*Open Codes* - Blanca Giménez 2022

Today we live in a globalized world, controlled and created by digital codes. From communication to transportation (of people, goods, and messages), everything is guided by codes that use electromagnetic waves and computers. With the *Open Codes. Living in Digital Worlds* exhibition, the ZKM Karlsruhe is once again addressing the subject of digitalization and the recording of the world through the binary code. Everyone should have the chance to understand what lies behind today's digital world. The exhibition will present artworks and scientific works based on digital as well as on analog codes. The works visualize and explain the complex dynamics of code, and the

way in which they are increasingly shaping the way we live and perceive the world.

00Exhibition: ZKM - Zentrum für Kunst und Medien, Karlsruhe, Germany (19.10.2017 - 06.01.2019).

*Secret Life of a Vampire* - Kerrelyn Sparks  
2009-03-31

Nothing's sexier than an man who can keep a secret. A typical bachelor party is all about beers and beautiful women. A vampire bachelor party is no different -- except the men are drinking Blisky (whiskey-flavored synthetic blood). And no one can throw a party quite like Jack, the illegitimate son of the legendary Casanova. But when the party gets out of hand and the cops show up, Jack has some explaining to do . . . if

only he wasn't struck speechless by the beauty of Officer Lara Boucher. Lara is sure there's something more than a bachelor party going on. What is Jack hiding? And why is he so interested in the recent disappearance of young women all over town? Her investigation uncovers more than she wants to know, especially about this modern-day Casanova. But if she's ever to make detective, she'll need to expose all his secrets . . . if only her heart wasn't on the line.

Vamps and the City - Kerrelyn Sparks

2009-03-03

Who says a vamp can't have it all? Darcy Newhart thought it was a stroke of genius—the first-ever reality TV show where mortals vie with vampires for the title of The Sexiest Man on Earth. As the show's director, Darcy's career would be on track again. And she can finally have a life apart from the vampire harem. Okay, so she's still technically dead, but two out of three's not bad. Now she just has to make sure that a mortal doesn't win. If only she wasn't so

distracted by a super-sexy and live contestant named Austin... But Darcy doesn't know the worst of it. Austin Erickson is actually a vampire slayer! And he's got his eye on the show's leggy blond director. Only problem is, he's never wanted any woman—living or dead—as badly. But if he wins her heart, will he lose his soul? And if it means an eternity of hot, passionate loving with Darcy, does that really matter anyway?

**The Undead Next Door** - Kerrelyn Sparks

2009-10-13

Three signs that something is very different with your mew man: 1. He sleeps all day . . . which would be annoying except he's so attentive at night. 2. He's attacked by sword-wielding assailants, yet insists he can handle it on his own. 3. He never seems to age. Heather Westfield has always lived a quiet life, but that all changes when she helps a very handsome, very mysterious stranger. There's something not quite right about Jean-Luc, but still, she's never

been with a man so charming, so attractive . . . so wonderful. Now if only a murderous villain wasn't after them, they might get their happily-ever-after.

**Drummies** - Alice Mann 2022-08-02

This a long-term project, by South African photographer Alice Mann, explores the unique sport of drum majorettes. The images depict the aspirational subculture surrounding all-female teams of drum majorettes affectionately known as 'Drummies' The sport of drum majorettes has a long history in South Africa, becoming popular in the early 80s, but participation in the sport has since dropped dramatically. In contemporary culture there is a strong sense of nostalgia linked to drum majorettes; it is viewed as the pursuit of a bygone era. However, in many marginalised communities across the country, it is still taken seriously and is considered a highly competitive sport. For the girls and young women involved, being a drummie is a privilege and an achievement, indicative of success on and off the field. The notoriously demanding practice schedules are representative of the girls' commitment, and their ability to work

Kerrelyn Sparks 2008-10-28

Toni Davis's Christmas wish list 1. Springing my best friend from the psych ward. 2. Living somewhere that doesn't have coffins in the basement. Occupied coffins. 3. Finding Mr. Right. Please make him tall, dark, handsome, and alive. This Christmas isn't so merry for Toni. Her best friend's been locked up in a mental hospital ever since she told the police she was attacked by vampires, and the only way for Toni to get her out is to prove that bloodsuckers really do exist. So she's taken a job as a bodyguard for the Undead, but she gets more than she bargained for, especially when she meets Ian MacPhie, a Scottish rascal looking for Ms. Right. Although Ian's nearly five centuries old, he looks and acts like a twenty-seven-year-old hunk. How can a dead man be so damn sexy? Could Mr. Wrong be Mr. Right? It's been Emma's motto since she committed her life to the

destruction of these things. Now Angus MacKay wants to convince her differently. The war is on, but will it end in the destruction of one or both of them . . . or in total surrender to a passion for the ages?
