Drive Me To Love - N.C.

Bastian 2019-02-06

Avec lui, elle va repousser ses limites Avec elle, il va ouvrir son cœur Noah est la parfaite incarnation de tout ce que Mélissa déteste. Les étudiants ultra-populaires qui enchaînent les filles comme les soirées ? Très peu pour elle, merci. D'autant que Noah ne se contente pas de la panoplie typique du bad boy du campus — non, ce serait trop classique ! —, il donne aussi dans l'illégalité en faisant des courses de voitures dangereuses et stupides. Clairement, il n'est pas son genre et elle est très, très loin de ressembler aux filles qu'il fréquente en général ; pourtant, Noah s'est mis en tête d'« apprendre à la connaître ». Et il n'a pas l'habitude qu'on lui dise non. A propos de l'auteur N. C. Bastian vit en région

parisienne, la tête dans les nuages et bouillonnant sans cesse de nouvelles idées. Après les phénomènes Be Mine et Be Yours, Drive Me to Love est son troisième roman publié dans la collection &H.

Bound by Night - Larissa Ione 2013-09-24

The first installment in a sexy new paranormal romance series by Larissa Ione, author of the bestselling Demonica series! Nicole Martin was only eight years old when she narrowly survived a massacre: her family's vampire slaves rebelled and killed everyone in

her household. Twenty years later, Nicole now dedicates herself to finding a vaccine against vampirism...and eradicating the gruesome memories that give her nightmares. Riker, a member of the wild vampire Moon Clan, is haunted by his own demons—his wife Lorraine had been captured and enslaved by the Martin family. It was during a botched escape attempt that she was killed, along with their unborn child. Still wracked with grief and anger, Riker is now fueled solely by the desire to rescue vampire slaves...and slaughter their owners. When Riker stumbles upon Nicole in a chance meeting, he immediately recognizes her as a member of the Martin family that once enslaved his wife—and she recognizes him as the wild vampire she saw kissing a pregnant slave in the moments before her violent death—an image that has haunted her dreams for years. When Riker kidnaps Nicole and they spend a night together in a cave on the way back to his

clan, suddenly they begin to realize that they aren't as different from one another as they may have thought—and they're finding themselves drawn to one another...

justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. 'One hell of a good book' - Conn Iggulden, author of the Sunday Times Top Five bestseller *The Gates of Athens* Facio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade.

Dance, Space and Subjectivity - V. Briginshaw
2016-01-08

This book contains readings of American, British and

European postmodern dances informed by feminist, postcolonialist, queer and poststructuralist theories. It explores the roles dance and space play in constructing subjectivity. By focusing on site-specific dance, the mutual construction of bodies and spaces, body-space interfaces and 'in-between spaces', the dances and dance films are read 'against the grain' to reveal their potential for troubling conventional notions of subjectivity associated with a white, Western, heterosexual able-bodied, male norm.

Pollution Is Colonialism - Max Liboiron 2021-03-29

In *Pollution Is Colonialism* Max Liboiron presents a framework for understanding scientific research methods as practices that can align with or against colonialism. They point out that even when researchers are working toward benevolent goals, environmental science and activism are often premised on a colonial worldview and access to land. Focusing on plastic pollution, the book models an anticolonial

scientific practice aligned with Indigenous, particularly Métis, concepts of land, ethics, and relations. Liboiron draws on their work in the Civic Laboratory for Environmental Action Research (CLEAR)—an anticolonial science laboratory in Newfoundland, Canada—to illuminate how pollution is not a symptom of capitalism but a violent enactment of colonial land relations that claim access to Indigenous land. Liboiron's creative, lively, and passionate text refuses theories of pollution that make Indigenous land available for settler and colonial goals. In this way, their methodology demonstrates that anticolonial science is not only possible but is currently being practiced in ways that enact more ethical modes of being in the world.

Elle, princesse de la mafia ; lui, guerrier urbain. Être la fille d'un puissant et dangereux mafieux californien n'a rien d'enviable. Lila sait que certaines personnes jalouent sa position privilégiée mais la

vérité est toute autre.

Surveillée sans cesse par les hommes de son père, elle n'a aucune liberté. Aucune vie privée. Et aucun espoir depuis qu'Evan, son ami d'enfance et le seul qui l'appréciait tout en ignorant qui elle était, a été tué à cause d'elle. Alors, lorsqu'Evan réapparaît sept ans plus tard, Lila est déchirée entre l'envie de se jeter dans ses bras et la terreur de le voir à nouveau menacé par son père. Sera-t-elle prête à risquer la vie de l'homme qu'elle aime ? Mais le danger vient-il seulement d'elle... ou de l'homme qu'il est devenu ? "J'ai adoré ce roman qui nous plonge dans l'univers des gangs et de la mafia. Ces personnages n'ont pas toutes les clés en main pour prendre en main leur destin mais ils s'attacheront à découvrir le sens du mot bonheur." Be Mine - N.C. Bastian
2016-05-25

« L'histoire de Kim et Alex est un concentré d'émotions qui vous embarque indéniablement et ne vous lâche qu'une fois achevée. A lire absolument, cette romance ne vous laissera pas indifférent. » Un brin de lecture « Leur amour semble condamné avant même d'avoir commencé et pourtant rien n'est plus beau qu'un amour pour lequel il faut se battre. Dans Be Mine, il y a de l'amour, de l'humour, du suspense, des rebondissements et une intrigue très prenante. » The lovely teacher addictions Se remet-on vraiment un jour de la perte de son premier amour? Kim Cinq ans... et j'ai toujours aussi mal. Se remet-on vraiment un jour de la perte de son premier amour ? Je n'en ai aucune idée. Ce que je sais, en revanche, c'est qu'Alex m'a détruite. En même temps, notre histoire était trop belle pour être vraie. Pourquoi le plus beau biker du Dakota se serait-il rangé pour une simple fille comme moi ? Aujourd'hui, je suis de retour mais j'ai

tourné la page. Les contes de fées, c'est terminé. Je n'y crois plus. Et je ne me ferai plus avoir. Je ne céderai pas à la force des sentiments que j'éprouve toujours pour Alex malgré moi. A aucun prix. Alex Cinq ans... et l'absence de Kim est toujours aussi insupportable. Inexplicable. Inattendue. Je n'ai rien compris. Rien. Pourquoi ma Kimi est-elle retournée en France précipitamment ? Sans un mot, sans un regard en arrière. Elle a tout plaqué, et moi aussi par la même occasion. Mais, maintenant qu'elle est revenue dans le Dakota, c'est enfin l'heure des explications. Et rien ni personne ne pourra la tenir éloignée de moi plus longtemps. Elle est à moi. A moi. A propos de l'auteur : N.C. Bastian vit en région parisienne, la tête dans les nuages et fourmillant sans cesse de nouvelles idées. Elle a toujours aimé se plonger dans les livres et a découvert sa passion pour l'écriture à l'âge de 12 ans. Elle trouve son inspiration dans la vie de tous

An Anglo-Norman Reader -
Jane Bliss 2018-02-08

This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works, beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women's voices tell history,

write letters, berate pagans; advice is offered on how to win friends and influence people, how to cure people's ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard for further study or relished in

its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences.

Dirty Love - Jolie Plume

Je n'arrive pas à croire que j'ai parcouru autant de chemin en si peu de temps. L'année dernière encore, j'étais cette lycéenne aux allures étranges qui se prostituait pour survivre. Je croyais me connaître jusqu'à ce que mon professeur vienne bousculer toutes mes certitudes, jusqu'à ce qu'il m'initie à la douleur afin de me sauver de moi-même...

Séparément, nous avons chuté; ensemble, nous avons appris à renouer avec le bonheur. Bien qu'officiellement en couple, des zones d'ombres subsistent... Je ne les imaginai si nombreuses, si destructrices... Si autrefois, j'ai été capable de tolérer l'insupportable, suis-je maintenant en mesure de pardonner l'impardonnable ? *** Quand je repense au chemin parcouru en si peu de temps, j'ai du mal à y croire.
