Feminist Economics and Public Policy - Jim Campbell 2016-04-28

Professor Ailsa McKay, who was known not only for her work as a feminist economist but also her influence on Scottish social and economic policy, died in 2014 at the height of her academic career and impact on public life. Organised around the key themes of Ailsa McKay's work, this collection brings together eminent contributors to argue for the importance of making women's roles and needs more visible in economic and social policies. *Feminist Economics and Public Policy* presents a uniquely coherent analysis of key issues including gender mainstreaming, universal childcare provision and universal basic income security, in the context of today's challenging economic and political environments. It draws on international perspectives to look at the economic role of women, presenting readers with interrelated sections on gender budgeting and work and childcare, before concluding with a discussion on Citizens Basic Income and how it could contribute towards a more efficient, equitable social security system. The theoretical, empirical and practice based contributions assembled here present recommendations for more effective public policy, working towards a world in which women's diverse roles are recognized and fully accounted for. This book is a unique collection, which will be of great relevance to those studying gender and economics, as well as to researchers or policy makers.

The Girl Who Fell Beneath the Sea - Axie Oh 2022-02-22

A New York Times Bestseller! Axie Oh's *The Girl Who Fell Beneath the Sea* is an enthralling feminist retelling of the classic Korean folktale "The Tale of Shim Cheong," perfect for fans of *Wintersong*, *Uprooted*, and Miyazaki's *Spirited Away*. Deadly storms have ravaged Mina's homeland for generations. Floods sweep away entire villages, while bloody wars are waged over the few remaining resources. Her people believe the Sea God, once their protector, now curses them with death and despair. In an attempt to appease him, each year a beautiful maiden is thrown into the sea to serve as the Sea God's bride, in the hopes that one day the "true bride" will be chosen and end the suffering. Many believe that Shim Cheong, the most beautiful girl in the village—and the beloved of Mina's older brother Joon—may be the legendary true bride. But on the night Cheong is to be sacrificed, Joon follows Cheong out to sea, even knowing that to interfere is a death sentence. To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a magical city of lesser gods and mythical beasts, Mina seeks out the Sea God, only to find him caught in an enchanted sleep. With the help of a mysterious young man named Shin—as well as a motley crew of demons, gods and spirits—Mina sets out to wake the Sea God and bring an end to the killer storms once and for all. But she doesn't have much time: A human cannot live long in the land of the spirits. And there are those who would do anything to keep the Sea God from waking... Praise for The

Girl Who Fell Beneath the Sea: An ABA Indie Bestseller "On every page I found something marvelous and new, and I was eager to keep reading because I wanted to further explore this wondrous new world." —The New York Times "A beautiful, mesmerizing retelling I wish I'd had when I was growing up. ... A heartfelt tale that I will be recommending for years to come." —Elizabeth Lim, New York Times-bestselling author of *Six Crimson Cranes* "A clever, creative, and exquisitely written tale of sacrifice, love, and fate." —Stephanie Garber, New York Times-bestselling author of *Caraval*

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Divorced Girl Smiling - Jackie Pilossoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Making Muslim Women European - Fabio Giomi 2021-04-19

This social, cultural, and political history of Slavic Muslim women of the Yugoslav region in the first decades of the post-Ottoman era is the first to provide a comprehensive overview of the issues confronting these women. It is based on a study of voluntary associations (philanthropic, cultural, Islamic-traditionalist, and feminist) of the period. It is broadly held that Muslim women were silent and relegated to a purely private space until 1945, when the communist state "unveiled" and "liberated" them from the top down. After systematic archival research in Bosnia, Croatia, Serbia, and Austria, Fabio Giomi challenges this view by showing:

- How different sectors of the Yugoslav elite through association publications, imagined the role of Muslim women in post-Ottoman times, and how Muslim women took part in the construction or the contestation of these narratives.
- How associations employed different means in order to forge a generation of "New Muslim Women" able to cope with the post-Ottoman political and social circumstances.
- And how Muslim women used the tools provided by the associations in order to pursue their own projects, aims and agendas. The insights are relevant for today's challenges facing Muslim women in Europe. The text is illustrated with exceptional photographs.

How to Not Die Alone - Logan Ury 2021-02-02

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: - What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -

How to make dates fun again (so they stop feeling like job interviews) - Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. How to Not Die Alone will help you find, build, and keep the relationship of your dreams.

Love Online - Aaron Ben-Ze'ev 2004-01-19

Computers have changed not just the way we work but the way we love. Falling in and out of love, flirting, cheating, even having sex online have all become part of the modern way of living and loving. Yet we know very little about these new types of relationship. How is an online affair where the two people involved may never see or meet each other different from

an affair in the real world? Is online sex still cheating on your partner? Why do people tell complete strangers their most intimate secrets? What are the rules of engagement? Will online affairs change the monogamous nature of romantic relationships? These are just some of the questions Professor Aaron Ben Ze'ev, distinguished writer and academic, addresses in this book, a full-length study of love online. Accessible, shocking, entertaining, enlightening, this book will change the way you look at cyberspace and love forever.

Dating Online and Offline - David a Osei 2019-11-14

Online dating is something that anyone can do, but not everyone will do it in a successful manner. Let's think of this as building a business. If you want to be successful at your business, you have to work with it from the

beginning, nourish it throughout its hard moments and then know how to make your mark. In online dating, if you would like to be successful, you need to start off right, build your profile in the right manner and then secure the final and lasting rewards out there. You may not realize it but there are some pretty good tips and tricks out there that can help you to be successful at online dating. Throughout this e-book you will see those tips and tricks offered to you. Yet, before we can tell you how to take your online dating experience to success, we need to map out where we are going. Your Goals The first thing that you need to do is to make goals. What should you include in those goals? Ask yourself these questions. What am I looking to achieve during my online dating experience? What am I hoping will be the method that I do that? Who am I looking for specifically? What am I willing to do to make it happen? Can I dedicate some time to making it come together? When you ask yourself these questions, jot down your answers. You will want to come back and refer to them later. Why do we ask them? Developing goals for online dating is essential. In fact, it is your first tip. Without detailed goals, you will not do all that it takes to be successful.
