A Troubling Three-Way Weekend Between Friendship and Love - Sexy Short Stories to Read in Bed - Alex Frack 2017-06-13

Anna and Jonathan are a happily married couple in their late twenties. But Anna has a fantasy which does not merely involve women, it involves inviting one precise girl into her couple, for a real and long-term three-way relationship. A very hot and steamy weekend commences with a little bit of sweet and sexy taboo.....

-----A troubling Three-way Weekend Between Friendship & Love | Sexy short stories to Read in Bed Very explicit adult sex & erotica stories for men & women suitable for lovers of elegant and sexy erotic hardcore sex stories-----'Sexy short stories to read in bed' is a tested series of erotic hardcore sex stories for women, men and couples looking for classic easy-to-read erotica and sex stories for women with very explicit sex scenes. Think about it. Don't we all need nice, steamy and sexy short stories that can be read in bed, right before sleeping to finish our day with a little bit of privacy and fun? Or even first thing in the morning to spice up your day, not to mention those long and boring commuting journeys where a little bit of sexy can... Well, you know... 'Sexy short stories to read in bed - A troubling three-way weekend between friendship and love...' is the third volume in the series. In contrast with the first two books, it is made of one single story starring three characters, Anna and her husband Jonathan, as well as Nina their cheeky and sexy friend. The story, however, is cut in several short sex & erotica stories that will make you bite your lips one after another. Perhaps even more... The story of this volume is

very easy to explain. Anna and Jonathan are a happily married couple in their late twenties. But Anna has a fantasy which does not merely involve women, it involves inviting one precise girl into her couple, for a real and long-term three-way relationship. After some online chatting and playing sessions, Nina takes a train and comes to visit Anna and Jonathan for a weekend. A very hot and steamy weekend with a little bit of taboo. As per the other book in this series, this short stories book is not about romance. My short stories always build on love, friendship and cheekiness but they go straight to the point and contain very explicit sex scenes. They are written to be read easily and rapidly, in five to ten minutes, again and again. If you are looking for a little bit of selfish sexy fun every once in a while, my book was made for you! Oh, but of course reading them out-loud is also an option if you are not alone ... Your choice! Cheekily yours... Alex. *** Warning: this story contains threesome bisexual FFM scenes suitable for lovers of elegant and sexy erotic hardcore sex stories ***
