**Funny Cuts** - Gordon Phillip Hood 1890

**The Playa's Guide on Getting (And Keeping) the Girl** - Xavier King 2013-05-09  
About the Book The information provided is for men (and maybe women) who need just a little help getting and/or keeping a girlfriend or just to entertain people. This book is not intended to create "Players". Player is such an ugly word; I prefer Ladies' Man, Casa Nova, Don Juan, Romeo. From picking up girls at the mall to morning routines to keep yourself looking your best, the guide goes through basic and advanced techniques and preparation skills on how to get girls. No one should be too ashamed or too proud to read this book. Once anyone reads "The Playa's Guide on

Getting (and Keeping) The Girl", they should have a better understanding on how to obtain and maintain a significant other in a healthy, happy relationship. Playa!

**Good Moon Rising** - Nancy Garden 2017-09-05

Two teenage girls find

unexpected love and confront homophobia in this Lambda Literary Award-winning novel from the author of *Annie on My Mind*. An aspiring actress, Jan is sure she'll get the lead role in her high school's production of *The Crucible*—so she's shocked when the part goes to a new student named Kerry. Even though she's hurt and disappointed, Jan can't imagine not being part of the production and accepts the position of stage manager. As she begins to work with the cast, Jan and Kerry develop a friendship that soon grows into something more, which doesn't go unnoticed by the arrogant male lead, Kent. When Kent spreads rumors throughout the whole school, Jan and Kerry become the center of another kind of witch hunt—one that threatens to destroy their new relationship and their self-worth. *Good Moon Rising* is a moving novel anyone can relate to—"a story of the outrages heaped on any teenager suspected of being different" (Kirkus Reviews).

His Battle, Her Love 3 - Star Singletary 2023-06-23

"Cupid... Wesley shut up." I think he heard me or maybe he didn't because I said it so fast.

"What did you just call me?"

Oh, shit. "Nothing, I said Wesley." He starts walking toward me and I backed up slowly. "No, you did not you called me Cupid. How did you know my name or did you know the whole time?" I ran upstairs but he was too quick for me.

"Get off of me!! Stop!! Why would you pretend to be someone you're not?" I said to him. "Stop moving I'm not going to hurt you, stop."

A fantasy adventure well ahead of its time, The Unpredictable Adventure satirises

contemporary cultural norms and demonstrates the hazards awaiting a woman who dares to think and act in defiance of the gender roles assigned her.

Considered too risqué and therefore banned by the New York Public Library, the Los Angeles Times described it as reminiscent of Pilgrim's Progress but more instructive than most manuals about what a young girl ought to know.

*Girls Can Kiss Now* - Jill Gutowitz 2022-03-08  
“Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance.”  
—Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a hilarious, whip-smart collection of personal essays exploring the intersection of queerness, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz’s life—for better and worse—has always been on a collision course with pop culture. There’s the time

the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill’s own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous,

### **Bob's Trip Through**

**Manhood** - Glenn G. Tucker  
2016-01-14

Bob Brand was being raised by drunken, brutal parents until he was fifteen years old. He had a paper route, like many young boys. One night, he refused to give his father the money he collected to pay his paper bill and was beaten badly by his father. He escaped from the home and went to see an elderly doctor on his route to get help. Dr. Ted Woods sewed him up and called the police. His father was arrested and given a year in jail and was allowed three days to get his affairs in order. He and his wife fled, and Dr. Woods gained custody of Bob in a hearing. Dr. Woods hired Julia Finney to be his housekeeper. Julia had a daughter, Martha, who was born when Julia was fifteen years old. Both Julia and Martha suffered feelings of guilt and shame due to Julia's background. Bob's presence in his new family somehow seemed to knit the four people

into a happy, loving family and cured the feelings of shame, guilt, and inferiority held by both Julia and Martha. As Dr. Woods remarked, Bob provided the glue to make them a happy, loving family. He also said Bob had gifts he was unaware he had. Whenever he was near, held, or kissed a person, they experienced great warmth and love. He had the same effect on animals, which had no fear of him and wanted to get close to him, much to the amazement of Dr. Woods and his family and bystanders. Martha fell in love with Bob, as did Julia, but Julia knew the difference in the ages between Bob and her made it impossible for them to ever marry. Bob fell in love with both Julia and Martha. Martha fell deeply in love with Bob and constantly tried to seduce him, believing when he did, he would marry her, even as young as they were. This book is about the life of Bob and how he reacted when he lost first his wife, Martha; his second wife, Julia; and finally his housekeeper, Peggy. He, finally, with the help of Peggy's

*The Sidekick Never Gets the Girl, Let Alone the Protag's Sister! Volume 2* - Toshizo  
2021-09-13

Kunugi Kou is in a bad place. The Ayase Hikari problem has been resolved, in theory, but the price he paid to do so was steep in both a physical and emotional sense, and many questions remain unanswered—questions that Kou, by and large, hasn't even thought to ask yet. Much as he'd love to return to his comfortable place in Kaito's shadow, the world isn't quite done making everyone's favorite wannabe sidekick suffer, and that's not even starting on the other world. Who exactly are Balrog and Rei? How did Kou meet them, and how are they involved in the trauma he still has yet to overcome? What social cues is Kou failing to read in his current world, and how will they come back to bite him in the ass? These questions and more may (or may not!) be answered in the ever-chaotic

Then he encountered Demi Sparks, his rival's daughter, and finally, he met his soulmate, Sienna Sullivan, and her half-sister Selene. Each of the five females has played a significant role in Tobie's life, and while some caused him deep pain, others healed him in more ways than one. As Tobias reflects on his past relationships, he realises that it is only through loss that he can truly appreciate the importance of life - and love.

[Kiss Me Penalties and Love You Bites](#) - Burke Ewing 2009-05-15

Summary The good news: There are over 60 million couples living together in the United States (not to mention those not living together). The bad news: Statistics show over 50% of those couples will break up. The problem: People get mad, stop talking and drift apart. The solution: A book with a simple philosophy and a technique that help couples communicate better, stay connected, love and laugh a lot more, as well as, a unique way of dealing with the annoyances, pet peeves and problems that occur within every relationship. "Kiss Me Penalties and Love You Bites: The Affection Connection" is a book that celebrates being in love that also teaches readers a simple and fun way to enjoy the everyday work involved in loving someone and how to end up happier by doing so. Unlike lengthy relationship books written by medical

professionals this one-of-a-kind book, written by a real couple with 20+ years of experience, is designed to be an easy read and a lighthearted, funny look inside a real relationship and a way of life that is obviously working. For years people have been asking Burke and Susan Ewing, "How could you possibly be so happy?" Usually followed by "You have such a great relationship. You're so lucky." Their reply, "Luck has nothing to do with it." It's work. Hard work sometimes but Burke and Susan have created a way of life that makes that work fun. Let's face it, stress surrounds us and sometimes we take it out on the ones we love. Not intentionally, of course, but stress seems to come out in the way we communicate with one another. Kiss Me Penalties and Love You Bites: The Affection Connection is for anyone out there looking for a creative way to communicate with his or her partner and a technique guaranteed to make them smile, making love less work, more fun.

**In the Image: A Novel** - Dara Horn 2003-09-17

A young woman's coming of age, a romantic love story, and a spiritual journey—each infused with the lessons of history. In the Image is an extraordinary first novel illuminated by spiritual exploration, one that remembers "a language, a literature, a held hand, an entire world lived and breathed in the image of God." Bill Landsmann, an elderly Jewish refugee in a New Jersey suburb with a passion for travel, is obsessed with building his slide collection of images from the Bible that he finds scattered throughout the world. The novel begins when he crosses paths with his granddaughter's friend, Leora, and continues by moving forward through her life and backward through his, revealing the unexpected links between his family's past and her family's future. Not just a

first novel but a cultural event—a wedding of secular and religious forms of literature—In the Image neither lives in the past nor seeks to escape it, but rather assimilates it, in the best sense of the word, honoring what is lost and finding, among the lost things, the treasures that can renew the present. Reading group guide included.
