**Becoming a Dangerous Woman** - Pat Mitchell 2019-10-08

An intimate and inspiring memoir and call to action from Pat Mitchell -- groundbreaking media icon, global advocate for women's rights, and co-founder and curator of TEDWomen Pat Mitchell is a serial ceiling smasher. The first woman to own and host a nationally syndicated daily talk show, and the first female president of CNN productions and PBS, Mitchell has been lauded as a powerful changemaker and a relentless advocate for women and girls. In *Becoming a Dangerous Woman*, Mitchell shares her own path to power, from a childhood spent on a cotton farm in the South to her unprecedented rise in media and global affairs. Full of intimate, fascinating stories, such as an encounter with Fidel Castro while wearing a swimsuit, and traveling to war zones with Eve Ensler and Glenn, *Becoming a Dangerous Woman* is an inspiring call to arms for women who are ready to dismantle the barriers they see in their own lives.

**Do It Like a Woman** - Caroline Criado-Perez 2016-03

The Authority Gap - Mary Ann Sieghart 2021-07-01

\*A WATERSTONES 'BEST POLITICAL BOOK OF THE YEAR'\* \*A TIMES 'BEST PHILOSOPHY AND IDEAS' BOOK OF 2021\* \*A GUARDIAN 'BEST POLITICS BOOKS OF THE YEAR'\* 'A brilliant manifesto explaining why women are still so underestimated and overlooked in today's world, but how we can also be hopeful for change' - Philippa Perry 'An impassioned, meticulously argued and optimistic call to arms for anyone who cares about creating a fairer society' - Observer \_\_\_\_\_ Imagine living in a world in which you were routinely patronised by women. Imagine having your views ignored or your expertise frequently challenged by them. Imagine people always addressing the woman you are with before you. Now imagine a world in which the reverse of this is true. *The Authority Gap* provides a startling perspective on the unseen bias at work in our everyday lives, to reveal the scale of the gap that still persists between men and women. Would you believe that US Supreme Court Justices are interrupted four times more often than male ones... 96% of the time by men? Or that British parents, when asked to estimate their child's IQ will place their son at 115 and their daughter at 107? Marshalling a wealth of data with precision and insight, and including interviews with pioneering women such as Baroness Hale, Mary Beard and Bernadine Evaristo, Mary Ann exposes unconscious bias in this fresh feminist take on how to address and counteract systemic sexism in ways that benefit us all. Includes interviews with pioneering women such as: Baroness Hale Mary Beard Bernadine Evaristo Mary McAleese Julia Gillard Dolly Alderton and Pandora Sykes Cherie Blair Liz Truss Amber Rudd Frances Morris Laura Bates \_\_\_\_\_ 'Hugely exciting' - Emily Maitlis 'Deeply researched, profoundly thoughtful and a book very much for the here and now: Mary Ann Sieghart's *The Authority Gap* is the book she was probably born to write' - Andrew Marr 'At last here is a credible roadmap that is capable of taking women from the margins to the centre by bridging the authority gap that holds back even the best and most talented of women.' - Mary McAleese, Former President of Ireland

**Invisible Women** - Caroline Criado Perez 2019-03-07

\*THE SUNDAY TIMES NUMBER ONE BESTSELLER\* \*OVER HALF A MILLION COPIES SOLD\* Discover the shocking gender bias that affects our everyday lives. 'HELL YES. This is one of those books that has the potential to change things - a monumental piece of research' Caitlin Moran Imagine a world where... · Your phone is too big for your hand · Your doctor prescribes a drug that is wrong for your body · In a car accident you are 47% more likely to be injured. If any of that sounds familiar, chances are you're a woman. From government policy and medical research, to technology, workplaces, and the media. *Invisible Women* reveals how in a world built for and by men we are systematically ignoring half of the population, often with disastrous consequences. Caroline Criado Perez brings together for the first time an impressive range of case studies, stories and new research from across the world that illustrate the hidden ways in which women are forgotten, and the profound impact this has on us all. Find out more in Caroline's new podcast, *Visible Women*. 'A book that changes the way you see the world' Sunday Times 'Revelatory, frightening, hopeful' Jeanette Winterson

WPower - Felicha Kaye Sinegar-Stanley 2020-02-14

Empowering, Inspiring, Motivating, and Decision-Making are only four words that describe this great book. It tells what to do to make a difference in another woman's life. A big part of helping women reach their goals and dreams. This book changes women's lives. The women's empowerment movement is HUGE, so don't get left BEHIND

Women in Science - Rachel Ignatofsky 2017-03-09

A gloriously illustrated celebration of trailblazing women. *Women in Science* highlights the contributions of fifty notable women to the STEM fields of science, technology, engineering and mathematics, from both the ancient and modern worlds. The book also contains fascinating infographics and an illustrated scientific glossary. The extraordinary women profiled include well-known figures like the physicist and chemist Marie Curie, as well as lesser-known pioneers such as Katherine Johnson, the African-American mathematician who calculated the trajectory of the Apollo 11 mission to the moon. *Women in Science* celebrates the achievements of the intrepid women who have paved the way for the next generation of female engineers, biologists, mathematicians, doctors, astronauts, physicists and beyond ...

**Do It Like a Woman** - Caroline Criado-Perez 2015-05-07

Doing anything 'like a woman' used to be an insult. Now, as the women in this book show, it means being brave, speaking out, and taking risks, changing the world one step at a time. Here, campaigner and journalist Caroline Criado-Perez introduces us to a host of pioneers, including a female fighter pilot in Afghanistan; a Chilean revolutionary; the Russian punks who rocked against Putin; and the Iranian journalist who uncovered her hair.

*Believe Me* - Jessica Valenti 2020-01-28

What would happen if we believed women? A groundbreaking anthology offers a potent rallying cry and theory of change Harvey Weinstein. Brett Kavanaugh. Jeffrey Epstein. Donald Trump. The most infamous abusers in modern American history are being outed as women speak up to publicly expose behavior that was previously only whispered about -- and it's both making an impact, and sparking a backlash. From the leading, agenda-setting feminist editors of *Yes Means Yes*, *Believe Me* brings readers into the evolving landscape of the movement against sexual violence, and outlines how trusting women is the critical foundation for future progress. In *Believe Me*, contributors ask and answer the crucial question: What would happen if we didn't just believe women, but acted as though they matter? If we take women's experiences of online harassment seriously, it will transform the internet. If we listen to and center survivors, we could revolutionize our systems of justice. If we believe Black women when they talk about pain, we will save countless lives. With contributions from many of the most important voices in feminism today, *Believe Me* is an essential roadmap for the #MeToo era and beyond.

Women Change the World - Michelle Patterson 2014-06-10

Women Change the World is a collection of world-changing women—from actresses, recording artists, and writers to businesswomen and other high-profile female professionals—on women's unique contributions to society. Women Change the World will be released in conjunction with the California Women's Conference, which offers its attendees inspiration, resources, and connections to take the next steps in their businesses, personal development, or philanthropic endeavors. 2012's conference speakers included Marcia Cross, Donna Karen, Gloria Allred, and many others. Women Change the World aims not only to show how women can be the heart of success, but also to inspire other women to go out and change the world themselves.

Represent - June Diane Raphael 2019-09-03

"Over the last few years we've seen a remarkable surge of women running for office, and even better, winning. Running takes courage, passion, and commitment, but it also takes books like this. June and Kate have created a wonderful resource for women as they think about taking the leap."—Hillary Rodham Clinton Turn "can I do this?" into "yes, I can!" Join the growing wave of women leaders with Represent, an energetic, interactive, and inspiring step-by-step guide showing how to run for the approximately 500,000 elected offices in the US. Written with humor and honesty by writer, comedian, actress, and activist June Diane Raphael and Kate Black, former chief of staff at EMILY's list, Represent is structured around a 21-point document called "I'm Running for Office: The Checklist." Doubling as a workbook, Represent covers it all, from the nuts and bolts of where to run, fundraising, and filing deadlines, to issues like balancing family and campaigning, managing social media and how running for office can work in your real life. With infographics, profiles of women politicians, and wisdom and advice from women in office, this is a must-own for any woman thinking of joining the pink wave.

**Bad Girls Throughout History: 100 Remarkable Women Who Changed the World (Women in History Book, Book of Women Who Changed the World)** - Ann Shen 2016-09-06

Looking for coffee table books that do more than look great on your table? Bad Girls Throughout History: 100 Remarkable Women Who Changed the World, delivers on both counts. Featuring 100 women who made history, it's a book you can be proud to display in your home. Aphra Behn, first female professional writer. Sojourner Truth, women's rights activist and abolitionist. Ada Lovelace, first computer programmer. Marie Curie, first woman to win the Nobel Prize. Joan Jett, godmother of punk. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. From pirates to artists, warriors, daredevils, women in science, activists, and spies, the accomplishments of these incredible women who dared to push boundaries vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, Bad Girls Throughout History is a distinctive, gift-worthy tribute to rebel girls everywhere.

**Women Who Changed the World [4 volumes]** - Candice Goucher 2022-01-24

This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences. Learning how women changed the world will change the ways the world looks at the past. Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective. The women featured in this four-volume set cover the full sweep of history, from our ancestral forbearer "Lucy" to today's tennis phenoms Venus and Serena Williams. Every walk of life is represented in these pages, from powerful monarchs and politicians to talented artists and writers, from inquisitive scientists to outspoken activists. Each biography follows a standardized format, recounting the woman's life and accomplishments, discussing the challenges she faced within her particular time and place in history, and exploring the lasting legacy she left. A chronological listing of biographies makes it easy for readers to zero in on particular time periods, while a further reading list at the end of each essay serves as a gateway to further exploration and study. High-interest sidebars accompany many of the biographies, offering more nuanced glimpses into the lives of these fascinating women.

Quit Like a Woman - Holly Glenn Whitaker 2020-01-09

\*The book that inspired Chrissy Teigen and Sex and The City's Miranda to quit drinking\* \_\_\_\_\_ 'An incredible read' - Chrissy Teigen 'Has the power to change your relationship with your entire life' - Glennon Doyle 'This thoughtful, moving book will help a lot of people get to a

healthier place' - Johann Hari \_\_\_\_\_ We live in a world obsessed with drinking. We drink at work events, lunches, book clubs and weddings. Yet no one ever questions alcohol's ubiquity. In fact, the only thing ever questioned is why people don't drink. It is a qualifier for belonging. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some sort of magic elixir. It is anything but. When Holly Whitaker started to look for a way to recover, the support systems she found for recovery were archaic and patriarchal. Urging drinkers towards a newfound humility is great if you're a man, but if you're a woman and not in a position to renounce privileges you never had, a whole other approach is needed. Honest, witty and trenchant, *Quit Like a Woman* is at once a ground-breaking look at drinking culture, a call to arms, and a celebration of learning how to claim everything life has to offer.

The Beauty Myth - Naomi Wolf 2013-08-31

The bestselling classic that redefined our view of the relationship between beauty and female identity. Every day, women around the world are confronted with a dilemma - how to look. In a society embroiled in a cult of female beauty and youthfulness, pressure on women to conform physically is constant and all-pervading. In this iconic, gripping and frank exposé, Naomi Wolf exposes the tyranny of the beauty myth through the ages and its oppressive function today, in the home and at work, in literature and the media, in relationships between men and women, between women and women. With pertinent and intelligent examples, she confronts the beauty industry and its advertising and uncovers the reasons why women are consumed by this destructive obsession. 'Essential reading' Guardian 'A smart, angry, insightful book, and a clarion call to freedom. Every woman should read it' Gloria Steinem

**Work Like a Woman** - Mary Portas 2018-11-01

'There aren't many books that can claim to change your life, but this one will.' Clare Balding 'A force for good, for change. This book will make you change the way you think. Mary is my hero.' Scarlett Curtis, author of *Feminists Don't Wear Pink* Are you ready to be your best self at work? Packed with advice, tips and decades of business experience from Mary Portas, this is a book for every one of us: whatever level you are, wherever you work. It's about calling time on alpha culture and helping every one of us to be happier, more productive and collaborative. It's time to #WorkLikeAWoman. 'Mary Portas doesn't want to lean in, she wants a whole new office culture.' Evening Standard

Wisdom's Daughters - Cathy Pagano 2013

Wisdom is Women's Gift to the World. In the many cultural stories that speak about the changing of the ages, it is always Feminine Spirit which brings about the transition to new life, for Feminine Spirit knows the rhythms of life, death, and rebirth and is the "opener of the way." In times of cultural transformation, it is also our right-brain, feminine consciousness that is our best guide, for it opens us to the creative imagination, the realm of possibility. The return of the Goddess awakens the transformative energy that births the changing of the ages. In the western story of worldwide spiritual transformation, there is a powerful image of Cosmic Woman, an image of the archetypal Feminine Spirit who transforms and gives birth to this new age. And her archetypal image gives us instructions for opening to and incarnating wisdom. This image of the awakening Feminine Spirit is an image of the Conscious Woman: a woman, clothed with the sun, standing on the moon, crowned with stars, who is in labor, giving birth to a savior. In earlier times and different traditions, this archetypal image was understood as Lady Wisdom. Today I feel this Goddess image of conscious woman can be incarnated by women everywhere. This woman clothed with the sun is Lady Wisdom, who calls all women to become her daughters. "I love Cathy's insights into fairy tales, mythology, dreams, astrological energies, and archetypes. She makes sense of how our lives are impacted by these complex yet very beautiful elements, making them accessible and keeping them profound. Her wisdom can only enhance anyone lucky enough to have crossed her path." —Alix Toland, Artist & Creator of *Color-Scope: An Astrological Mandala*

Seven Ways to Change the World - Gordon Brown 2021-06-10

THE SUNDAY TIMES TOP TEN BESTSELLER 'His vision, ideas and passion shine through on every page' Ed Balls 'Compelling, challenging, inspiring and very timely' Piers Morgan 'Immensely powerful and persuasive...I found it exhilarating throughout' Joanna Lumley When the Covid-19 pandemic swept across the globe in 2020, it created an unprecedented impact, greater than the aftermath of 9/11 or the global financial crisis. But out of such disruption can come a new way of thinking, and in this superb new book former UK prime minister Gordon

Brown offers his solutions to the challenges we face in 2021 and beyond. In the book, he states that there are seven major global problems we must address: global health; climate change and environmental damage; nuclear proliferation; global financial instability; the humanitarian crisis and global poverty; the barriers to education and opportunity; and global inequality and its biggest manifestation, global tax havens. Each one presents an immense challenge that requires an urgent global response and solution. All should be on the world's agenda today. None can be solved by one nation acting on its own, but all can be addressed if we work together as a global community. However, Brown remains optimistic that, despite the many obstacles in our way, we will find a path to regeneration via a new era of global order. Yes, there is a crisis of globalisation, but we are beginning to see the means by which it might be resolved. Crises create opportunities and having two at once shouldn't just focus the mind, it might even be seen as giving greater grounds for hope. In *Seven Ways to Change the World*, Brown provides an authoritative and inspirational pathway to a better future that is essential reading for policy makers and concerned citizens alike.

**One Woman Can Change the World** - Ronne Rock 2020-06-16

We live in a time of unprecedented change when it comes to women's lives. All around the world, women are demanding the safety, respect, and opportunities they have always deserved but seldom grasped. Have you ever stopped to wonder, "Where do I fit into this story?" Ronne Rock is a good person to ask. In this stirring book, she takes you on a global adventure to discover your divine design as a woman of influence and impact. Through powerful and personal stories of women in Africa, Asia, the Americas, and the Caribbean, you'll learn what it means to lead in a world where leadership isn't easy, how to serve with grace in cultures that aren't always graceful, and how to embrace your God-given physical, emotional, and spiritual DNA. As you discover the lives of real women who are influencing their communities with grace and gumption--even in countries where oppression weighs most heavily--you'll feel inspired to reclaim your God-designed influence and impact right where you are.
