Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Scorpio Hates Virgo Anyta Sunday 2017-08-31 This year is all about healing the heart, Scorpio. It's time to leave negative attitudes and stoic facades at the door and let others see the real, more vulnerable you. Percy Freedman is not grieving. Absolutely not, take that back at once. No, he's entirely sure that selling his dead aunt's home and leaving the neighbors he's known for years is the sane thing to do. Who in their right mind would keep the house that smells like all the hugs he'll never have again? Nobody, that's who. Well, except his cul-de-sac neighbors. They all seem to think some paint and new furniture will clean the emotional slate. They all want him to stay. Even his nemesis, Callaghan Glover. Especially his nemesis, Callaghan Glover. Lured into a game of *Sherlock Gnomes*, Percy finds himself hanging out with his neighbors more than might be considered healthy. Along with juggling new and surprising verbal grenades from Cal, and his burgeoning friendship with Gnomber9, Percy is starting to wonder if selling might have been the grief talking after all . . . That's right, Scorpio. With a little patience, heartbreak might be a thing of the past . . . * * * * *

"Scorpio Hates Virgo" contains sarcasm, sexual content, a slightly sappy HEA, and an unhealthy obsession with dinosaurs. It can be read as a standalone. Themes: friends-to-lovers, slow burn Genre: New Adult, light-hearted contemporary gay romance If you've enjoyed "Leo Loves Aries," you can look forward to a slow burn, will-they-or-won't-they romance, full of sarcastic banter and a delicious slice of unresolved sexual tension.

Soul Mates - the Formula Vincent Sylvan 2013-02-12 Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate. This formula gives the readers action steps on how to narrow their search along the way, to identify this mystical person that Vincent believes we all have. These are methods the author has tested and applied himself on his own quest in finding his soul mate. After many years of research, his first marriage for seventeen years, not being able to succeed, he experienced divorce and failure. This triggered him to find the answers more than ever before, and past the prime of his life, Sylvan had an awakening and developed the formula to find his other half of his soul, the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman. Putting into practice the secret to his revelation, he finds her on the Internet, the hardest place to find his soul mate, to put his formula to the test. The results surpassed his expectations. Vincent realized once more the importance for everyone to find their soul mate, to live a life of wonders. That is why he created this book. For more information on Sylvan, visit his blogs to find more about his philosophy and poetry at www.vincentsylvan.com.

Sex and Eroticism in Mesopotamian Literature Dr Gwendolyn Leick 2013-01-11 Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumerian-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

By understanding and changing our perceptions, resentments will release, hang-ups will melt away and a renewed faith in joy will be reignited.
