Maybe He Just Likes You - Barbara Dee 2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to

her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

Single Until... - Shajuana R. Ditto 2023-02-09

One thing is for certain, we serve a God that wants you to succeed in relationships. More importantly, your singleness matters to God. God wants you to discover who you are in Him while single. Prayerfully, if you are single, God wants you to understand your value and that you can experience victory even when you are by yourself. Singleness is not a curse. Your value doesn't decrease. Your worth shouldn't be questioned. No one should ever look over you because you are focused on your relationship with Christ. If you have ever felt lonely, experienced depression because you are single, cried yourself to sleep because someone broke your heart, this devotional is to help restore those broken pieces. This is the perfect time while single to become who God has called you to be. You are a royal priesthood, a chosen generation, and your relationship with Christ is the most important relationship that you and I have to steward over while single. Desperation will encourage you to get ahead of God and settle, but destiny will inspire you to wait on God's best. I made a choice over twenty years ago, as a teenager, to pursue purity and the presence of God. I made a vow to God that I would stay single until my heart lined up with God's Word. I prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way. *Single Until* is a resource to embrace your singleness and to walk in the confidence of the Lord.

The Need to be Liked - Roger Covin 2011-05

Almost everyone has a fundamental need to be liked by other people. It is a healthy and normal part of life. However, the need to be liked can also be associated with emotional, behavioural and even personality problems. The Need to be Liked is a book that explores the dark side of this human need. The author (Dr. Roger Covin) is a clinical psychologist who weaves together psychological research with his own clinical experiences in order to present a unique and original way of thinking about the need to be liked. Drawing on research and theory from various fields of psychology, Dr. Covin explains how people's experience with painful rejection shapes their way of thinking about themselves and others. Readers will learn how problems with the need to be liked can lead to depression, anxiety and other mental health concerns. Dr. Covin describes how the need to be liked expresses itself in numerous ways, ranging from subtle behaviours to aspects of one's overall personality. For example, the need to be liked can affect... ..being overly career-driven ...alcohol and drug use ...promiscuity ...one's excessive focus on appearance ...the decision to remain in an abusive relationship ...rumination about past relationships ...being overly self-critical or perfectionistic ...continually entering into relationships where you find the wrong partner ...sabotaging relationships Finally, Dr. Covin provides useful strategies and suggestions for how to manage problems with needing to be liked and dealing with rejection. The Need to be Liked is a fascinating and timely examination of a topic that affects the vast majority of people. Grounded in current research and theory, and articulated through Dr. Covin's experiences as a therapist, this book is a must read for those who have ever wondered - why do I need to be liked?
