

Greek Homosexuality

The Greeks and Greek Love - James N. Davidson 2008
Greece.

A Problem in Greek Ethics - John Addington Symonds
2002-04

Homosexuality in the Ancient World - Wayne R. Dynes 1992

This book is a collection of essays focusing on homosexual behavior in Mesopotamia, Egypt, Ancient Greece, and Ancient Rome.

Greek Homosexuality - K. J. Dover 2016-05-19

Hailed as magisterial when it first appeared, Greek Homosexuality remains an academic milestone and continues to be of major importance for students and scholars of gender studies. Kenneth Dover explores the understanding of homosexuality in ancient Greece, examining a vast array

of material and textual evidence that leads him to provocative conclusions. This new release of the 1989 second edition, for which Dover wrote an epilogue reflecting on the impact of his book, includes two specially commissioned forewords assessing the author's legacy and the place of his text within modern studies of gender in the ancient world.

Foucault, Sexuality, Antiquity - Sandra Boehringer 2022-06-23
Foucault, Sexuality, Antiquity, published for the first time in English, takes an interdisciplinary approach to exploring how the work of Michel Foucault has influenced studies of ancient Greece and Rome. Foucault's *The History of Sexuality* has had a profound and lasting impact across the humanities and social sciences. In the two volumes dedicated to pagan antiquity, Foucault

provided scholars with new questions for addressing ancient Greek and Roman societies, and an original epistemological framework for thinking about eroticism and about the processes by which individuals are led to recognize themselves as the subjects of their desires. Now, decades later, the scholars in this volume explore Foucault's role in shaping and reorienting discussions of antiquity in the fields of philosophy, gender studies, and psychoanalysis, among others. A multidisciplinary exploration of Foucault's work and its relationship to our understanding of ancient Greco-Roman societies, Foucault, Sexuality, Antiquity will be of interest to students and scholars in classical studies, philosophy, gender studies, and ancient history. *One Hundred Years of Homosexuality* - David M Halperin 2012-07-26 Halperin's subject is the erotics of male culture in ancient Greece. Arguing that the modern concept of

"homosexuality" is an inadequate tool for the interpretation of these features of sexual life in antiquity, Halperin offers an alternative account that accords greater prominence to the indigenous terms in which sexual experiences were constituted in the ancient Mediterranean world. Wittily and provocatively written, Halperin's meticulously drawn windows onto ancient sexuality give us a new meaning to the concept of "Greek love."

Female Homosexuality in Ancient Greece and Rome -

Sandra Boehringer 2021-09-06 This groundbreaking study, among the earliest syntheses on female homosexuality throughout Antiquity, explores the topic with careful reference to ancient concepts and views, drawing fully on the existing visual and written record including literary, philosophical, and scientific documents. Even today, ancient female homosexuals are still too often seen in terms of a mythical, ethereal Sapphic love, or stereotyped as

Downloaded from
legacy.opendemocracy.net
on 2022-12-31 by guest

"Amazons" or courtesans. Boehringer's scholarly book replaces these clichés with rigorous, precise analysis of iconography and texts by Sappho, Plato, Ovid, Juvenal, and many other lyric poets, satirists, and astrological writers, in search of the prevailing norms, constraints, and possibilities for erotic desire. The portrait emerges of an ancient society to which today's sexual categories do not apply—a society "before sexuality"—where female homosexuality looks very different, but is nonetheless very real. Now available in English for the first time, *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin. This book will be of value to students and scholars of ancient sexuality and gender, and to anyone interested in histories and theories of sexuality.

Greek Homosexuality - Kenneth James Dover 1989

To what extent and in what ways was homosexuality approved by the ancient

Greeks? An eminent classicist examines the evidence—vase paintings, archaic and classical poetry, the dialogues of Plato, speeches in the law courts, the comedies of Aristophanes—and reaches provocative conclusions. A discussion of female homosexuality is included.

Homosexuality in Greek Myth - Bernard Sergent 1986

Arguing that homosexuality of the classical era grew out of the prehistorical practice of initiatory homosexuality, Sergent examines initiation rites in a wide variety of ancient cultures, particularly in Crete and among a group of Germanic peoples. In these two cultures, a sexually active adult, the erastes, was the mentor/suitor of an adolescent boy, the eromenos. The boy was ritualistically kidnapped and then lived in the wild for a prescribed period, during which time the erastes taught him to hunt and slept with him. Killing a boar or bear - the final trial - qualified the eromenos as a hunter and signified his ascent to adult status. To

on 2022-12-31 by guest

illustrate his compelling thesis, Sergent provides an exhaustive survey of the Greek myths, demonstrating that the homosexual relationships of male gods and heroes follow a similar pattern of ritual initiation.

Strong Women, Strong Men. Greek "Homosexuality" and its Context - Sven Klees

2019-06-04

Essay from the year 2017 in the subject Sociology - Gender Studies, grade: 1,3, , language: English, abstract: This paper aims to offer an explanation for the fact that "homosexuality" as we would label it today, the sexual intercourse between two individuals of the male sex, was condoned – at least in a polis such as Athens – and even developed into some kind of social institution that carried adolescent boys over to manhood. The most difficult thing about conducting an analysis about the ancient Greek world is that it has been interpreted differently and in contradictory ways by different scholars. It is therefore easy to lose one's way as the evidence

in the form of literary works and visual art (usually vases) is contradictory in itself and does not inform straightforward analysis. It will be argued that male-male sexual intercourse is a manifestation of Greek polis' societies' rigid division into a "domestic" sphere, in which the leading female figure seems to be the dominant figure and a 'public' sphere that was almost exclusively reserved for males. In other words, male-male intercourse is the public domain's equivalent of male-female intercourse in the domestic sphere. In a second step, the idea of male-male sexual acts as an in-between stage of boyhood and manhood will be reviewed. This idea has to be accepted as long as there is no strong scientific evidence that contradicts the hypothesis. At least, some objects of visual art are likely to be proof of such a custom. Lastly, article by Lin Foxhall is analyzed and interpreted that although being less recent, offers an alternative to depicting women as generally inferior to their husband. Rather it suggests

*Downloaded from
legacy.opendemocracy.net
on 2022-12-31 by guest*

the opposite, at least with regard to the "domestic" sphere. This perspective is able to show that the two different spheres can offer an explanation of sexual activity between male and female individuals, that is husband and wife, in the "domestic" sphere, and two males in the "public" sphere.

Greek Homosexuality - K. J. Dover 1989

Greek Homosexuality - Kenneth James Dover 2016

Homosexuality in Ancient Athens - Joseph R. Laurin 2005
Homosexuality in Ancient Athens is a brief, yet comprehensive and thoroughly documented history of the life style of men and women during the Classical period of the fifth and fourth centuries BCE in Athens, Greece. The references to ancient literary and iconographic sources and to modern literature are collected by chapters as follows: Definitions, Mythical Origin of Man, Men's Sexual Life Style, Homosexuality, Pederasty,

Effeminacy, Lesbianism, Men's Friendship and Sexual Reality. A select Bibliography and Index follow the 173 pages of text, illustrated by two maps and eight reproductions of ancient paintings on vases. This book is an offshoot of *Women of Ancient Athens* published recently by the same author. *Homosexuality in Ancient Athens* is dedicated to all readers who desire to know more about the homosexual life style of the ancient Athenian men and women. Their history is unique in many ways, always intriguing and fascinating. This scholarly book is perfectly suited for libraries for adults and for academic reference centers as well as leading bookstores carrying English titles. Its Print-on-Demand access contributes to a wider distribution at a lower price. A quiz, for no grade or credit, just for fun! 1. Did the playwright Aristophanes and the philosopher Aristotle know each other in Athens? Yes ___ or No ___ 2. Were the terms "homosexual" and "lesbian" created by the Greeks of the

Classical period? Yes ___ or No ___ 3. Was Cornelius Celsus of the first century CE first to write a treatise on venereal diseases? Yes ___ or No ___ 4. Was The dialogue "Symposium" written about love by Aristophanes ? Yes ___ or No ___ 5. Was the hero Achilles younger than his friend Patroclus? Yes ___ or No ___ 6. Did Aristotle object to the practice of pederasty when he wrote his Nicomachean Ethics? Yes ___ or No ___ 7. Did Nicomachus succeed his father Aristotle as director of the Lyceum of Athens? Yes ___ or No ___ 8. Did Socrates live before Jesus? time? Yes ___ No ___ If you need some help, please find the answers below in "Excerpts" section.

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West - Beerte C. Verstraete
2014-05-01

New and surprising insights into homoeroticism of times past In ancient times, the Greek god Eros personified both heterosexual and

homosexual attractions. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West explores the homosexual side of the vanished civilizations of Greece and Rome, and the resulting influence on the Classical tradition of the West. Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world. Iconography such as vase decoration and carved gemstones is presented in photographs, and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West lays to rest the myths generally accepted as truth about Greco-Roman views on homosexuality and brings fresh insights to philological and historical scholarship. This book provides nuanced, humanistic discussions on the common phenomena of same-

sex desire. Topics include Greek pederasty and its origins, the Greek female homoeroticism of Sappho, homosexuality in Greek and Roman art and literature, and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century. The text is extensively referenced and includes helpful notation. Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West provides a comprehensive table of abbreviations, subject index, and index of names and terms. It discusses in detail: the integral role athletic nudity played in athlete-trainer pederasty the central role of pederasty in Greek history, politics, art, literature, and learning tracing the history of the Ganymede myth how the athletic culture of Sparta contributed to the spread of pederasty in Greece homosexuality in Boeotia in contrast to the rest of Greece the homoeroticism of Sappho

dispelling generally accepted myths prevalent about Roman sexuality Roman visual representations of homosexuality as evidence of prevailing attitudes homoerotic connotations in literature and philosophy of the Italian Renaissance the effect of German classical philology on gay scholarship English Romantic poets and the importance of male love in their lives the Uranians' use of allusions and themes from ancient Greece the building of intellectual community through gay print culture—through the use of Greece and Rome as models and more Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists, specialists in gender/sexuality studies, humanists interested in the classical tradition in Western culture, psychologists, and other social scientists in human sexuality.

Images of Ancient Greek Pederasty - Andrew Lear

2009-06-02

Downloaded from
legacy.opendemocracy.net
on 2022-12-31 by guest

This lavishly illustrated book brings together, for the first time, all of the different ways in which vase-painting portrays or refers to pederasty, from scenes of courtship, foreplay, and sex, to scenes of Zeus with his boy-love Ganymede, to painted inscriptions praising the beauty of boys. The book shows how painters used the language of vase-painting to cast pederasty in an idealizing light, portraying it as part of a world in which beautiful elite males display praiseworthy attitudes, such as moderation, and engage in approved activities, such as hunting, athletics, and the symposium. The book also incorporates a comprehensive catalogue of relevant vase-paintings, compiled by noted archaeologist Keith DeVries. It is the most comprehensive treatment available of an institution that has few modern parallels.

A Problem in Greek Ethics -

John Addington Symonds

2021-04-25

A Problem in Greek Ethics is a book by John Addington

Symonds. It tackles some ancient Greek traditions where young boys were judged appealingly superior to women or adult men.

Pederasty and Pedagogy in Archaic Greece - William A. Percy 1996

Combining impeccable scholarship with accessible, straightforward prose, Pederasty and Pedagogy in Archaic Greece argues that institutionalized pederasty began after 650 B.C., far later than previous authors have thought, and was initiated as a means of stemming overpopulation in the upper class. William Armstrong Percy III maintains that Cretan sages established a system under which a young warrior in his early twenties took a teenager of his own aristocratic background as a beloved until the age of thirty, when service to the state required the older partner to marry. The practice spread with significant variants to other Greek-speaking areas. In some places it emphasized development of the athletic, warrior individual, while in

on 2022-12-31 by guest*

others both intellectual and civic achievement were its goals. In Athens it became a vehicle of cultural transmission, so that the best of each older cohort selected, loved, and trained the best of the younger. Pederasty was from the beginning both physical and emotional, the highest and most intense type of male bonding. These pederastic bonds, Percy believes, were responsible for the rise of Hellas and the "Greek miracle": in two centuries the population of Attica, a mere 45,000 adult males in six generations, produced an astounding number of great men who laid the enduring foundations of Western thought and civilization.

Homosexuality in Greece and Rome - Thomas K. Hubbard 2003-05-12
Important primary texts on homosexuality in ancient Greece and Rome are translated into modern, explicit English and collected together in this comprehensive sourcebook. Covering an

extensive period, the volume includes writings by Plato, Sappho Aeschines, Catullus and Juvenal.

Greek Homosexuality - Kenneth James Dover 1997

The Construction of Sexual and Cultural Identities -

Constantinos N. Phellas
2018-05-08

This title was first published in 2002: Ethnicity, culture and sexual orientation are salient aspects of human identity. While diversity adds richness to the threads of our human tapestry, minorities often feel vulnerable with open disclosure and retreat from exposures they fear could leave them in jeopardy. This is especially so with gay men of colour. Xenophobia, homophobia and fear of HIV/AIDS combine to make our society a difficult one for gay men of colour. This book explores a broad range of culture-related topics specific to the experience of Anglo-Cypriot men resident in Britain who have sex with men. Along with empirical, clinical and

Downloaded from
legacy.opendemocracy.net
on 2022-12-31 by guest

theoretical discussions, the inclusion of personal accounts offers poignant insight into additional complexities,

pressures and losses that gay men of colour must cope with in a world that often handles diversity with the closed fist of bigotry.
