Girls with Dreams - Natasha Ravinand 2018-01-14

The turn of the twenty-first century has proven humankind's genius. Technology is at its height - space exploration, stem cell research, and self-driving cars are all normal occurrences. However, there happens to be a problem of incredible magnitude rising quickly in the tech sector: only 29% of science or engineering workers are female, and even less are of minority races. A high school girl with a passion for STEM (Science, Technology, Engineering, and Math), Natasha Ravinand has dedicated most of her teen life to closing the gender gap in tech. In GIRLS WITH DREAMS, she analyzes societal biases that enlargen the gender gap in

Generation Spice Girls - Nynne Hein Møller
2021-09-13

Generation Spice Girls er den første seriøse behandling på dansk af et af musikhistoriens allerstørste popfænomener: Spice Girls. De brød igennem for 25 år siden og var alle vegne på ingen tid, og i dag står de som et ikonisk billede på 90'erne. Bogen er et dobbeltportræt af Spice Girls og deres fans. Den fortæller om Spice Girls' plads i musikhistorien, om skabelseshistorien, den hårde og sexistiske behandling, de var udsat for i pressen, deres image, Girl Power-sloganet (feminisme for børn eller kommerciel tagline?), Geris exit og reunion-koncerterne, og den fortæller om, hvordan det hele så ud fra de unge fans' perspektiv. I 90'erne talte alle de voksne om, hvilken indflydelse Spice Girls havde på børnene. Nu er børnene voksne og kan selv fortælle om at blive revet med af Spice Girls-energien, om at "optage" musikvideoer i

skolegården og optræde til lookalike-konkurrencer i Danmarks storcentre. 11 kendte danskere - Sandie Westh, Fallulah, Louise "Twerk Queen" Kjølser, Geeti Amiri, Rosa Lund, Selina Gin, Mathias Helt, Natasha Al-Hariri, Anya, Maria Jencel, Katinka - repræsenterer Generation Spice Girls og reflekterer i bogen over, hvordan Spice Girls' budskaber om Girl Power og fællesskab har præget dem. Bogen er gennemillustreret med Spice Girls-fotos, merchandise og autentisk fan-art samt aldrig før viste private billeder af danske fans, som vil føre enhver fra Generation Spice Girls direkte tilbage til den ømme tveentid i 90'erne.

What Would the Spice Girls Do? - Lauren Bravo 2018-10-18

The perfect gift for the Spice Girls fan in your life! 'Lauren Bravo is one of my very favourite writers.' Dolly Alderton 'A joyous and energetic celebration of girlhood, friendship and pop culture. If you have ever sung into the lid of a can of Impulse body spray, you need to read

this.' Daisy Buchanan The words 'girl power' conjure vivid memories of short skirts and platform boots. But it wasn't just about the look, it was about feminism. The Spice Girls gave a generation their first glimpse of the power of friendship, of staying true to yourself, of sheer bloody-mindedness. And the girl power generation went on to kick-start a new conversation around gender equality. We may have grown up asking What Would the Spice Girls Do?, but their particular brand of feminism is as relevant today as it was twenty years ago - we still need that fun and fearlessness, we still need accessible and all-embracing equality... we still need a zig-a-zig-ah. 'The Spice Girls' arrival on the pop scene marked the gateway to a modern form of feminism, all dressed up as a riotously good time.' Stylist As featured in Elle magazine's Best Feminist Gift Books

their writing and for their historical role in the mid-century arts scene. This collection of essays reopens and revises the Beat canon, Beat history, and Beat poetics; it is an important contribution to literary criticism and history."- Jennie Skerl, author of *A Tawdry Place of Salvation: The Art of Jane Bowles* "Ronna Johnson and Nancy Grace have done an invaluable service for students of American literature: their collection begins with an essential essay about the three generations of Beat women and then provides fine contributions by critics Anthony Libby, Linda Russo, Maria Damon, Tim Hunt, and others. The value of this book is so clear one must wonder why it wasn't available much earlier."-Linda Wagner-Martin, University of North Carolina, Chapel Hill What do we know about the women who played an important role in creating the literature of the Beat Generation? Until recently, very little. Studies of the movement have effaced or excluded women writers, such as Elise

Cowen, Joyce Johnson, Joanne Kyger, Hettie Jones, and Diane Di Prima, each one a significant figure of the postwar Beat communities. Equally free-thinking and innovative as the founding generation of men, women writers, fluent in Beat, hippie, and women's movement idioms, partook of and bridged two important countercultures of the American mid-century. Persistently foregrounding female experiences in the cold war 1950s and in the counterculture 1960s and in every decade up to the millennium, women writing Beat have brought nonconformity, skepticism, and gender dissent to postmodern culture and literary production in the United States and beyond. Ronna C. Johnson is a lecturer in the departments of English and American Studies at Tufts University. Nancy M. Grace is an associate professor in the department of English and director of the Program in Writing at The College of Wooster in Ohio. She is the author of *The Feminized Male Character in Twentieth-Century Literature*.

Township Girls - Farai Mpisaunga Mpofu

2019-06-18

This anthology comprises the stories of 31 women who grew up in two countries, Zimbabwe prior to Independence and Zimbabwe post-1980. The contributors reflect on their childhoods with refreshing candour. Many of their memories retain the crystalline clarity of childhood and thus provide insights into worlds that have often remained unexplored. Behind these women stood dedicated, hard-working parents - often teachers, nurses or businessmen and women - determined that their children succeed through education. The commitment of this emerging middle class provides us with a tragic reminder of the negative obduracy of the colonial regime which consistently denied such citizens the vote. Nonetheless, we are repeatedly reminded not of the dark side of an essentially racist regime, but of the joys of a secure childhood when parents and communities were steadfast in their values, and families consistently offered

stability and security. Few will read Township Girls: The Cross-Over Generation without feeling that they have learned something new and been invited into a different world.

Excerpt: Girls' Generation (Korean: , Hanja/Kanji: Sonyeo Sidae, Sh jo Jidai) is a nine-member South Korean girl group formed by S.M. Entertainment in 2007. The nine members are: Taeyeon (Leader), Jessica, Sunny, Tiffany, Hyoyeon, Yuri, Sooyoung, Yoona and Seohyun. They are often referred to as SoShi (, Hanja:), or SNSD, the first of which is an abbreviation and the second, mainly used outside Korea, is an acronym of the group's Korean name So Nyuh Shi Dae. The group has released two Korean full albums, three Korean mini-albums, one Japanese full album and various singles. Their 2009 hit single "Gee" holds the record for being the longest running No.1 song on KBS's Music Bank, having held the No.1 chart ranking for 9 consecutive weeks. Gee

was named song of the decade by the Korean music site, Melon. The group also won various awards in 2009 and 2010, including consecutive Artist of the Year (Daesang) awards at the Seoul Music Awards, Golden Disk Awards, Melon Music Awards, and the Korean Cultural Entertainment Awards. The group began a foray into the Japanese music scene in late 2010 under Nayutawave Records, a part of Universal Music, with the Japanese remakes of their 2009 Korean hits "Tell Me Your Wish (Genie)" and "Gee." 2009 saw the group reach considerable success in Korea after winning the prestigious Disk Daesang (Album of the Year), Seoul Music Awards, and Melon Music Awards respectively. Mitzvah Girls - Ayala Fader 2009-07-20
Mitzvah Girls is the first book about bringing up Hasidic Jewish girls in North America, providing an in-depth look into a closed community. Ayala Fader examines language, gender, and the body from infancy to adulthood, showing how Hasidic

girls in Brooklyn become women responsible for rearing the next generation of nonliberal Jewish believers. To uncover how girls learn the practices of Hasidic Judaism, Fader looks beyond the synagogue to everyday talk in the context of homes, classrooms, and city streets. Hasidic women complicate stereotypes of nonliberal religious women by collapsing distinctions between the religious and the secular. In this innovative book, Fader demonstrates that contemporary Hasidic femininity requires women and girls to engage with the secular world around them, protecting Hasidic men and boys who study the Torah. Even as Hasidic religious observance has become more stringent, Hasidic girls have unexpectedly become more fluent in secular modernity. They are fluent Yiddish speakers but switch to English as they grow older; they are increasingly modest but also fashionable; they read fiction and play games like those of mainstream American children but theirs have

Orthodox Jewish messages; and they attend private Hasidic schools that freely adapt from North American public and parochial models. Investigating how Hasidic women and girls conceptualize the religious, the secular, and the modern, *Mitzvah Girls* offers exciting new insights into cultural production and change in nonliberal religious communities.

A Girl Stands at the Door - Rachel Devlin
2018-05-15

A new history of school desegregation in America, revealing how girls and women led the fight for interracial education The struggle to desegregate America's schools was a grassroots movement, and young women were its vanguard. In the late 1940s, parents began to file desegregation lawsuits with their daughters, forcing Thurgood Marshall and other civil rights lawyers to take up the issue and bring it to the Supreme Court. After the *Brown v. Board of Education* ruling, girls far outnumbered boys in volunteering to desegregate formerly all-white

Highlighting the extraordinary bravery of young black women, this bold revisionist account illuminates today's ongoing struggles for equality.
