost certain to send him back into the jungles of Vietnam. Determined to find Barbara despite a police investigation that has led nowhere, Ray embarks on a relentless search that takes him from the majestic Montana ranchlands and glitter of Hollywood to the mean streets of L.A. and beyond. As time dwindles, he must confront his worst nightmare. What if Barbara's search for The Long Ago ended in a shallow, unmarked grave, not in the carefree life she'd once so longed for and imagined? A spin-off from McGarrity's nationally best-selling Kevin Kerney family saga, The Long Ago is a richly crafted and enthralling story of grit, determination, and the enduring, restorative strength of love.

Would you like to know exactly how to get a girlfriend who is amazing and beautiful without resorting to cheesy pickup lines? Then this book is for you. Written by international men's coach Jake D. Ryan Dating Advice for Men: Unlike PUA books, Charm her Pants Off, line isn't about tricks, lies, or manipulation. Whether you want to get your ex back, attract women to date regularly, or learn exactly how to get a girlfriend who makes heads turn, the lessons in this book can help you stand out in any room. You'll never have to hesitate or feel like you've run out of things to say. You'll bleed confidence in any social situation, captivate the room, and know how to attract women that you most desire. Whether you want to know how to get a girlfriend or just date around, The Charm her Pants off has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? Charm her Pants Off is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but

only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

Dating Basics 101 David Linares 2019-12-20 Dating basics 101 is the first in a series, designed to help make man's journey in dating and relationships easier. Unlike other dating books, the simple, step by step, comprehensive formula combines modern day psychological principles and ancient philosophical thought to educate men on how to avoid embarrassment and to be successful in dating. Author David Linares starts by examining philosophical beliefs about women and dating, as well as common misconceptions that lead to anxiety and insecurity in men. He then offers effective ways to deal with these issues. Next, he explores the attitudes that women find attractive and interesting, how to effectively communicate with women, where to meet women, how to ask for a date, where to go, what to do, how to be romantic, and so much more. This innovative guide will explain how to have self confidence and to relax and enjoy the date. Some dating books help a certain kind of guy looking for a certain kind of girl. Others will explain how to get the girl, but not how to actually build up the confidence to do it. The primary purpose of Dating Basics 101 is to assist in gaining the knowledge and skills necessary to succeed in the world of dating.

Just as children need food, clothes, shelter, love, support, they need to be taught to respect boundaries, She knows that parents are the children first teachers and they have a responsibility to train them to be people of character. It's not the father or mother's job. IT'S BOTH.

Aussie Yarns John McAulay 2011-08-04 Aussie Yarns: some serious, some funny, and some philosophical. Most are about down-to-earth country folk. Some, like 'Rusty' and 'A Farmer's Wife' have a lesson in them. Others are even a bit romantic, for example, 'Blind Love' and 'Best Friends'. In a number of cases, the story is inspired by a poem already written, and in other cases, one is written specially, but in any case, all are accompanied by a poem or two and an explanation as to how it all came about. Primarily these yarns were written with an Australian readership in mind, most of whom would understand and appreciate the slang words and phrases used, particularly by unsophisticated bushies. However, I imagine some of the terms may leave non-Australians a bit perplexed. Stick with it, and by the time you've read Witness for the Defence you will have probably worked out what a "sheila" is, along with all the other words and expressions that are uniquely Australian country in origin. Enjoy the adventures of the 110 characters who play some role in these yarns.
