The Actualization of Self Transcendence - Patrick Mooney
2021-09-13

Sadly, western civilization has seemingly lost its sense of Christian identity and heritage. In recent decades, humanity has become so indoctrinated by the atheistic paradigm that our matrix is controlled by corporate greed and competition rather than cooperation and compassion. While reflecting on a world that is ever changing, Patrick Mooney shares essays that explore the effect of atheism on a variety of topics that include sexuality, the most binary aspect of humanity that is love, the courage of conviction, endowments and the elite as it relates to education, the reality of death, an inner-city Dublin schoolmistress, and much more. Throughout his writings, Mooney reminds us that although the modern world has brought us to a moral impasse, it is possible to adopt the spirituality that Christ preached, embrace our destiny to be spiritual, and refine our higher selves to search for and find meaning and divine purpose in our lives. The Actualization of Self-Transcendence is a collection of personal essays that shares a priest's candid reflections on the effects of the atheistic paradigm on the modern world.

[Jerusalem's Temple Mount](#) - Mike M. Joseph 2011

The author purports to show that the place originally believed to be the site of the Holy Temple Mount in Jerusalem is not the site at all. He raises other questions and concerns about theology and beliefs among the three major religions that play out in this debate: Judaism, Christianity and Islam.

The Other in Jewish Thought and History - Laurence J. Silberstein
1994-08

Cultural boundaries and group identity are often forged in relation to the Other. In every society, conceptions of otherness, which often reflect a group's fears and vulnerabilities, result in deep-rooted traditions of inclusion and exclusion that permeate the culture's literature, religion, and politics. This volume explores the ways in which Jews have traditionally defined other groups and, in turn, themselves. The contributors, a distinguished international group of scholars, explore the discursive processes through which Jewish identity and culture have been constructed, disseminated, and perpetuated. Among the topics addressed are: Others in the biblical world; the construction of gender in Roman-period Judaism; the Other as woman in the Greco-Roman world; the gentile as Other in rabbinic law; the feminine as Other in kabbalah; the reproduction of the Other in the Passover Haggadah; the Palestinian Arab as Other in Israeli politics and literature; the Other in Levinas and Derrida; Blacks as Other in American Jewish literature; the Jewish body image as symbol of Otherness; and women as Other in Israeli cinema. Contributors to this interdisciplinary volume are: Jonathan Boyarin (New School for Social Research), Robert L. Cohn (Lafayette College), Gerald Cromer (Bar-Ilan University), Trude Dothan (Hebrew University of Jerusalem), Elizabeth Fifer (Lehigh University), Steven D. Fraade (Yale University), Sander L. Gilman (Cornell University), Hannan Hever (Tel Aviv University), Ross S. Kraemer (University of Pennsylvania), Orly Lubin (Tel Aviv University), Peter Machinist (Harvard University), Jacob Meskin (Williams College), Adi Ophir (Tel Aviv University), Ilan Peleg (Lafayette College), Miriam Peskowitz (University of Florida), Laurence J. Silberstein (Lehigh University), Naomi Sokoloff (University of Washington), and Elliot R. Wolfson (New York University).

The book of strength and nourishment - Paola Borgini 2016-06-27

The Book of Strength and Nourishment is an entirely channeled book, and it was transmitted to Paola Borgini by a highly evolved Consciousness, to present to men and women a new education that dismantles the oldest and deepest fears connected to separation. This book is L O V E expressed with words; it is "The Book" that connects the masculine strength with the feminine nourishment in a never-ending encounter overflowing with Joy. The male reader will learn how to listen and welcome the women's Truth and the female reader will learn how set the males free from their sense of duty, finding in herself the ability to sustain herself. Together they will awaken and find themselves in a Common Territory and will understand that "the one without the other has no reason to be".

[Seven Laws of Successful Correction and Rehabilitation](#) - Mike M. Joseph
2013-03-21

Its a troubled world we live in. It was meant to be utopia, yet we are busy messing it up. At all levels of government we seem to do our best to throw a monkey wrench at the system we devised for our good, not our own hurt. The legislators are ever busy opposing each other, yet expect to run the day-to-day affairs smoothly. The American fathers of the constitution chose the least of evil of all forms of government, but the element of human nature seems to make it, at best, a dysfunctional system on many levels. Without an agreed upon system of values, accepted by all members of society, its impossible to run a smooth government as it is prerequisite for the function of life. Since education is the basis that determines the outcome of life, we shall concentrate on this dimension that leads to either success or failure in all areas. To begin our search for the causes that create a utopian society, we shall address first roll of the parents, especially the mother, in the success or failure of a human beings. Next, we shall go to the school system the surrogate parent and examine its roll in molding the young plants our children. Finally, we shall address the roll of the society at large. In these three areas we shall find the causes of success and failures of life. Then, we shall proceed to the solutions that will insure the way to success in all areas the dreamed of utopia. Utopia is possible! We dont have to be ridden with the ills of society, with crime, with violence, with wars, with political corruption. In the beginning it was not so, in the end it can, and will, be different if we are willing to submit to the process of re-education, all is possible.

[Sorry! There Is No Afterlife! None Goes to Heaven or Hell!](#) - Mike M. Joseph
2008-10-28

All religions believe in an afterlife existence immediately after death. All believe in the immortality of the soul. Some believe in reincarnation. Jews, Christians, and Muslims believe that good people will go to Heaven, evil ones will go to Hell. Many devout Jews pray to their Saints in Heaven. Catholics pray to their Saints, especially to Mary -- The Queen of Heaven. Protestants pray to their loved ones in Heaven. Devout Muslims believe that their Prophet Muhammad ascended up to Heaven from Jerusalem. They regard this city as the third holiest place to Islam. As a consequence, much of the Jew/Arab conflict centers over the holiness of the City to both Jews and Muslims -- and the alleged Temple Mount true location. Fanatic Muslim terrorists believe the road to Paradise as Shahids, immediately after death, must be paved over the body parts of their indiscriminate victims. According to Irans president, Ahmadinejad, the purpose of the revolution and nuclear Iran is to

prepare for the imminent return of the Mahdi, the twelfth Imam. Hence Israel must be destroyed, the West must be subjugated, and the rest of the world must submit to the coming Mahdis reign of peace on earth. If the belief in an afterlife -- immediately after death -- is true, then both the Bible and the Quran should fully confirm it in plain words. But what if they, instead, contradict it? What if God, Jesus, and Muhammad are not the source of this doctrine? What if the doctrine of an afterlife immediately after death is a hoax? What if man has no immortal soul? In the pages of this book, the unbiased reader will discover the real story about the afterlife, the true destiny of humanity, the true location of the Temple Mount in Jerusalem and its link to the afterlife.

Summary of Dallas Willard's The Divine Conspiracy - Everest Media, 2022-07-02T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The author compares human existence in the modern era to that of a pilot practicing high-speed maneuvers in a jet fighter. Most of us live at high-speed, and we have no idea whether we are flying upside down or right-side up. #2 There is no longer a recognized moral knowledge on which to base projects of fostering moral development. If you lowered a student's grade just for saying on a test that discrimination is morally acceptable, the student could contest that grade to the administration. #3 If a student wrote on a test that 7 times 5 equals 32, or that Columbus discovered America in 1520, we would be allowed to impose our views on them. These are matters that are regarded as known. #4 The problem is not connecting character to intellect, but connecting intellectual with moral and spiritual realities. The problem is that character is connected with the intellect, which means what is and is not in the intellect.

Sex, Dating, and Relationships - Gerald Hiestand 2012-02-29

Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at “no sexual activity” whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Hiestand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. Sex, Dating, and Relationships adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

A Conspiracy of Love - Wendy Read 2006

Though this book is intended to speak primarily to adults who have suffered childhood sexual abuse, anyone who seeks to find meaning in suffering, or who grapples with the concepts of evil and holiness, will appreciate the truth and wisdom contained in this book. Issuing from a deep appreciation of and wrestling with scripture, A Conspiracy of Love can also empower preachers, educators, and pastoral care providers to hear the Word anew, from the perspective of one who has suffered much. In short, those who have been abused, their friends, and their ministers will find A Conspiracy of Love thought-provoking, inspirational, and a beacon of comfort and hope. Not that it is an easy read. At times the reflections lay bare both the horrific reality that some children endure, and the searing emotional and spiritual pain that is carried into adulthood. The Archbishop of Canterbury, Rowan Williams, has described the writing as “heart-breaking and heart-enlarging.”

Divine Madness - Harry Eiss 2011-08-08

Lila is Sanskrit for play, the play of the gods. It is the self-generating genesis of Bliss, created by Bliss for the purpose of Bliss. It is the uninhibited, impulsive sport of Brahman, the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment. It is beyond the confining locks and chains of reason, beyond the steel barred windows looking out from the cages of explanation, beyond the droning tick-tick-tick of the huge mechanical clocks of time. Come, let us enter the realm of the madman and the finely wrought threads of Clotho as they are measured out by Lachesis and cut by Atropos to create the great tapestry of life, including the intricate, intertwining designs of dementia with the trickster, the shaman, the scapegoat, the shadow, the artist and the savior. Come, let us join in the divine madness of the gods.

The Once-And-For-All Truth About Sickness and Healing - Ron Craig 2009-01-15

Of more than twenty book titles the Lord has placed upon my heart to write, this is the third. The Body of Christ is in dire need of the message of each and every book, this one being the most timely. Many influential Christians are being taken out by sickness on a regular basis; therefore something must be amiss in today's church. The shortfall is evidently in the modern believers lack of true biblical knowledge of the sickness and healing subject. This book fills in a multitude of gaps in the Christians understanding of one of Satans most subtle weapons. To my knowledge, no other book on the market contains the revelation found in this work. It will absolutely revolutionize your life!

Cults, Conspiracies, and Secret Societies - Arthur Goldwag 2009-08-11

Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, “The Box,” are all names for Area 51. An indispensable guide, Cults, Conspiracies, and Secret Societies connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

The God of Sex - Peter Jones 2006

A placard carried in the San Diego Gay Parade said it all: “He's your God. They're your rules. You go to Hell.” Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other “sexual sinners” to prove they are immoral is equally unsuccessful, if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool.

Women in the Middle East - Nikki R. Keddie 2012-08-09

Written by a pioneer in the field of Middle Eastern women's history, Women in the Middle East is a concise, comprehensive, and authoritative history of the lives of the region's women since the rise of Islam. Nikki Keddie shows why hostile or apologetic responses are completely inadequate to the diversity and richness of the lives of Middle Eastern women, and she provides a unique overview of their past and rapidly changing present. The book also includes a brief autobiography that recounts Keddie's political activism as one of the first women in Middle East Studies. Positioning women within their individual economic situations, identities, families, and geographies, Women in the Middle East examines the experiences of women in the Ottoman Empire and Turkey, in Iran, and in all the Arab countries. Keddie discusses the interaction of a changing Islam with political, cultural, and socioeconomic developments. In doing so, she shows that, like other major religions, Islam incorporated ideas and practices of male superiority but also provoked challenges to them. Keddie breaks with notions of Middle Eastern women as faceless victims, and assesses their involvement in the rise of modern nationalist, socialist, and Islamist movements. While acknowledging that conservative trends are strong, she notes that there have been significant improvements in Middle Eastern women's suffrage, education, marital choice, and health.

Sanctifying Misandry - Katherine K. Young 2010

In Sanctifying Misandry, Katherine Young and Paul Nathanson challenge an influential version of modern goddess religion, one that undermines sexual equality and promotes hatred in the form of misandry - the sexist counterpart of misogyny.

[Conspiracy Against Divine Sexuality](#) - Moran M. Judson 2004-02-02

Whether you believe in a Creator or not, human sexuality affects every layer of your spirit and life. You are either tickled to your hearts delights by the streams of fiery passions of your sexuality, or are aimlessly drifting through the doldrums of the monotonous waves of life -as a shipwreck. In this graphic and honest discussion on the complexity and history of human sexuality and its purpose and impact on us all, the author is boldly delving into this stormy topic with these aims in mind: How did it all start and where to find the answers? Was there an original pure teaching of this dynamic human phenomenon? Who was interested in fouling the atmosphere of human sexuality? How and by whom was it perpetuated on innocent lives throughout history? What were the results of this conspiracy on you personally? How to reverse it? What is The Song of Solomon the master lover all about, and how to achieve the ideal spiritual and sexual intercourse? In this work, the Biblical and historic narratives concerning human sexuality will enlighten us, one step at a time, until we reach the sparkling and inviting lights at the end of our sexual journey.

Broken Windows of the Soul - Arnold R. Fleagle, DMin 2011-05-31

Broken Windows of the Soul: The "Broken Windows Theory" suggests that a community can reduce crime and maintain social order when small problems are fixed promptly. Alternatively, minor vandalism (such as broken windows) left unrepaired, sends the message that no one cares -inviting more serious crimes. Fleagle and Lichi have applied this theory to the problem of sexual temptation and moral failure. Broken Windows of the Soul reveals the destructive nature of infidelity, sexual perversion

and pornography and its effect on the culture and the church. Unless the cracks are quickly repaired, more "broken windows of the soul" are soon to follow. Fleagle and Lichi teach the regular practice of spiritual disciplines to transform the heart and experience deep character change. Each chapter includes questions for individual or group study.

Secret Sexual Sins - Fred C. Rochester 2009

It's destroying the lives of an astounding number of Christian men and women. Yet most of us are afraid to talk about it. It's pornography.

We Are One - Ellwood Norquist 1995-08-01

Praise for We Are One: "Is there a more fulfilling way to deal with Christianity than by perceiving humankind as foundationally sinful, separate, and in dire need of salvation? Or are all of us embraced, accepted, and received by the love of a God that knows no separation or duality -- only oneness? "In the dynamic series of essays that form the exciting and visceral new book, We Are One: A Challenge to Traditional Christianity, Ellwood Norquist presents us with a wisdom-filled paradigm of new thought. "To answer this age-old question, Mr. Norquist, noted philosopher and teacher, has written a compassionate group of essays that raise the questions, discuss the issues, and share the answers." -- Richard Fuller, Senior Editor Metaphysical Review "This is a book that will suggest to the reader the possibilities for new ideas to shape themselves from old and well-defined images and orthodoxies. "Ellwood Norquist draws from a variety of disciplines and resources to point the reader in a direction that will assist in defining humankind as foundationally divine, in union with its Creator, and already saved with the simple suggestion that all we need to do is 'wake up' (much like Alice did in Wonderland) to the notion that we really never did leave the Garden." -- Dr. P. David Wilkinson, Pastor of St. Francis in the Foothills United Methodist Church in Tucson, Arizona
