## **Reign of a King** - Rina Kent 2021-09-02

Nothing is fair in war. Jonathan King is every bit his last name. Powerful. Untouchable.

Corrupted. He's also my dead sister's husband and way older than me. When I first met him as a clueless child, I thought he was a god. Now, I have to confront that god to protect my business from his ruthless grip. Little did I know that declaring a war on the king will cost me everything. When Jonathan covets something, he doesn't only win, he conquers. Now, he has his

sights on me. He wants to consume not only my body, but also my heart and my soul. I fight, but there's no escaping the king in his kingdom...

Reign of a King is the first part of a duet and is not standalone.

## **Rich Prick (Hardcover)** - Tijan 2020-06-14

He walked into school on his first day and owned it. I guess that's what happens when you're a prick, rich, and you're best friends with the ruling school's king. Also didn't hurt he's drop dead gorgeous. That's all fine. I mean, I have

nothing to do with them. I'm a loner, invisible, and that's how I wanted it to be. I was even proud of it, until I wasn't. Until I saw a girl kneel before him. Until I couldn't look away. Until he caught me watching. His name is Blaise Devroe. My name is Aspen Monson. He only knew how to get, command, and demand attention. I knew how to do everything but that. And this is our story.

**The New I Do** - Susan Pease Gadoua  
2014-09-23

If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for

[Fun Home](#) - Alison Bechdel 2021-11-11  
DISCOVER the BESTSELLING GRAPHIC MEMOIR behind the 2019 Olivier Award nominated musical. 'A sapphic graphic treat' *The Times* A moving and darkly humorous family tale, pitch-perfectly illustrated with Alison Bechdel's gothic drawings. If you liked Marjane Satrapi's *Persepolis* you'll love this. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high-school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and the family babysitter. When Alison comes out as

homosexual herself in late adolescence, the denouement is swift, graphic, and redemptive. Interweaving between childhood memories, college life and present day, and through narrative that is equally heartbreaking and fiercely funny, Alison looks back on her complex relationship with her father and finds they had more in common than she ever knew. 'A groundbreaking masterpiece' *The Independent* 'A finely woven blend of yearning and euphoric fantasy' *Evening Standard* \*\*ONE OF THE GUARDIAN'S 100 BEST BOOKS OF THE 21st CENTURY\*\*

Eighteen-year-old, Bronwyn Littleton is in love with a stranger she met on a summer night a year ago. A stranger who was tall and broad in a way that made her feel safe. He had dark blue eyes that she can't stop drawing in her sketch book. And he had a deep, soothing voice that she can't stop hearing in her dreams. That's all she knows about him though. Until she runs into him again. At St. Mary's School for Troubled

Teenagers - an all girls reform school - where she's trapped because of a little crime she committed in the name of her art. Now she knows that her dream man has a name: Conrad Thorne. She knows that his eyes are way bluer and way more beautiful than she thought. And that his face is an artist's wonderland. But she also knows that Conrad is her best friend's older brother. Which means he's completely off-limits. Not to mention, he's the new soccer coach, which makes him off-limits times two. What makes him off-limits times three however, and this whole scenario an epic tragedy, is that, Conrad, Wyn's dream man, has a dream girl of his own. proven and well-established international business offers an elite selection of women who are ready and willing to attend to your every need with no questions asked. Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago, she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had, and the state took away her brother, now age ten. The only way for her to get the boy back is by finding a job and securing a home. When she's approached by a woman in cashmere and pearls who tells her she can change her life, and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and

without a heart, is given an exclusive membership to Relinquish Control by his devilish younger brother, who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a façade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight, and ten, they were tied up and forced to watch while their parents were murdered. The image has been burned into their minds, though they've tried to forget, leaving each of them guarded and unwilling to give their trust to anyone other than each other. No one is allowed to have their hearts. The brothers would never think of letting down their guard with anyone but each other, certainly not with a woman. Follow Blake and Jewell's journey and see if they can find a

**Jackson's Trust** - Violet Duke

It's no secret that sports analyst Jackson Gray doesn't do relationships. What is a secret, however, is the reason why. Jackson's life is...complicated. And being assigned to train the station's cute new sideline reporter isn't helping one bit. It's bad enough the gorgeous tomboy's encyclopedic football knowledge clearly rivals his own, but she's also the most genuine, down to earth woman he's ever met. Sweet as hell, too—his weakness. Given his family history, and the future he's done his damndest to avoid, falling in love was never a risk Jackson's been willing to take. Until now. For Leila Hart,

becoming an NFL sportscaster has always been the dream, and thanks to Jackson's fierce support and mentoring, it all finally seems within reach. Problem is, a girl can only take so much of that intense growl of his murmuring smart, sexy football stats in her earpiece all day long. And don't get her started on the random acts of kindness he does that never fail to make her ovaries swoon. Yes, they have sizzling hot chemistry. But falling for a friend (and co-worker to boot) is just a terrible idea—especially for a woman like Leila, trying to make it in a male-dominated field, while navigating a complicated life of her own... Previously published by Penguin Random House (c) 2016.

PALACE IS: "Filled with secrets, love, lies and a summer beach house. What more could you ask?"—Parade "A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-turner." —Cynthia D'Aprix Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex

with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.
