Girl for Sale - Lara McDonnell 2015-04-23

At the vulnerable age of 12, Lara McDonnell was picked out by a gang of men who befriended her, showered her with attention and gained her trust. Manipulated and groomed, her life quickly spiralled out of control as the men trafficked her around the country, deliberately keeping her compliant with drink and drugs. Deeply disturbed, and frightened about what the gang would do to her if she tried to break free, it would take over 4 years for Lara to find the strength to fight back, flee Oxford and escape her nightmare. This is her heartbreaking story.

Paedophilia and Child Sexual Abuse in Drama and Theatre - Daniel Meyer-Dinkgräfe 2019-01-10

In many Western countries, numerous instances of cases of historical and present-day sexual abuse of children (Child Sexual Abuse, CSA) have made the headlines across the entire range of media. These cases are discussed variously as paedophilia and child sexual abuse. In the heat of the debate, concepts and related terminology tend to become at best vague, and there is much in the way of sheer sensationalism. Altogether, a hazy cloud of facts and fiction has been created around paedophilia in its relation to CSA. This book adds to the very urgently needed enhanced level of understanding by analysing the nature of paedophilia and its relation to CSA as they have been depicted and dealt with in contemporary British and American drama and theatre. Drawing on the plays and their reviews allows it to illustrate the ambiguity of paedophilia and child sex abuse, and to ask questions that are not often uttered and not easily answered.

The Prosecutor - Nazir Afzal 2020-04-16

The outsider who transformed our justice system Nazir Afzal knows a thing or two about justice. As a Chief Prosecutor, it was his job to make sure the most complex, violent and harrowing crimes made it to court, and that their perpetrators were convicted. From the Rochdale sex ring to the earliest prosecutions for honour killing and modern slavery, Nazir was at the forefront of the British legal system for decades. But his story begins in Birmingham, in the sixties, as a young boy facing racist violence and the tragic death of a young family member - and it's this that sets him on the path to his groundbreaking career, and which enables him to help communities that the conventional justice system ignores, giving a voice to the voiceless. A memoir of struggle and survival as well as crime and punishment, *The Prosecutor* is both a searing insight into the justice system and a powerful story of one man's pursuit of the truth.

Exploited - Emma Jackson 2012

'If you read the papers, you'd think that the only girls to get hooked are from dysfunctional families. But what happened to me could happen to anyone. Your child, your sister, your friend - even yourself if you are young and naive enough, like I was' Emma was just 13 when her happy childhood came crashing down. A nice girl from a good home, she had no idea the young lads she and her friends met every Saturday in the shopping mall weren't all they seemed. The boys were part of an organised child sexual exploitation gang targeting innocent young girls, grooming them for prostitution. Captivated by the ring leader, and the alcohol and drugs he freely handed round, Emma didn't see the first brutal rape coming. From that moment, her life was never her own. Emma found herself drawn into a trap of degradation and violence, frightened for her life and not knowing where to turn. But "Exploited" is also the story of how she found the courage and inner strength to risk everything, and escape. "Exploited" is an updated edition of Emma's book "The End of My World" - brought bang up to date with a brand new chapter.

come to me one by one. This is the shocking true story of how a young girl from Rochdale came to be Girl A - the key witness in the trial of Britain's most notorious child sex ring. Girl A was just 14 when she was groomed by a group of nine Asian men. After being lured into their circle with free gifts, she was plied with alcohol and systematically abused. She was just one of up to fifty girls to be 'passed around' by the gang. The girls were all under-16 and forced to have sex with as many as twenty men in one night. Please, Let Me Go - Caitlin Spencer 2017-08-24

'I was trapped. I'd been raped so many times, abused by hundreds, if not thousands. They could have left every door open and it would have made no difference. And I always came back - they always brought me back.' From the age of 14, Caitlin was controlled, raped, sold and passed on to new gangs across the UK over and over again. Her abusers were blatant in their attacks upon her, often collecting her from school or home, to be taken to flats they owned, family homes, or hotels booked for the day, to be horrifically and systematically abused. Having finally escaped, *Please, Let Me Go* is Caitlin's shocking story of abuse and survival.

Pimped - Samantha Owens 2019-03-21

By the age of thirteen, vulnerable Sheffield teenager Samantha Owens had fallen through the cracks in the care system. Bounced around numerous foster carers after her home life became too chaotic, Samantha thought she had found a friend in the streetwise Amanda Spencer. The older girl bought her clothes, styled her hair and found her places to stay. Samantha's welfare was the last thing on Spencer's mind, however, as in reality she was grooming the young girl for exploitation of the worst possible kind. Over the course of the next few months, Samantha was plied with alcohol and drugs and pimped out to over fifty men for Spencer's gain. Raped, abused, and with no chance of escape, Samantha was at the mercy of the calculating, ruthless and intimidating Spencer. It took a police investigation of two years to bring her and a small gang of cohorts to justice and, in 2014, Spencer was jailed for twelve years. With her abusers in jail, and Samantha bravely rebuilding her life, her shocking story is a stark warning to those who believe child sexual abuse follows any set pattern.

I Never Gave My Consent - Holly Archer 2016-07-28

In 2013, a series of high-profile court cases sent shockwaves through the West Midlands town of Telford. Seven men, all from the town's Pakistani heritage community, were jailed for selling vulnerable young girls for sex. The convictions made national news, but for one girl the chilling headlines were all too real. Holly Archer was just fourteen when her life changed forever after becoming embroiled in a frightening web of exploitation and abuse. Enduring countless violent rapes and death threats, she was forced to sleep with several men a night. As her abusers' grip tightened, she fell into despair, twice becoming pregnant. Hours after her last GCSE exam, Holly took an overdose in a desperate attempt to end the nightmare that had become her life. Her escape eventually came when, old enough to leave home, she fled to Birmingham. She moved house every six months, fearing her abusers would hunt her down. She eventually found the strength to return to Telford shortly after giving birth to a daughter, around the same time the police launched an investigation into the exploitation of young girls in the town. She underwent hours of rigorous police interviews but in the end decided she could not face her abusers in court. Nonetheless, seven men were convicted of sex offences and jailed as a result of the investigation. Holly slowly began to pick up the pieces of her life and was given a job with a rape prevention charity. Having survived her ordeal, she now tells her full, shocking story for the first time. *I Never Gave My Consent* is a courageous yet uplifting memoir of someone who faced the cruelest of circumstances. Perfect for readers of Cathy Glass.

Broken and Betrayed - Jayne Senior 2016

For 14 years, Jayne Senior tried to help girls from Rotherham who had

been groomed, raped, tortured, pimped, and threatened with violence by sex traffickers. As the manager of Risky Business, which was set up to work with vulnerable teens, she heard heart-breaking and shocking stories of abuse and assiduously kept notes and details of the perpetrators, passing information on to the authorities in the belief that they would do something. Eventually, when she lost hope that the authorities would take action against the gangs she had identified as the abusers, she became a whistleblower for the Times investigative reporter Andrew Norfolk. Now, in her powerful memoir, she describes a life spent working to protect Rotherham's girls, the pressure put on her to stop rocking the boat, and why she risked prison in the hope that she could help end the appalling child exploitation in that town.

Ten Things Video Games Can Teach Us - Jordan Erica Webber 2017-08-17

WOULD YOU KILL ONE PERSON TO SAVE FIVE OTHERS? If you could upload all of your memories into a machine, would that machine be you? Is it possible we're all already artificial intelligences, living inside a simulation? These sound like questions from a philosophy class, but in fact they're from modern, popular video games. Philosophical discussion often uses thought experiments to consider ideas that we can't test in real life, and media like books, films, and games can make these thought experiments far more accessible to a non-academic audience. Thanks to their interactive nature, video games can be especially effective ways to explore these ideas. Each chapter of this book introduces a philosophical topic through discussion of relevant video games, with interviews with game creators and expert philosophers. In ten chapters, this book demonstrates how video games can help us to consider the following questions: 1. Why do video games make for good thought experiments? (From the ethical dilemmas of the Mass Effect series to 'philosophy games'.) 2. What can we actually know? (From why Phoenix Wright is right for the wrong reasons to whether No Man's Sky is a lie.) 3. Is virtual reality a kind of reality? (On whether VR headsets like the Oculus Rift, PlayStation VR, and HTC Vive deal in mass-market hallucination.) 4. What constitutes a mind? (From the souls of Beyond: Two Souls to the synths of Fallout 4.) 5. What can you lose before you're no longer yourself? (Identity crises in the likes of The Swapper and BioShock Infinite.) 6. Does it mean anything to say we have choice? (Determinism and free will in Bioshock, Portal 2 and Deus Ex.) 7. What does it mean to be a good or dutiful person? (Virtue ethics in the Ultima series and duty ethics in Planescape: Torment.) 8. Is there anything better in life than to be happy? (Utilitarianism in Bioshock 2 and Harvest Moon.) 10. How should we be governed, for whom and by who? (Government and rights in Eve Online, Crusader Kings, Democracy 3 and Fable 3.) 11. Is it ever

THE SHOCKING TRUE STORY BEHIND THE HIT TV DRAMA THREE GIRLS When detective Maggie Oliver first discovered that children as young as 10 were being groomed, abused and trafficked for sex by gangs of men in the Rochdale area, she felt like a lonely voice calling for people to act. Banging on closed doors, it seemed that nobody was able or willing to help her save these vulnerable girls, but she couldn't just sit back while countless lives were being destroyed forever in plain sight. Instead, she launched a one-woman campaign to bring down these sickening gangs. This is the heart-breaking and shocking story of how the actions of one determined detective secured convictions in what is now one of the most notorious grooming cases in the UK.
