21 - Building Tomorrow as Young Adults - Ivan Snodgrass 2012-04-25

If there is one thing that is certain for all young adults today, it is that tomorrow brings uncertainty. With uncertainty comes a challenge and sometimes fear. But it also presents an opportunity, for each and every young adult growing up today to sculpt themselves into someone who can not only change tomorrow, but benefit it for the better. The author of "21 Building Tomorrow as Young Adults" knows this reality all too well because he is, as he writes this book, a 21-year-old young adult himself. In this book, he brings to the table 21 Pillars that can help young adults, not only in their daily lives, but for the future as well. With each Pillar comes Ivans personal experience with that theme, and his own personal stories that help readers relate. As todays generation of young adults often learn by storytelling, "21 Building Tomorrow as Young Adults" relates to that trend, and gives each and every person a chance to relate and share themselves with these themes. Tomorrow will not happen to each of us alone, so we are all going to have to do this together; one day at a time.

So as a woman this book is dedicated to you also to show my support and let you know that I believe in you. A Man's Worth is not just about the man but it is also about the woman behind the man. A man's support system may consist of relatives and friends. Such as his mother, wife, daughter, sister, female cousin, aunt, niece and a really good girl friend. This will enable him to realize who he is as a man in the eyes of the women who love him. Clear Your Fears: 7 Steps to Awaken Your Heart and Spirit - Nina Larkin 2014-07-16

My mission in life focuses on empowering women. In this process, I developed seven steps to help a woman tap into their strengths and authentic self. True empowerment is an internal process, as where false empowerment is focusing on the outside world, such as material wants and approval from others. When we focus our energy only externally, it's OK but it feels never ending and isn't fully satisfying. There's nothing wrong with enjoying praise, material items and achieving. It's temporary, though. It is important to develop authentic empowerment. I'd love to help you start an incredible spiritual journey of self-exploration, clarity and self-love. My intention is to help you develop love, emotional support, authenticity, honest communication and purpose. The intention of my book is to share my experiences, create insights and help you tap into your own personal wisdom. My hopes are that you will use these practical tools to create a practice to help you feel truly empowered.

Crazy Little Fling - Dorothy Callahan 2016-11-01

Fun loving veterinarian Carla Krasinski is finally taking her dream vacation—a week in Key West. Working overnights in emergency means she sees all the critical cases... and no sun. So this week will be seven full days of brainless meandering and sunbathing. No life-saving decisions. No winter-white skin to make a vampire quiver with envy. Nope. Just a week-long stroll under the palm trees. Having her sister out of prison means Carla's babysitting duties of her niece are also moot this week. And the fact her new boyfriend proposed and expects an answer when she returns? Well, that's what a week of no decisions is for, right? She's one cabana boy shy of unadulterated bliss. When DEA Agent Gunner Fitz gets the call that a possible drug deal is going down—by a woman he incarcerated and who just got released—he knows he has to follow the lead to Florida. Not only will this woman lead him to the crime boss, but also his abducted sister, the reason he went into this field in the first place. Catch the bad guy, free the girl. He's got this. But Gunner gets sidetracked by a woman on the plane, one whose laugh captivates him. After scant minutes in her presence, Gunner knows unequivocally this is the woman he's going to marry. And then he gets the email: the woman who has ensnared him is the very woman he's supposed to trail. If Gunner tells her the truth about his mission, he'll lose her. If he lies, he'll lose her. And when Carla's only choice is to assist Gunner on his mission, her decisions become a matter of life or death.
