Dancing Hands - Margarita Engle 2019-08-27
Winner of the Pura Belpré Illustrator Award A Kirkus Reviews Best Picture Book In soaring words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa's music bring comfort to those who needed it most?

A Song of Frutas - Margarita Engle 2021-08-03
From Pura Belpré Award-winning author Margarita Engle comes a lively, rhythmic picture book about a little girl visiting her grandfather who is a pregonero—a singing street vendor in Cuba—and helping him sell his frutas. When we visit mi abuelo, I help him sell frutas, singing the names of each fruit as we walk, our footsteps like drumbeats, our hands like maracas, shaking... The little girl loves visiting her grandfather in Cuba and singing his special songs to sell all kinds of fruit: mango, limón, naranja, piña, and more! Even when they're apart, grandfather and granddaughter can share rhymes between their countries like un

abrazo—a hug—made of words carried on letters that soar across the distance like songbirds.

Enchanted Air - Margarita Engle 2015-08-04

Words and images are her constant companions, friendly and comforting when the children at school are not.

Drums, Girls, and Dangerous Pie - Jordan Sonnenblick 2010-01-01

A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).
