A combination hopeless romantic and old soul trapped in a teenager's body, closet musician Emery Brooks wonders if she'll ever find a love as timeless as her grandparents'. Fear of judgment and social alienation due to her older brother's past mistakes render her incapable of writing a love song. Still, Emery holds fast to the ideals her Grandma Adeline instilled in her from a young age, vowing to allow God to handwrite her love story, to never settle for anything less. That is, until love cynic Sawyer Alston enters her world. Broken by the wrath of his parents' failed marriage, Sawyer has been uprooted from everything he's ever known and now sees love as a void of empty promises. For, despite her resistance, her first crush, her first glimpse at love, involves a boy who doesn't believe in love at all. A tale of love and loss reminiscent of old-fashioned values with a bit of sass and music mixed in, The Crush is perfect for fans of A Walk to Remember and This Lullaby.

Desiree Nielsen is a dietitian, one of the public's most trusted sources of nutrition information. Un-Junk Your Diet, she teaches readers about anti-inflammatory dieting in a way that's engaging, funny, and approachable. This book begins with a call to action to help shake up perceptions of what food means to our bodies and illuminate all the ways that marketers co-opt healthy eating messages to coerce us into choosing food that is unworthy. In addition, an in-depth look at the fundamentals of nutrition—with a splash of myth busting—strengthens readers' abilities to resist the latest nutrition headline and continue making healthier choices. Because there is no one right way for every individual eater, Nielsen offers a brief exercise in self-discovery before providing four distinct plans for becoming healthier.
