

Gender Relationships In Marriage And Out

Rivkah Teitz Blau

Yirat Shamayim - Marc D. Stern 2008

Judaism, Science, and Moral Responsibility - Yitzhak Berger 2006

Judaism, Science, and Moral Responsibility is the fourteenth conference volume in the Orthodox Forum Series. Current scientific and moral trends stress the need for greater sensitivity to human dignity, but at the same time challenge the very structure and sanctity of traditional Jewish norms. The contributors in this work explore the issues of Judaism, science, and Jewish moral principles in a manner that should be of interest to the layman and scholar alike. The Forum Series provides a valuable and relevant resource, bringing the insights of Jewish thinkers to the fore in a rapidly changing society.

Carnal Israel - Daniel Boyarin 1993-09-17

Beginning with a startling endorsement of the patristic view of Judaism—that it was a "carnal" religion, in contrast to the spiritual vision of the Church—Daniel Boyarin argues that rabbinic Judaism was based on a set of assumptions about the human body that were profoundly different from those of Christianity. The body—specifically, the sexualized body—could not be renounced, for the Rabbis believed as a religious principle in the generation of offspring and hence in intercourse sanctioned by marriage. This belief bound men and women together and made impossible the various modes of gender separation practiced by early Christians. The commitment to coupling did not imply a resolution of the unequal distribution of power that characterized relations between the sexes in all late-antique societies. But Boyarin argues strenuously that the male construction and treatment of women in rabbinic Judaism did not rest on a loathing of the female body. Thus, without ignoring the currents of sexual domination that course through the Talmudic texts, Boyarin insists that the rabbinic account of

human sexuality, different from that of the Hellenistic Judaism and Pauline Christianity, has something important and empowering to teach us today.

Halacha and Contemporary Society - Alfred S. Cohen 1983

Rupture and Reconstruction - Haym Soloveitchik 2017-03

A cogent analysis of the development in orthodoxy that is often described as 'the swing to the Right', a rupture with pre-existing attitudes and patterns of behaviour that has had major consequences not only for Jewish society but also for the nature of Jewish spirituality. The consequent enshrinement of texts as the sole source of authenticity is explored in depth, along with its implications for religious performance, religious education, and the scope of religion in the political arena.

A Clever Title Goes Here - Mordechai Schmutter 2009

Jews & Gender - Nancy Anne Harrowitz 1995

A collection of essays, many translated into English for the first time, examines Weininger's influence and reception in Western culture, particularly his impact on important writers such as Ludwig Wittgenstein, Sigmund Freud, Franz Kafka, and James Joyce.

War and Peace in the Jewish Tradition - Lawrence H. Schiffman 2007

"With focus centered on the United States' involvement in Iraq and Israel's ongoing war with terrorism, the sixteenth annual meeting of the Orthodox Forum in March 2004 took up the question of War, Peace, and the Jewish Tradition, the papers of which are published here."--BOOK JACKET.

The Pleasant Way - Avrohom Pam 2001

Torah thoughts based on and adapted from the teaching of Rabbi Abraham Pam.

Understanding Judaism - Benjamin Blech

1992-09

Judaism is primarily a religion of actions rather than beliefs. When the Jewish people accepted God's covenant, they committed themselves first to obedience and practice, and then to striving to understand the message implicit in the Torah. In *Understanding Judaism: The Basics of Deed and Creed*, a perfect textbook for independent and classroom study, Rabbi Benjamin Blech presents a comprehensive explication of the Jewish faith. What does it mean to be a Jew? How does religion affect the ways in which Jewish people think and act? What are the basic concepts of Judaism? This volume answers these vital questions.

Gender Relationships in Marriage and Out - Rivkah Teitz Blau 2007

"The Orthodox Forum, which brings participants from around the world to an annual discussion on issues of concern to the Jewish community, focused at its 2005 gathering on "Gender Relations: In Marriage and Out." Presenters gave papers on the history of relationships from Talmudic times through the 19th century, on the sociology of the Jewish community today, on the halakhic questions people raise in the anonymity of the Internet, on the psychological and religious issues involved in single-hood and on how we might better prepare young people for adulthood. The concluding paper gives hope for the future; it is a Life Values curriculum for day schools from the early grades through high school."--BOOK JACKET.

The Female Pelvic Floor - Linda T. Brubaker 1996

This unique book brings together authors from many disciplines to focus on female pelvic floor problems, including the diagnosis and nonsurgical and surgical treatment of urinary and fecal incontinence, difficulties with defecation or urination, prolapse, and constipation. -- A practical guide written by clinicians who care for patients every day -- Information on nonsurgical management of urinary incontinence, vital for perioperative treatment of these patients -- New descriptions of the diagnosis and management of the posterior vaginal wall and anal sphincter, including anal ultrasound -- Covers surgical and nonsurgical treatment of prolapse disorders, including cystocele, rectocele, enterocele, and

rectal prolapse -- Includes the perspective of the gynecologist, urologist, colon and rectal surgeon, and others -- Useful for clinicians, students, residents, and fellows

The Mathematical Pamphlets of Charles Lutwidge Dodgson and Related Pieces - Lewis Carroll 1994

Between 1860 and 1897 Charles Lutwidge Dodgson, known to the ages as Lewis Carroll, produced over 180 booklets, leaflets, pamphlets, and instruction manuals. Varying radically in length and subject matter, they testify to Dodgson's unparalleled creativity and eclecticism. This volume, second in a series, concentrates on Dodgson's career as mathematical lecturer of Christ Church, Oxford. Most of the material collected here has not appeared in print since the author's lifetime. Appearing in chronological order by mathematical subject, each section is preceded by an introductory essay providing background information to assist both the general reader and the specialist. Several aspects of Dodgson's personality as well as important events in the Victorian period that influenced his views and the mathematical topics he chose to write about are discussed in the general introduction.
Rav Pam - Shimon Finkelman 2003

Marriage, Sex, and Family in Judaism - Michael J. Broyde 2005

Marriage, Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives, focusing on the religious and legal concepts of marriage, and the social impact of family in the Jewish community. The book does not advocate one perspective or another; instead, the essays range from conservative to liberal viewpoints, offering readers a well-balanced mixture of perspectives on Jewish marriage.

The Conceptual Approach to Jewish Learning - Yosef Blau 2006

Cousin Sadie - Daisy Anderton 1920

Sex in Antiquity - Mark Masterson 2018-02-05
Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives, as represented in a variety of media, *Sex in Antiquity* represents a vibrant

picture of the discipline of ancient gender and sexuality studies, showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide

rich consideration of those areas but also provide a comparative perspective not often found in such collections. Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies.

Jewish Spirituality and Divine Law - Adam Mintz 2005

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures - 1986

Vols. for 1969- include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969-
