Buyology Martin Lindstrom 2010-02-02 NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today’s consumer that will captivate anyone who’s been seduced—or turned off—by marketers’ relentless attempts to win our loyalty, our money, and our minds.

Gynecocracy. A Narrative of the Adventures and Psychological Experiences of Julian Robinson (afterwards Viscount Ladywood) Under Petticoat-Rule, Written by Himself Julian Robinson

2011-12-13 Following an indiscretion with a maid, exuberant Julian Robinson is sent to his family's country estate to be educated by a beautiful and bewitching French governess, Mademoiselle de Chambonnard, who subjects him to a rigorous disciplinary regime of birching and cross-dressing. Complete in three volumes, *Gynecocracy* is an influential masterpiece of Victorian clandestine erotica, first published in 1893. It is significant for the novelty of its focus on the subjection of a young man to women through enforced cross-dressing. This Birchgrove Press edition includes the excerpt from *Don Juan*, which modern

reprints often omit, and a number of chapter head decorations from a nineteenth-century edition. The authorship of *Gynecocracy* is usually attributed to an English lawyer, Stanislas Matthew de Rhodès (1857-1932), who is also credited with writing *The Yellow Room* (1891) and *The Petticoat Dominant* (1898), which are also available from Birchgrove Press.

A Glossary of Words and Phrases in the Oral Performing and Dramatic Literatures of the Jin, Yuan, and Ming

Dale Johnson 2020-08-06 For many years, the oral performing and dramatic literatures of China from 1200 to 1600 CE were considered some of the most difficult texts in the Chinese corpus. They included ballad medleys, comic farces, Yuan music dramas, Ming music dramas, and the novel Shuihu zhuan. The Japanese scholars who first dedicated themselves to study these works in the mid-twentieth century were considered daring. As late as 1981, no comprehensive dictionary or glossary for this literature existed in any language, Asian or Western. A Glossary of Words and Phrases fills this gap for Western readers, allowing even a relative novice who has reasonable command of Chinese to read, translate, and appreciate this great body of literature with an ease undreamed of even two decades ago. The Glossary is organized into approximately 8,000 entries based on the reading notes and glosses found in various dictionaries, thesauruses, glossaries, and editions of works from the period. Main entries are listed alphabetically in the pinyin romanization system. In addition to glosses, entries include symbolic annotations, guides to pronunciation, and text citations. The result is a broadly useful glossary serving the needs of students of this literature as well as

scholars researching Jin and Yuan language and its usage.

Claimed Twice Ellie Hunt "We oughtn't do this," he said, even as he ran one big hand over the other man's chest. Everyone at Dunvaig Castle knows that Angus, the blacksmith, and Thomas, the Master of Horse, are lovers, even if they've never so much as

seen them touch. Lorna, the Lord's daughter, knows that too, which is why she's permitted to be alone with Angus in his smithy. That's where she goes when she finds out she's to be married off to a lord she's never even met - Angus has always been kind and comforting to her, ever since she was a girl. But then, when she bursts into tears in front of him and Thomas, they begin to comfort her in a different way. She knows that she shouldn't take two lovers at once, especially her first time, but Lorna might not be able to resist these two big, burly, bisexual men. The Blacksmith's Lovers contains explicit sexual material, including graphic descriptions of oral sex, gay anal sex, two bisexual men, an MMF threesome, squealing orgasms, cherry popping, and a whole lot more!

Dictionary of Louisiana French Albert Valdman 2009 The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was

compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .

Ulysses James Joyce 2022-10-19 Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.
