[The 48 Laws of Power](#) Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

**Opposites Attract** Camilla Isley 2021-02-16 First law of magnetism: opposite poles attract. Single mom Vivian has been burned by love once before, and her job as a divorce lawyer has presented enough evidence to convince her there are no good men left in New York City. The worst offender is her new neighbor: Dr. Lucas Keller, a couple's therapist whose piercing blue eyes and flawless dark hair are just as annoying as his bad temper. And when Lucas starts poaching Vivian's clients by saving their marriages, she makes it her mission to force him out of the building to save her practice. But it's Lucas who gives her the perfect opportunity when he proposes an unexpected bet. With their offices at stake, Vivian and Lucas play the field of love in a fierce battle of wits that quickly turns hot and personal, especially when Vivian's daughter gets involved. Now, taking down Lucas has become more than business for Vivian. It's become a pleasure—and soon, Vivian and Lucas will realize how pointless it is to fight the laws of attraction. A fun, neighbors to lovers romantic comedy filled with heart. Be ready to laugh and swoon. Chick Lit Post This is Camilla Isley at her very best, it's funny, it's touching, it has threads of a tricky storyline, and the banter and chemistry between the two leads is rather evident from the beginning and it's just a sheer pleasure to read. **Caper Crush** Kathy Strobos 2022-07-14 A feel-good, opposites-attract, slow-burn romantic comedy *Somebody stole my painting!* The one I need for the career-defining Vertex Art Exhibit. This upcoming art show is my chance to finally be recognized as an artist—after ten years of waitressing and being asked if I still have that “lovely painting hobby.” I have mere weeks to find my painting or lose my artist dream forever—but it's going to mean working with William. William Haruki Matsumura. Good-looking, if you like the Secret Service type. You know, law-abiding, protector of women and children. That's all fine, but I can never tell what he's thinking. Which drives me crazy. He insists on coming along to do “damage control.” As if “accidentally” wandering into certain areas is “breaking and entering.” I may be an emotional artist, but William shouldn't dismiss my investigative skills yet. William is definitely my opposite, and if there's one takeaway from my parents' divorce, it's that opposites might attract, but it doesn't last. But detecting with William is kind of fun—and fluttery. I definitely can't trust these feelings, or can I? However this caper ends, I think this may be more than a crush. \*\*2023 Independent Press Distinguished Favorite Award for Romantic Comedy Search Terms: romantic comedy, opposites attract, caper, romance mystery, adventure romance, New York City romance, forced proximity, interracial romance, first person romance, artist romance

*Get Over Yourself!* Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

*Politiquette* Nadia Asencio 2015-11-12 Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that were part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

*The Guyde* Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
