

For Yourself The Fulfillment Of Female Sexuality

For Yourself - Lonnie Garfield Barbach 1976

This newly revised edition of the classic bestseller that has sold nearly a million copies offers a step-by-step program for women to discover the wisdom of their own bodies, learning to enjoy sex not just to please a partner or live up to imagined expectations, but for themselves. Includes simple, effective exercises and a warm, reassuring tone.

Erotic Interludes - Lonnie Barbach 1995-05

Today, erotic writing is no longer a male prerogative. Now, women are celebrating their own sensuality through a variety of forms, including erotic fiction. Here are twenty-one pieces from women writers aged between twenty-three and fifty-eight, exploring every aspect of female sexual experience - married and single, lesbian and heterosexual. With insight, with humour, with outright eroticism they reaffirm every woman's right to the pleasures and adventures of sex.

The New Male Sexuality - Bernie Zilbergeld 2013-02-27

The New Male Sexuality addresses the most urgent questions of men today--and of the women who love them. Bernie Zilbergeld reports findings from his twenty years as a psychologist specializing in human sexuality, as well as those other experts in the field, and shares his own and his clients' experiences. The result is the most comprehensive guide ever to enhancing desire and arousal, focusing on pleasure rather than performance, and keeping sex exciting and fulfilling. Clear, comprehensive, witty, and refreshingly realistic, The New Male Sexuality is destined to be a classic.

The Pause (Revised Edition) - Lonnie Barbach 2000-01-01

Since its original publication in 1993, The Pause has become known as the authoritative guide to menopause--a previously overlooked topic of great importance to women. The significant amount of new research on

menopause and perimenopause amassed in recent years has led bestselling author Lonnie Barbach to completely revise and update this groundbreaking classic. Important additions include eight entirely new sections on topics such as SERMs (selective estrogen receptor modulators), phytoestrogens, and the impact of menopause on the female immune system. This additional research is combined with new information about menopause and mood, weight gain during menopausal transition, breast cancer survivors taking estrogen, the positive effect of estrogen on dementia and Alzheimer's, and new alternatives to traditional HRT (hormone replacement therapy) for managing hot flashes, improving bone density, and assisting breast cancer survivors. All together, the latest edition of The Pause is a must-have resource for any woman facing the "next third" of her life.

Woman - Kaz Riley 2021-06-23

Are you ready to fully embrace your sensual and erotic self? For centuries, women have been taught their sexuality was something to be ashamed of and their sexual pleasure was controlled. This wasn't always the case. Eons ago, a woman's sexuality was celebrated: Aphrodite in Greek mythology, Qetesh from Egypt, the Hindu Goddess Kunti, just to name a few. With this groundbreaking book, you will find the courage to leave fears behind, communicate your wants and desires, and set your own boundaries. You CAN unlock your sexuality and reclaim your right as a woman to enjoy sensual pleasures without being judged. If you want to experience every part of your sexual pleasure without shame and frustration, this book is for you. You will find your power to free yourself from society's antiquated and conflicting expectations of being a sexual woman. Within this book you will discover: How sex education programs in public schools continues to fail young women Your most important

The Thrill of the Chaste (Catholic Edition) - Dawn Eden 2015-01-26

Dawn Eden, internationally known speaker and author, presents a completely revised Catholic edition of her bestselling work, *The Thrill of the Chaste*. In this version, Eden shares her story of conversion to Catholicism and invites readers into a Catholic understanding of chastity and its spiritual benefits. When Dawn Eden released *The Thrill of the Chaste* in 2006, she was a Jewish convert to Protestant Christianity, preparing to make the final leap into Catholicism. Now, nine years later, Eden has extensively updated *The Thrill of the Chaste*, sharing how her Catholic faith, the lives and intercession of the saints, and the healing power of the sacraments have led her to find her true identity in Christ. This revised, Catholic version offers spiritual and practical advice for both men and women seeking to live chastely in a world that glorifies sex. Eden offers tips to help readers avoid temptation and live faithfully—including dressing modestly, but not being afraid to feel good about the way they look; trusting that God has a plan for their life and relationships; and making sure their “yes” comes from the heart.

She Comes First - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both

beginners and experienced lovers.'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.'

[Shared Intimacies](#) - Lonnie Garfield Barbach 2000

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With

intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.
