Lives of the Orange Men - Waldemar Fydrych 2014

Between 1981 and 1989 in Wroclaw Poland, in an atmosphere in which dissent was forbidden and martial law a reality, the art-activist Orange Alternative movement developed and deployed their 'socialist sur-realism' in absurd street-painting and large-scale performances comprising tens of thousands of people dressed as dwarves, in an effort to destabilize the

Communist government. It worked. Beginning with the 'dialectical painting' of dwarves onto the patches of white paint all over the city's walls, which uncannily marked the censorship of opposition slogans, the group moved on to both stage happenings and over-enthusiastically embrace official Soviet festivals in a way that transformed both of these into mass expressions of dissent. They illegally restaged the mass spectacle of the storming of the Winter Palace on the anniversary of the October Revolution using their own homemade tanks; organized patriotic gatherings in which anyone waving red flags or wearing red (or eating red borscht, or covering oneself in ketchup) was arrested; and inspired other Orange Alternative groups to appear across the country. Although the group existed to the left of the mainstream opposition of Solidarity, their art was a key, acknowledged factor in the overthrow of the Communist government. *Lives of the Orange Men* tells the story of the movement's main protagonists, and is the first stand-alone English-language account of the Orange Alternative, written autobiographically by its central figure, and featuring an appendix of newly-translated key texts including Major's 'Manifesto of Socialist Surrealism', a timeline of every Orange Alternative happening and a new foreword from the Yes Men.

Westward Ho! Or The Voyages and Adventures of Sir Amyas Leigh, Knight, of Burrough, in the Country of Devon, in the Reign of Her Most Glorious Majesty Queen Elizabeth - Charles Kingsley 1855

The end of Irish history? - Colin Coulter 2018-07-30

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Ireland appears to be in the process of a remarkable social change, a process which has dramatically reversed a hitherto

seemingly unstoppable economic decline. This exciting new book systematically scrutinises the interpretations and prescriptions that inform the 'Celtic Tiger'. Takes the standpoint that a more critical approach to the course of development being followed by the Republic is urgently required. Sets out to expose the fallacies that drive the fashionable rhetoric of Tigerhood. An esteemed list of contributors deal with issues such as immigration, the role of women, globalisation, and changing economic and social conditions.

To Have and to Hold - Mary, Johnston
2016-09-26

To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer in colonial Jamestown. Ralph buys a wife for himself - a girl named Jocelyn Leigh - little knowing that she is the escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph - indeed, she seems to abhor him. Carnal, Jocelyn's husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn, and their two companions - Jeremy Sparrow, the Separatist minister, and Diccon, Ralph's servant - as they escape from the King's orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate "Kirby". The pirates gleefully play on with Ralph's masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Jeremy Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but the Englishmen (and woman) are rescued by the Governor's ship.

THE RAPE OF LUCRECE - William

Shakespeare 1963

1594 THE RAPE OF LUCRECE by William Shakespeare DEDICATION TO THE RIGHT HONOURABLE HENRY WRIOTHESLEY, EARL OF SOUTHAMPTON, AND BARON OF TITCHFIELD The love I dedicate to your lordship is without end: whereof this pamphlet, without beginning is but a superfluous moiety. The warrant I have of your honourable disposition, not the worth of my untutored lines, make it assured of acceptance. What I have done is yours; what I have to do is yours; being part in all I have, devoted yours. Were my worth greater, my duty would show greater; meantime, as it is, it is bound to your lordship, to whom I wish long life still lengthened with all happiness. Your lordship's in all duty, William Shakespeare THE ARGUMENT Lucius Tarquinius, for his excessive pride surnamed Superbus, after he had caused his own father-in-law Servius Tullius to be cruelly murdered, and, contrary to the Roman laws and customs, not requiring or staying for the people's suffrages, had possessed himself of the kingdom, went accompanied with his sons and other noblemen of Rome, to besiege Ardea. During which siege the principal men of the army meeting one evening at the tent of Sextus Tarquinius, the king's son, in their discourses after supper every one commended the virtues of his own wife; among whom Collatinus extolled the incomparable chastity of his wife Lucretia. In that pleasant humour they all posted to Rome; and intending, by their secret and sudden arrival, to make trial of that which every one had before avouched, only Collatinus finds his wife, though it were late in the night, spinning amongst her maids: the other ladies were all found dancing and revelling, or in several disports. Whereupon the noblemen yielded Collatinus the victory, and his wife the fame. At that time Sextus Tarquinius being inflamed with Lucrece' beauty, yet smothering his passions for the present, departed with the rest back to the camp; from whence he shortly after privily withdrew himself, and was, according to his estate, royally entertained and lodged by Lucrece at Collatium. The same night he treacherously stealeth into her chamber, violently ravished her, and early in the morning speedeth away. Lucrece, in this lamentable plight, hastily dispatcheth messengers, one to

Rome for her father, another to the camp for Collatine. They came, the one accompanied with Junius Brutus, the other with Publius Valerius; and finding Lucrece attired in mourning habit, demanded the cause of her sorrow. She, first taking an oath of them for her revenge, revealed the actor and whole manner of his dealing, and withal suddenly stabbed herself. Which done, with one consent they all vowed to root out the whole hated family of the Tarquins; and bearing the dead body to Rome, Brutus acquainted the people with the doer and manner of the vile deed, with a bitter invective against the tyranny of the king: wherewith the people were so moved, that with one consent and a general acclamation the Tarquins were all exiled, and the state government changed from kings to consuls.
