women reject, what makes women decide to sleep with a guy, the qualities women seek in men, and much more. *The Mystery Method* - Mystery  
2007-02-06

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming

relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as:

- \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention.
- \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower.
- \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow.

Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.

*How to Pick Up Women* - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always choked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that.

you see a pretty woman somewhere. Of course, when you see her, you naturally want to go talk to her. Thus far, you haven't done a thing wrong. You walk over to her and say hi. She greets you back, not incredibly interested. As pretty as she is, there is no doubt that she has been randomly approached by men that look just as good, if not better than you on a regular basis. This is just to be expected, no matter how good you think you look, or actually do. She is just used to it. You introduce yourself and offer your hand to shake. She accepts your hand and tells you her name. Once again, you are doing just fine. This is where the story starts to go downhill, though. There is an awkward pause as she looks at you expecting you to say something else. After all, you approached her. You try desperately to think of something to say. All that comes out is three strikes in a single question because you have nothing better to say. She answers you absently, and looks around for someone that

she knows to talk to, greeting them from across the room. She smiles and takes off, politely casting a "nice to meet you" over her shoulder as she runs off with her friends, planning to talk about you when she gets over there and not talk to you for the rest of the night. And you have failed. Now, your question or statement, whatever it was, can be one of many different things. No matter what you said to her or asked her, the message portrayed was the same exact thing. And she read the message loud and clear. What was the message? It is simply: I have nothing to say. That is why she walked away from you without any interest whatsoever. That is why she will not remember your name in fifteen minutes, if she remembers it that long. And that is why you are going home alone.

**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess

your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

A lot of guys still hold the mistaken notion that the ability to attract pretty ladies is

reserved for the super-handsome and rich guys. But this is not true. The major reason rich and handsome guys get pretty ladies may not necessarily be because of their money or looks as many may think, rather it is majorly tied to their high level of self-confidence. If an ugly guy can approach a pretty girl with the same level of confidence, he is likely going to get her as well. This is why a lady is more likely going to fall for an ugly guy that is confident about himself than for a rich timid guy. And if you are there feeling bad and disadvantage when it comes to getting the attention of pretty ladies, because of your poor financial status or looks, don't worry, your problem is about to come to an end. This book is loaded with easily applicable, self help principles that will guarantee your success, when next you approach that girl of your dream.
