

How To Make Sex Passionate

Kosher Sex - Shmuley Boteach 2010-05-12

In *Kosher Sex*, Rabbi Boteach pioneers a revolutionary approach to sex, marriage, and personal relationships, drawing on traditional Jewish wisdom. Using his experiences counseling individuals and couples, the author breaks down sexual taboos and openly, yet respectfully, discusses the meanings, emotions, and the hidden power of sex. With his unique anecdotal style, Rabbi Boteach illustrates each and every point, using real couples who have discovered the joys of "kosher sex"--sex based on love, trust, and real intimacy. He profiles the two most common types of couples--best friends and passionate lovers--and suggests ways of synthesizing the best that each type has to offer. Rabbi Boteach also has advice for singles on finding the right partner; for individuals either willing to take their long-term relationship to the next level or unsure about doing so; and for married couples who may be experiencing problems in their sex life. At a time when three out of every five marriages fail, *Kosher Sex* will have an astonishing and positive impact. With a no-holds-barred conversational style and keen insight, Rabbi Boteach breaks all the taboos and pioneers a new approach to sex, marriage, and personal relationships. He not only brings traditional Jewish wisdom into the twentieth century but makes it relevant to everyone searching for a deeper, more meaningful, and more satisfying love life. --> From the Trade Paperback edition.

Sex Routine - Peter O'Brien 2020-03-14

Being in a long-term relationship is the dream for most of us. But what if that dream, once it becomes reality, goes a little... stale? Do you sometimes lie in bed, thinking about the passionate beginnings of your relationship? Does your love life seem to have hit a point where it's no longer exciting? Have you caught yourself arguing with your partner about every little thing? If yes - don't worry. It's perfectly normal for long-term couples to hit a couple of snags along the way. Being with the person you love for a long time comes with a cost, though. In the United States, a couple gets divorced approximately every 36 seconds. That's nearly 2,400 divorces per day, and as much as 876,000 divorces a year. An average length of marriage that ends in divorce is just 8 years! Can you avoid being in this pool? You sure can - Maria Handley and Peter O'Brien have created a guided tour through the most common hardships long-term relations face, from communication issues to boring sex life. And they come equipped with solutions, as well. This miraculous compendium will help you and your partner get closer and more satisfied than ever. How to become best friends with your partner. And much more. Just like with plants or pets, good and lasting relationships need proper nurturing - and some surprisingly uncommon knowledge. And you can achieve that - and get the most out of your lives together (yes, sex lives too!). You may think it won't happen to you - but are you prepared to take the chance? Even if your relationship seems happy as ever, it's always a good idea to equip yourselves with the best tools to keep it that way. Inner Bonding - Margaret Paul 2012-10-16

Inner bonding is the process of connecting our adult thoughts with our instinctual, gut feelings—the feelings of the "inner child"—so that we can minimize painful conflict within ourselves. Free of inner conflict, we feel peaceful, open to joy, and open to giving and receiving love. Margaret Paul, coauthor of *Healing Your Aloneness*, explores how abandonment of the inner child leads to increasingly negative and destructive feelings of low self-worth, codependence, addiction, shame, powerlessness, and withdrawal from relationships. Her breakthrough inner bonding process teaches us to heal past wounds through reparenting and clearly demonstrates how we can learn to parent in the present. Real-life examples illustrate the dynamics of the healing process and show the benefits we can expect in every facet of our lives and in all our relationships. *Inner Bonding* provides the tools we need to forge and maintain the inner unity that makes our family, sexual, work, and social relationships productive, honest, and joyful.

Mars and Venus in the Bedroom - John Gray 2009-10-13

When it comes to sex, men and women have different needs and different ways of communicating those needs. Only by fully understanding and accepting these differences can we achieve true, long-lasting intimacy--and great sex. By taking his now famous Mars/Venus themes and applying them to the bedroom, John Gray teaches readers: how men and women can be both satisfied sexually and more aware of their partner's needs and desires; how to rekindle passion and maintain it in a monogamous relationship; how to communicate sexual needs effectively--and romantically; how to apply advanced relationship skills that address the contemporary needs of individuals and couples.

Lust for Love - Pamela Anderson 2018-04-24

An unlikely pair of voices—the world's most recognizable beauty icon and "America's rabbi"—comes together to diagnose how meaningful, passionate sex is on the decline in Western culture, and what is necessary to save it. Sex is dying in America. Inundated with sex and starved for it, obsessed with it yet clueless about it, we are slowly forgetting how to make love. The crisis of modern sexuality is seen in high divorce rates, in the degradation of sexuality through pornography, and tasteless displays of empty, counterfeit erotica. Most of all, it's seen in sexless marriages and platonic relationships where cybersex has become more addictive than the real thing. Sex has become so trivialized, coarsened, and vulgarized that couples no longer feel its pull. The once powerful and irresistible magnetism of sex is being diluted and drained. The authors propose replacing the 1960s' sexual revolution with a new sensual revolution, a rediscovery of intimacy that encourages and ennobles human relationships, elevates healthy lust, and gets us from looking up from the glowing screens of our smartphones to the people around us, most especially the people we love the most. *Lust for Love* embraces the idea that what our most important relationships need most is lust. It is necessary to rediscover what's sexy again, how to bring back romance, and to understand that in addition to love, we need lust to repair our unfulfilling sex lives and broken relationships. *Lust for Love* proposes a return to what lovemaking was always meant to be: a desire to know and experience another person in the deepest possible way.
