Lesbians Rock Volume 3 - Ann Patterson
2013-11

Ordinary lives of women loving women. Stories of lesbians of all ages and walks of life as they celebrate gentle romances, loving, dealing with problems, illness, prejudice, death, while having playful adventures as they share their love and life on a daily basis, falling more in love as each day passes. "Kia smiled as she acknowledged that final wave by Sonja. She already knew in her heart the girl who waved was extra special to her. Living in Los Angeles where people were distant and different, Kia had been friends with a girl who said she was a lesbian and explained what she felt inside her heart that made her believe she saw boys differently than her "girl

crazy" girlfriends. She and Kia had remained friends in high school and in the neighborhood, but Kia had never felt what the friend described until now. She had gone on dates with boys and had a good time but never felt the desire and need for "making out" just for the fun of it. Yes, she had kissed a boy; on the other hand, she turned down his request to "go steady" with him and wear his class ring around her neck. She had no interest in being "chained" to him or any boy." "After setting her briefcase on the hood of Kia's car, Ms. Shaw turned to them. "Sonja, Kia, I am concerned about you. I want both of you to know that if you ever need to talk to somebody who understands your relationship, please know I'll be in your court. I am aware of some remarks being made behind your backs and I worry about you." She hesitated for a response from them." "Tess let her thoughts settle before she spoke. "Donna, I want to spend more time with you before we just hop in bed. I believe that step in a relationship is too important to take lightly. So

far, I've not chosen to have sex with anyone. I want my first time, with you or whoever, to be because it's love, the lasting kind, not just an acquaintance. I know my mind is on you all the time and you bring up wonderful feelings in me, but let's wait a little longer." She looked into Donna's eyes." "Rose enjoyed the warmth of Charlotte's hug and how tightly her arms wrapped around her, pulling her close. After a few moments she loosened her arms thinking the hug had been long enough, but Charlotte's arms held strong, so Rose tightened her arms around Charlotte a second time. Rose smiled as she recognized Charlotte's lasting hug was filled with the special love that lifelong, heartfelt friendship can bring." "Trina smiled and followed Kay to the bedroom. Kay turned to kiss her slowly and long while removing her shirt and jeans then together, they lay on the bed. "Trina, you're already precious to my heart." She continued to make love to Trina, to give sweet pleasures that Trina had never known before.

Kay knew how wonderful the loving could be and wanted Trina to know, not just what she had missed in the adult years of her life, but also what loving could be like if the two women became one in love for the rest of their lives." "She kissed the wrinkles on Marge's forehead. "And, I'm falling in love. The feelings of excitement swirling through me are amazing." Marge opened her eyes and smiled. Lucy kissed her softly, then again with the passion building up inside her. "Old ladies like us love just as passionately with great emotion as the youngsters around us." She placed her hand on the side of Marge's face and kissed her until their tongues danced together. "Tess smiled and looked straight into Donna's eyes. "That's the way to be. Of course, I don't speak from personal experience. I haven't been in a relationship. There just weren't places to meet very many lesbians. Those I met when I went to the only bar in town, I realized, were more focused on their drinking instead of living. And, I knew I

didn't need an alcoholic in my life. I don't have a problem with having a drink or two, but when a person swigs down one after another every time they sit at a bar, I see trouble."

8000 words of lesbian sex, erotic teasing, drunken debauchery! Get Book 1 in this Black Lesbian Romance Series Nadia's eyes opened, and she looked up to see, feel, Lena's face just inches from hers'. Her heart raced, as the older

woman stood up, smiling at her, standing over her. Lena had changed out of the business casual outfit she had worn to work and the bar, and into... Nadia couldn't pull her eyes away. She had worn a white babydoll with a lacy bra and a slit down the front. The cups of the bra were translucent, showing that she had nipple piercings. Her panties were sexy and lacy, the sides of them visible. Her curves obviously also included a hint of chubbiness, but it was worn well; the woman was clearly confident. Around her navel was a tattoo in the shape of a sun, and the lights which Nadia hadn't bothered to turn off showed her caramel skin contrasting with her lingerie. Nadia sat up, confused as Lena looked down at her. Nadia was still weary, her eyes blurry, not that she couldn't even believe them; the woman in front of her exuded sexuality. The woman in front of her wasted no time, practically straddling her, aggressively pressing her body to hers', letting her hair fall around them as she looked down at Nadia. "I want you,"

Lena said, before leaning in to kiss the younger woman before Nadia could react. Nadia couldn't even gasp. She could feel Lena's body, her skin warm and her hips grinding as she pressed down. Her softness and the muscularity under that softness, and the feeling of her lips, aggressive and hot. The taste of alcohol and the smell of lavender. The way that they made Nadia's own body react; her hips bucked, ever so softly on their own and her breath caught. Nadia pressed back against her boss... Find out the answer in this story of two African American women exploring the heights of passion together.

To Italy with Love - Fiona Zedde 2015-07-10
Getting away from it all doesn't necessarily mean escape. In these three stories, women leave their familiar spaces - countries, landscapes, states of mind - to discover uncharted, but not always idyllic, territories with lovers old and new. *To Italy with Love* introduces Iris, a newly dumped serial monogamist who travels to her friend's destination wedding. On the Amalfi Coast, she meets a much younger and casually provocative woman who challenges all the boundaries she's created for herself. Iris, queer and complicated, has a not-quite-secret she's unsure she's ready to share. But will her young lover pull all the way back when she

discovers it? In *That Girl, She's a Killer*, mildly sociopathic Louisa has had her share of dangerous lovers, both male and female. But when a deadly former flame, someone who burns hotter than any fire she's ever dared touch, visits New York, Louisa tosses aside her careful and methodical life just to feel that delicious burn just one more time. Too soon, "once more" turns out to be not enough and the flame threatens to consume Louisa's legendary control. *Vicissitudes* tells Ro's story. The first time she remembers being herself, she was thirteen and female. When she next wakes, she is nearly thirty and rolls over in bed, naked, next to a beautiful woman, Alma, wearing an engagement ring. Ro knows exactly what happened in the years in between, and she knows when Alma opens her eyes, she will ask why her fiance has disappeared and left a woman with remarkably similar features in his place. It's going to be an interesting next few days."

Only mature adults who won't find that offensive should read this collection. Here are the rest of the first lesbian sex erotica stories in this bundle: 2. Crystal's

Curiosity (And My Lesbian Awakening!) A Tale of First Lesbian Sex by Tanya Tung Crystal had always been bi-curious but I really hadn't felt those desires. Then one day we went to our favorite beach spot and saw two girls kissing. I couldn't get the images out of my mind, and neither could Crystal. When we got home, it didn't take long before the two of us were kissing, and it sure as hell didn't take long before we were doing a whole hell of a lot more. It was my first lesbian experience, and it was beautiful! 3. Bath Time with Dylan (When My Friend Seduced Me) A First Lesbian Sex Erotica Story by Kitty Lee We'd just gotten back from our run when Dylan kissed me. I was shocked, of course. I'd never been with a woman before and I didn't know what the hell to do. Dylan did. She just kept kissing me and before long we were together in the bath and I was right in the middle of my first lesbian experience. 4. Roses, Ribbons, and Rita A First Lesbian Sex Experience by Amy Dupont I was captivated by

Margherita from the start. She brought remembrances of the Old Country back to me, and when she showed up at my door with an authentic meal from Tuscany, I knew we'd be fast friends. It was while we ate hazelnut crepes that I learned she was interested in a special kind of dessert with me, and I couldn't have hoped for a more beautiful first experience with a woman. 5. *Tori Takes Over (And I Just Let Her!)* A First Lesbian Sex Erotica Story by Constance Slight Usually I was very aggressive when it came to sex but for some reason, when Tori kissed me I was unable to function at all! I'd never been with a woman but she kissed me and then kissed me more and then her hands started wandering. Before I knew it, I was right in the middle of my very first lesbian sex! I don't know if she was some kind of brilliant lesbian seduction expert or what. I do know that I couldn't have stopped her if I wanted to... and I didn't want to!

Hard Love (A Steamy Lesbian Romance) - A. Ashton

I love you. Three simple words. I have said them

before; I have had them said to me; were they meant sincerely? I like to think so. Were they actually true deep down in their heart? Maybe. This is a love story. This is my love story. It is a complex love story, filled with conflict, desire, sex, and sadness. Is it true? Did these things really happen? Does that matter? My love story is a messy, complicated, addictive and, yet I think, pure love story. It wasn't until I was 26 and my best friend announced she was engaged and getting married that I realized I was in love. Pure, unconditional love. A love that overwhelms you. It is intoxicating; bewildering; overwhelming; haunting. This is the story of how I found such a love. And this is a story of how my love ruined a wedding...

Crave (A Lesbian Romance Collection) - A.

Ashton

Crave: A Lesbian Romance Collection is a bundle of 3 of A. Ashton's steamy, sensual, and sweet F/F lesbian love stories. The books included in this box set are: Hard Love, Something Pleasurable, and Secret Pleasures. * Hard Love I love you. Three simple words. I have said them before; I have had them said to me; were they meant sincerely? I like to think so. Were they actually true deep down in their heart? Maybe. This is a love story. This is my love story. It is a complex love story, filled with conflict, desire, sex, and sadness. Is it true? Did these things really happen? Does that matter? My love story is a messy, complicated, addictive and, yet I think, pure love story. It wasn't until I was 26 and my best friend announced she was engaged and getting married that I realized I was in love. Pure, unconditional love. A love that overwhelms you. It is intoxicating; bewildering; overwhelming; haunting. This is the story of how

I found such a love. And this is a story of how my love ruined a wedding... * Something Pleasurable Katelyn was a mother of three. She thought she had her life figured out. She thought she had settled. Her energies went into raising her children. Romance? Please. There was no room for that anymore in her life. Least of all with her husband. It just wasn't working anymore. Something had changed in her life. She was different. But she never expected to feel fully alive, to have all her senses to ignite when she first laid eyes on Hayley. The young college student was gorgeous, and there was something about her that drew Katelyn in. But this was wrong... and more to the point, Katelyn wasn't a lesbian. So why was it that she felt undeniably attracted to the bubbly Hayley? Why was it that she lay awake at night fantasizing about her? And would happen to Katelyn's life if she ever let her guard down? Let herself get close? Let herself experience something new... something pleasurable... ..just one time? * Secret

Pleasures Stephanie Morrison was trapped in a fading marriage. Her love and joy was her son, Benjamin, a boy as beautiful as anything. Her husband had long since lost interest. There was nothing there anymore... and maybe there never was. Stephanie couldn't explain it, but she'd always felt like she was compromising. Like she was never really into it with him... She'd had urges before... urges for women. But she'd always dismissed them. Stray thoughts... what else could it be? It wasn't until she met Kelly Carlson that these thoughts barged their way back into her brain again. Kelly was young, beautiful, full of energy. Kelly was Benjamin's teacher. Stephanie didn't know why she was so drawn to the young, sexy woman... All she knew was that when she looked into Kelly's eyes, her heart thundered in her chest, and warmth thrilled between her thighs... She wanted to get to know the young woman better... For Kelly promised pleasures she'd never experienced. But those pleasures would have to remain a

Lesbian Romance Collection Box Set - Kelsey Blaine 2020-04-03

Collection of 4 Steamy Hot Lesbian Romances With No Cliffhanger! 1. When Three Become One 2. Princess for Them 3. I Do For You 4. My Lucky Star When Three Become One When Autumn is presented with the modeling deal of a lifetime, she quits her job on the spot. But she found more than a luscious career—she found love... Princess for Them As an investigating officer, Jordan takes her job seriously. She does everything by the book: she investigates the crime scene, collects necessary evidence, and reports back to her captain with extensive explanations of every single event that happened during the case. This particular scene was a bit puzzling for her. It was called in as a robbery, but she later discovered that foul play was at hand. A stalker was harassing two successful billionaire women, Cora and Sierra, who fall under the watchful eye of Jordan. When Jordan

finally solves the case, Cora insists that they take her to dinner as a treat. But when Jordan becomes inexplicably attracted to both women, she finds herself in a heart-wrenching dilemma that she's never before faced: keep her beautiful triad relationship or keep her job. I Do For You When Lisa Wilkinson attends her younger sister's wedding, she knows it isn't going to be an easy one. What she doesn't expect is for everyone to make her feel terrible about herself. So it's great for her to find some unexpected solace in a new friend. Amy Jones. With Amy's long red hair and her sparkling green eyes, plus her kick ass personality, she manages to pull Lisa out of her shell... But maybe a little too far. A steamy night that seems to come from nowhere leaves both women confused, neither of them know what to do. But can they ignore the powerful chemistry that circles them? One that neither of them has ever felt before. The wedding ends leaving them both changed forever, but is it for the best? My Lucky Star

What does a little alcohol and a lot of sexual tension get you? Well, in Heather and Gina's case, one night of rugged passion. Gina I have been told all my life that I defy all the red-haired stereotypes, I am cool, I am calm, and I am collected, that is the only reason I survive after taking the most stressful job as the personal assistant to one of the biggest names in Hollywood. I expected her to act like a princess—her reputation preceded her—I however didn't expect to find myself in her bed one drunken night, and I definitely didn't expect to have my world rocked. Heather I am used to getting my way, that is how it has always been since my mom took me to a talent show and I showed the world what I was made of, everybody gets me what I want because of what they can get from me, and it gets tiring. In walks Gina, more than ten years younger than me but way more mature, and she doesn't cower to my will like the others, but instead treats me like any ordinary person. I like it, I like her, no
