The Illuminati in Hollywood

- Mark Dice 2016-02-25

The infamous Illuminati secret society represents the pinnacle of power in politics, banking, and the news media; but what about the entertainment industry? Do Hollywood's elite studios, producers, and celebrities have a secret agenda? Are they part of a covert conspiracy? Media analyst Mark Dice will show you exactly how Hollywood uses celebrities and entertainment as a powerful propaganda tool to shape our culture, attitudes, behaviors, and to promote corrupt government policies and programs. You will see how the CIA and the Pentagon work hand in hand with Hollywood to produce blockbuster movies and popular television shows crafted to paint positive

portraits of war, Orwellian government surveillance, unconstitutional agendas, and more. You'll also learn the strange and secret spiritual beliefs of the stars that fuel their egos and appetites for fame and wealth, making them perfect puppets for the corporate controllers behind the scenes. And you will also discover the rare instances of anti-Illuminati celebrities who have dared to bite the hand that feeds them. Character Howard Beale once warned in the 1976 classic film Network, "This tube is the most awesome God-damned force in the whole godless world, and woe is us if it ever falls in to the hands of the wrong people," and unfortunately that is exactly what has happened.

Hollywood Vampire - Keith Topping 2001

Angel is a vampire with a soul - until he achieves a moment of 'perfect happiness' with his girlfriend, Buffy Summers, and

turns bad again. He manages to regain his soul but the price he has to pay is to leave Sunnydale and Buffy behind. Moving to LA, Angel makes it his mission to kick evil butt (mainly demonic in nature). He's joined by Cordelia - from the original show - and new colleagues Doyle, Wesley and Kate. Now fully revised and updated to include Season Two, Hollywood Vampire is an indispensable and comprehensive episode-by-episode guide to Angel's world, including categories such as Dreaming (As Buffy Often Proves) Is Free; The Charisma Show; Dudes and Babes and Sex And Drugs And Rock 'n' Roll. It also contains discussion of the links and cross-references between Angel and Buffy - the author has the added expertise of having written Virgin's critically acclaimed, bestselling guide to Buffy the Vampire Slayer - and essays on recurrent themes and coverage of the Angel novels and comics, as well as Angel on the Internet. A unique and essential fan bible.

Slayer - Keith Topping 2002
Buffy the Vampire Slayer is a TV phenomenon - critically acclaimed and hugely popular throughout the world. Adhering to Virgin's successful programme-guide format and the style of the first two editions. Slayer contains a complete episode-by-episode guide to all five seasons, with each episode broken down into recurring categories to draw attention to details that might otherwise be missed by viewers. Bestselling author Keith Topping also unearths pop culture references and soundtrack information, serves up the best lines of dialogue and exposes continuity errors, while also managing to analyse the show's subtexts and serious issues. In addition, he provides a section on the Buffy novels, background essays and a useful Internet section - all in a style that captures the unique humour of the show. Vampires, violence, passion, non-conformism and teenage angst - this is the essential guide for both casual fans and the most devoted.

Double Talkin' Jive - Matt Sorum 2021-09-07

In *Double Talkin' Jive* legendary drummer Matt Sorum takes music lovers behind the scenes of a remarkable life in rock. Sorum, whose albums have sold tens of

millions of copies around the world, provides an honest, engaging account of the highs and lows of superstardom. Sorum recounts his childhood years idolizing Ringo Starr and surviving an abusive stepfather. After leaving high school, Sorum sold pot to get by. Over time, his drug dealing escalated to smuggling large quantities of cocaine, a career that came to a halt following a dramatic shoot-out. Sorum fled his old life and settled in Hollywood, where he'd enjoy a rapid ascension to rock 'n' roll immortality. He caught his big break drumming for the Cult, and only a year later was invited to join Guns N' Roses, with whom he'd record two of rock's most iconic albums: *Use Your Illusion 1* and *2*. The Rock N' Roll Hall of Fame inductee & Grammy Award winning Sorum opens up with forthright honesty, sharing anecdotes from his time touring the globe, battling drug and alcohol addiction, as well as working with Axl Rose, one of the greatest frontmen in rock, Slash and the rest of the GNR

team. His career with the Cult, Guns N' Roses, Velvet Revolver, Motörhead, the Hollywood Vampires, and Kings of Chaos costars an ensemble of rock royalty, from Billy Idol to Steven Tyler, Billy F Gibbons and Alice Cooper. *Double Talkin' Jive* goes beyond the clichés of sex, drugs, and rock 'n' roll, telling the very human story of what it takes to make it in music, and the toll stardom exacts from those who achieve success. Sorum invites fans to revel in the debauchery of the good times, but also paints a stark portrait of life after the party. Music fans of any generation will find value in the pages of this evocative, thoughtful, and candid autobiography.

The Sky Is Falling - Peter Biskind 2018-09-11

A Sunday Times (London), Best Book of 2018 "A thoughtful, entertaining, and occasionally profound critical study of the texts that entertain, move and, sometimes, shape us." —The Spectator (London) "A bold, witty, and brilliantly argued analysis of the role pop culture

has played in the rise of American extremism.” —Ruth Reichl “You’ll never look at your favorite movies and TV shows the same way again. And you shouldn’t.” —Steven Soderbergh A bestselling cultural journalist shows how pop culture prepared Americans to embrace extreme politics Almost everything has been invoked to account for Trump’s victory and the rise of the alt-right, from job loss to racism to demography—everything, that is, except popular culture. In *The Sky Is Falling* bestselling cultural journalist Peter Biskind dives headlong into two decades of popular culture—from superhero franchises such as the Dark Knight, X-Men, and the Avengers and series like *The Walking Dead* and *Game of Thrones* to thrillers like *Homeland* and *24*—and emerges to argue that these shows are saturated with the values that are currently animating our extreme politics. Where once centrist institutions and their

agents—cops and docs, soldiers and scientists, as well as educators, politicians, and “experts” of every stripe—were glorified by mainstream Hollywood, the heroes of today’s movies and TV, whether far right or far left, have overthrown this quaint ideological consensus. Many of our shows dramatize extreme circumstances—an apocalypse of one sort or another—that require extreme behavior to deal with, behavior such as revenge, torture, lying, and even the vigilante violence traditionally discouraged in mainstream entertainment. In this bold, provocative, and witty investigation, Biskind shows how extreme culture now calls the shots. It has become, in effect, the new mainstream.

no-budget exploitation to the embarrassing efforts of Major Studios. Many of these films have never seen a major release, some were big hits, and others have simply vanished. Sex, Blood, & Rock 'n Roll -

Matt R. Jones 2011-05-01

"I came with the intent of conducting an intelligent scientific investigation, and instead I've walked into a damned Gremlins movie," says vampire professor of the paranormal, Tommy as he and his shotgun-toting vampire friend Stacey confront a foul-mouthed, blood-sucking little monster in "The Thing In Stacey's Garage." Just so you know -- this ain't your kid sister's vampire fiction. Sex, Blood, & Rock 'n Roll picks up right where Unholy War left

off, bringing you 12 short stories from the hard-hitting, hard-rocking Hollywood Vampires universe! Ranging from the rock 'n roll vengeance of "Six-String Alchemy" to the quietly introspective "Insomnia" to the absolutely, ridiculously insane "The Thing In Stacey's Garage," Sex, Blood, & Rock 'n Roll reveals a surprisingly human side to our fanged friends... And even puts a philosophically-thoughtful twist on the storied relationship between werewolves and vampires -- and hope for the future -- in "Evolution." Vampires are more than cape-clad predators and angst-ridden forever-teens -- they're as uniquely human as you, with their own hopes, dreams, and fears... just because you become a vampire doesn't mean you stop being YOU. You're given a glimpse at this in "The Choice (Michelle's Tale)" -- a direct follow-up to Unholy War -- where a young woman must choose whether or not she wants to become a vampire... and the pros and cons of that life-changing

choice. Vampirism isn't a curse -- it's an opportunity, and if you're strong enough to embrace it with your heart and soul, the sky's the limit! But even then, you've got to look out, because there are other things lurking in the dark, things that like the taste of vampires... You'll meet a few of them in the steamy 80's thriller "Hunter Hunted," where vampire bassist Dorian suddenly finds the tables turned on him by something not of this earth! And let's not forget modern-day Lovecraftian horror of "The Gas Station That Time Forgot," where Tommy's search for a beloved soda from decades past turns into a terrifying descent into madness beneath a bizarre desert gas station... Laced with rock 'n roll attitude, an abundance of humor, and tons of explosive action, Sex, Blood, & Rock 'n Roll will change how you look at vampires forever... the old rules don't apply here. Just like what happens to half-vampires Katheryne and Donita during a hilarious, high-speed highway quest for a stolen car in "Who's

Been Driving My Cadillac?" you never know what's gonna happen! In addition to 12 exclusive tales, Sex, Blood, & Rock 'n Roll also includes biographies for each of the characters -- including the fan-favorite purple rat, Stephen! -- illustrated by Nathaniel D. Smith.

Hollywood Vampire: The Apocalypse - An Unofficial and Unauthorised Guide to the Final Season of Angel -

Keith Topping 2012-03-31

Leaving behind his life in Sunnydale and his relationship with Buffy Summers, Angel atones for his sins by fighting for humanity in the dark seedy underworld of the superficially glamorous city of L.A. Angel Investigations has moved from the Hyperion Hotel to running Wolfram & Hart, but has their conviction to be champions survived the upheaval? In his comprehensive unofficial guide to Season Five of Angel's world, Keith Topping, bestselling author of Slayer, the unofficial guide to Buffy, looks at each episode in turn, considering the links and cross-

references between Angel and Buffy, draws attention to logic flaws, points out numerous pop-culture references and discusses recurrent themes and coverage of Angel on the Internet. This essential guide to the final season of the

popular show explores the world of Angel, Wesley, Gunn, Fred, Lorne and Spike as they fight their own personal demons and the loneliness of the Big City in their search for redemption.
