Win Your Breakup: How to Be The One That Got Away - Natasha Adamo 2022-01-11

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In Win Your Breakup, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a life in which those who took you for granted wish you could find a way back into theirs. In this life, you can choose to walk away from toxicity-no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

*Not Drinking Tonight* - Amanda E. White 2022-01-04

In this honest discussion of mental health, the founder of Therapy for Women explores our reasons for drinking alcohol—and the benefits of taking a break. When “retired party girl” and popular therapist Amanda White admitted she was an alcoholic, it wasn’t because she’d done something outrageous while under the influence, like land herself in jail or get married in Vegas. It was because she realized three things: 1. Alcohol was making her life worse. 2. Moderation wasn’t helping. 3. She could not be a therapist if she continued to use alcohol to numb her life. Something needed to change—not just her relationship with alcohol, but her relationship with herself. Choosing not to drink can be daunting. It’s everywhere in our culture, our socializing, and our destressing. And it can seem black or white: you drink, or you don’t (and if you don’t, people ask why). That’s where *Not Drinking Tonight* comes in. Judgement-free and relatable, Amanda helps you unpack your relationship with alcohol by showing you how to: Find out why you drink. Whether it’s a glass of wine after work or a weekly bar crawl, your drinking habits can be the result of everything from biology to trauma. Heal your relationship with alcohol. Understand how your relationships have been affecting your life, and learn how to set boundaries and create true self care. Build the sober life you love. Learn what comes next—how to maintain your social life, navigate sex and relationships, and love yourself. *Not Drinking Tonight* isn’t a program to stop drinking. It’s the first book to help you address the root issues that cause you to reach for a drink, and create a life you love—one that is not perfect, but is messy and real and one you

are fully present for.

**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn’t just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won’t mean a thing if you don’t feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what’s not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do’s and don’ts of the first date, the second date, and beyond. Remember, it’s not a job interview or therapy session. Pretend you’re meeting a new friend, not a prospective husband or wife. Finding your one and only isn’t about having the right shoes or a flat stomach. It’s about being true to yourself, being vulnerable, and being ready for love. Whether you’re new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you’ve always wanted and deserve.

But Celia knows better. This is cruel and unusual punishment, because Heath is also the one boy who turns her into a stammering, incoherent fool. And that's before he kisses her senseless. Heath's not exactly jazzed about this turn of events either. He's supposed to be on this trip with his girlfriend. But now his girlfriend is his ex and he's trapped on a train ride from hell with the one girl who apparently hates his guts. Cool. Looks like everyone is in for a good time. Except, one derailed train, a shared motel room, two unexpected detours, and a few steamy kisses later, and maybe, just maybe—they're both about to change their tune.
