Campus Legend Jennifer Sucevic 2022-06-01 From USA Today bestselling author Jennifer Sucevic comes the fifth and final standalone novel in the sexy Campus Series. Asher Stevens is a legend when it comes to Wildcat football. If the gossip that swirls through campus is true, he'll be one of this year's top NFL draft picks. To say I can't stand the guy is a major understatement. Other women might be taken in by his handsome face, chiseled body, and athletic prowess, but not me. I see him for what he is—a muscle bound, steroid-infused meathead who drinks like a fish, smokes weed, and screws like he's been sentenced to life in prison without the possibility of conjugal visits. So what if my pulse trips every time our gazes collide? Or my panties dampen when he lays hands on me? It means nothing. After three and a half years of steering clear, it seems like my luck has finally run out. Everywhere I go, there he is. Needling me at the restaurant where I work—check. Colliding on campus when I'm running late—double check. Showing up in a parking lot after an accident—triple check. No matter what I do, I can't get away from the guy. To make matters worse, my life is on the verge of imploding and the one person I want to avoid like the plague is the very same one who comes to my rescue, making me an offer I can't refuse. One that involves spending time alone with him when that's the last thing I want to do. You know what scares me most? The fleeting glimpses I catch buried beneath all the hype. The ones that suggest he's deeper and more intelligent than I suspected. Resisting the campus legend is easy. Resisting the man he's slowly revealing himself to be isn't. --- "Campus Legend gave me ALL THE FEELS and deserves even more than 5 stars. The Tao of Dating Ali Binazir 2012-06-13 The #1-Rated Dating Book by Readers on Amazon for 3+ Years Running This is what readers say: 'I have read many books about relationships and dating, but The Tao of Dating is one of a kind, so different and mind-blowing in its common sense and simplicity that it is impossible to put it down once you start reading.' 'Well, where shall I start? Mind blowing? Life-changing? Truly opened my eyes? No words can express how much I love this book. I wish I had read it much earlier.' 'I keep this book in a small, carefully chosen, boxed collection of 'indispensable advice I wish I had written' that I will pass along to my children as they navigate through teens, twenties, early adulthood and beyond.' 'This turned out to be one of the most transformative books I have ever read much more so than I thought it possibly could be.' 'The content is

intelligent and compassionate and enriching far beyond anything to do with dating. In essence, this book somehow, magically, alchemically, brings you back to yourself. Everyday TV and other media specialize in portraying women as cheap and disposable. This book is the antidote. Just by reading it, one is restored to one's own heart. I can think of no better praise.' '1.5 reads of the book in and I can honestly say that I not only have a clear sense of the basic things that I was doing that were completely throwing off the dynamic with these men, but that I now have simple, quite beautiful little tools in mind when I'm interacting with men that make me properly excited to date. I'll admit that I bought a few books in this vein in one lump...but 'The Tao of Dating' just completely blew them out of the water.' 'This is the most helpful dating book that I have experienced! At the time of my purchase I also downloaded two other books and after reading this I can't even get through the first chapter of the other ones.' 'Thanks to this specific book, I went from having a nonexistent dating life, with empty weeks stretching ahead to being booked every night of the week and in some cases, having two or three dates per evening... the results, for me, were dramatic: I now feel like I have my pick of the litter a slew of fabulous guys who all clamor for my attention.' Can You Have it All? Hell Yeah! I believe that smart, successful women CAN have it all -- both a great career AND a rich, warm, fulfilling love life. Do read on if you agree. See -- smart women like yourself were having unfulfilling love lives on an epidemic scale when I was an advisor at Harvard. They either couldn't find the right guy, were with the wrong guy, had relationships that didn't last, or had given up on dating entirely. So I wrote this book to remedy the situation. This is not your grandma's dating guide. Partially because I'm not your grandma, and partially because the 21st century poses unprecedented challenges to the modern woman. With a high-powered career, it may seem that there just isn't time for love. And nowadays, lots of guys are less educated & affluent than you. What to do? Ancient Wisdom + Modern Science = Lasting Love & Happiness for You This book combines ancient wisdom with modern science to give smart, successful women like yourself a heart-centered, science-based, practical guide to finding fulfillment in your love lives -- and far beyond. I give it all to you in a progression of small, easy steps that put the fun back in dating, plus the science and reasoning behind it so you can trust where it all comes from. The Road to Home Vartan Gregorian 2008-06-30 Vartan Gregorian's tale starts with a childhood of poverty, deprivation, and enchantment in the Armenian quarter of Tabriz, Iran. As the world reeled from depression into six years of warfare, his mother died, leaving his grandmother Voski as the loving staff of his life. Through unlettered example and instruction, he learned about the first of his many worlds: the strenuousness required for survival, the fairy tale that explained existence, the place and name of his own star in the night sky, how to maneuver as a member of a Christian minority in a benevolent Muslim kingdom, the beauty and inspiration of Armenian Church liturgy, the exciting foreign world of ten-year-old American westerns, the richness of life on the streets. He learned the magic of the innumerable worlds he could find in books -- and he wanted to visit them all. As the spell books cast on him grew more powerful, so did the constraints imposed by his father's indifference to his dreams of redirecting his life through learning. So, one day when he was fifteen years old, he presented himself at an Armenian-French lycee in Beirut, Lebanon, to start the arduous task of becoming a person of learning and consequence. This book tells not only how he reached that school but also about the many people who guided, supported, taught, and helped him on an extravagantly absorbing and varied journey from Tabriz to Beirut to Palo Alto to Tenafly to London, from Stanford University to San Francisco State University to the University of Texas at Austin to the University of Pennsylvania to the New York Public Library to Brown University and, currently, to the presidency of Carnegie Corporation of New York. With witty stories and memorable

encounters, Dr. Gregorian describes his public and private lives as one education after another. He has written a love story about life.

The Case for Falling in Love Mari Ruti 2011-02-01 Praise for *The Case for Falling in Love* "Why play 'hard to get' when you can just get what you want? Mari Ruti's lively research, from Plato to Freud to Gossip Girl to her own bedroom, finally puts an end to playing games, and provides a resource for lovers and the love-scorned alike. A must-read for anyone who has ever fallen in love, wants to, or wants to know what went wrong." -Arienne Cohen, creator of *TheSexDiariesProject.com* "At last, a relationship advice book that will actually work. If you're intelligent, interested in love, and like a book you can't put down, this is it. John Gray, move over. The brilliant Mari Ruti has arrived." -Juliet Schor, professor of sociology, Boston College, and author of *Born to Buy* and *Plenitude: The New Economics of True Wealth* "Groundbreaking...Ruti opens the eyes of her readers so that they can love better...A must-read." -Nancy Redd, New York Times bestselling author of *Body Drama* "Finally, a book that takes love seriously. Written with passion and verve...I wish I had read this book years ago!" -Sean Carroll, author of *From Eternity to Here: The Quest for the Ultimate Theory of Time* Are you tired of reading book after book and playing game after game, trying to avoid heartbreak? It seems impossible, and maybe that's because you can't lock up your heart like that-not if you want the real thing. And maybe that's one of the best things about love. We've been thinking about it all wrong. Our culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good. The more we try to manipulate our relationships, the less we are truly able to experience love's benefits and wonders. Love is a slippery, unruly thing, and trying to control and manage it robs us of its delicious unpredictability. Sure, letting go of the reins a bit might mean a broken heart, but heartbreak, in fact, offers a wealth of possibilities-creativity, wisdom, and growth-that we need in order to make the most of our lives. Liberating for women who are frustrated by the idea that they just need to learn the right "formula," *The Case for Falling in Love* shows that there isn't a method to mastering the madness of love. But that might be exactly what's so wonderful about it.

All I Want Is Loving You Steve Bergsman 2023-10-30 In *All I Want Is Loving You: Popular Female Singers of the 1950s*, author Steve Bergsman focuses on the white, female artists of the 1950s, a time that predated the chart-topping girl groups of the early 1960s. These popular performers, many of whom graduated out of the big bands of the 1940s, impacted popular music in a huge way. As the last bastion of traditional pop and the last sirens of swing, they undeniably shined in the spotlight. Yet these singers' fame dimmed relatively quickly with the advent of rock 'n' roll. A fortunate few, like Doris Day, Patti Page, Peggy Lee, and Debbie Reynolds, experienced some of their biggest hits in the late 1950s, and Eydie Gormé broke out in the 1960s. The luckiest, including Dinah Shore and Rosemary Clooney, ventured to television with varying degrees of success. Others would become major attractions at nightclubs in Las Vegas or, like Teresa Brewer, shift into the jazz world. Though the moment did not last, these performers were best-selling singers, darlings of the disk jockeys, and the frenetic heartbeat of fan clubs during their heyday. In a companion volume, Bergsman has written the history of African American women singers of the same era. These Black musicians transitioned more easily as a new form of music, rock 'n' roll, skyrocketed in popularity. In both books, Bergsman reintroduces readers to these talented singers, offering a thorough look at their work and turning up the volume on their legacy.

A Woman's Place Shirley Morahan 1981-06-30 A truly liberated rhetoric and reader has at last become available to courses in composition, with the publication of *A Woman's Place*. This unique textbook explores the notion of writing as self-definition and, as a consequence, the relationship between gender and writing. Convinced that writing is a meaningful process, performed with commitment, Dr. Morahan has created a course that simultaneously sharpens writing and thinking skills and contributes to the consciousness-raising of women and men in today's world. Her "pedagogy for liberation" creates a student-centered classroom, in which a spirit of collaboration replaces one of competition, by means of peer editing, tutorial approaches, and small group activities. The literary passages of *A Woman's Place* are, both stylistically and thematically, tied in with the lessons directly. At the same time, they function as a compact women's studies course. Research and writing are organized around a cluster of shared themes—problems that all students are addressing in their lives: power vs. powerlessness, passivity vs. action, identity, oppression vs. freedom, and the nurturance of creativity. Taken from the works of professional writers, including such well-known individuals as Adrienne Rich, Tillie Olsen, Joan Didion, Virginia Woolf, Margaret Mead, Mary Wollstonecraft, Jonathan Swift, and Sylvia Plath, they are often accompanied by short excerpts from

student essays. Useful bibliographical notes suggest further readings.

Kierkegaard's Writing, III, Part I Søren Kierkegaard 1987 Søren Kierkegaard, the nineteenth-century Danish philosopher rediscovered in the twentieth century, is a major influence in contemporary philosophy, religion, and literature. He regarded Either/Or as the beginning of his authorship, although he had published two earlier works on Hans Christian Andersen and irony. The pseudonymous volumes of Either/Or are the writings of a young man (I) and of Judge William (II). The ironical young man's papers include a collection of sardonic aphorisms; essays on Mozart, modern drama, and boredom; and "The Seducer's Diary." The seeming miscellany is a reflective presentation of aspects of the "either," the esthetic view of life. Part II is an older friend's "or," the ethical life of integrated, authentic personhood, elaborated in discussions of personal becoming and of marriage. The resolution of the "either/or" is left to the reader, for there is no Part III until the appearance of Stages on Life's Way. The poetic-reflective creations of a master stylist and imaginative impersonator, the two men write in distinctive ways appropriate to their respective positions.

The Letters of Cole Porter Cole Porter 2019-11-25 The first comprehensive collection of the letters of one of the most successful American songwriters of the twentieth century From Anything Goes to Kiss Me, Kate, Cole Porter left a lasting legacy of iconic songs including "You're the Top," "Love For Sale," and "Night and Day." Yet, alongside his professional success, Porter led an eclectic personal life which featured exuberant parties, scandalous affairs, and chronic health problems. This extensive collection of letters (most of which are published here for the first time) dates from the first decade of the twentieth century to the early 1960s and features correspondence with stars such as Irving Berlin, Ethel Merman, and Orson Welles, as well as his friends and lovers. Cliff Eisen and Dominic McHugh complement these letters with lively commentaries that draw together the loose threads of Porter's life and highlight the distinctions between Porter's public and private existence. This book reveals surprising insights into his attitudes toward Hollywood and Broadway, and toward money, love, and dazzling success.

Love to Hate You Jennifer Sucevic 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a funny, sexy standalone novel. Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles (no—seriously, I don't want to talk about them). The guy works out like it's his job. Did I mention that he's one of this year's top NFL draft picks? Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. What girl with a beating pulse wouldn't be? But his obnoxious presence killed any attraction I might have felt a long time ago. All right, fine...that's not altogether true. The guy is smoking hot, okay? There, I admitted it. Sheesh. But that doesn't mean he's not a conceited jerk. Carter is my cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. But he's incapable of restraining himself. So when he takes his antics too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I taking things too far if I whip up a batch of laxative laced brownies, so he'll crap himself all over the field? Nope, I don't think so... The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you think I was going to say something else? Please, as if that would happen... --- "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon worthy moments!" -Emma, GoodReads "The antics between Carter and Daisy are crazy funny. I haven't enjoyed a really big laugh in a while" -Shari, GoodReads "Carter and Daisy are made for each other" -Cindie, GoodReads "I really loved Daisy and Carter! Rainbow Bridge Wen Shaoxian 2011-03-01 In October 2002, WHO of the United Nations listed China's Great Leap Forward, the two world wars and Stalin's purge movement as the three most disastrous events of mankind in the 20th century. Rainbow Bridge reflects the chaotic years of the "Three Red Banners" pursued by the Communist Party of China (CPC). The "Three Red Banners," namely, the CPC's General Line for Socialist Construction, the Great Leap Forward and the people's communes, focally representing the radical economic line of the CPC in late 1950s to early 1960s. This line had pushed the Chinese national economy to the verge of collapse. The novel exposes the shaping, the complete process and the disastrous consequences of the "Three Red Banners" with the "Great Leap Forward" as the main episode, through continuing describing Simon Chan's experience and his relations with the people of various strata around him. It faithfully depicts the unprecedented nation-wide great famine caused by the "Three Red Banners" in an all-round way. The great famine, which leads to the death of more than thirty millions of people, lasts for as long as three years. The genuine friendship between Simon and Phoenix fostered through weal and woe during that time, their subtle relations and the tragedy in which Phoenix, this innocent, artless and beautiful country girl, drowns herself in the Rainbow River as a protest against the ultra-Leftist line, are an exceptionally sad and touching story of the Great Leap Forward. The novel gives authentic and detailed descriptions of all these things. Rainbow Bridge is the first and the only novel that exclusively gives a vivid, authentic and all-round narration of the Great Leap Forward movement so far.

Dating Asian Women Daniel Marques 2012-12-08 Asian women are among men's most favorite, due to their caring behavior, dedication to family values and, obviously, for being among the most beautiful women in the world. As this planet changes furthermore into a melting pot of different cultures, the understanding of what makes us different allows a better assimilation of the characteristics that enable more harmony among people of different backgrounds. Every human being is unique and we must be aware that when analyzing a concept as vague as Asian women we're basically dealing with stereotypes as well as tendencies, common behaviors and, at most, probabilities, that couldn't represent all women in Asia or abroad. Within these boundaries, this book won't try to explain the reasons behind the facts, but rather describe what can be expected from a relationship with an Asian woman. The knowledge here presented resumes years of interviews with hundreds of women in Asia regarding their expectations, needs and beliefs, but also with men that married them. For more than six years there was a quest to identify the paradigms that women from these countries have, but along the way it became evident that it has complex, unique, historical and political backgrounds supporting it, and that's why we may notice dramatic changes in those living abroad. Nevertheless, the strong link they keep with their families assures that the influence of their heritage remains as a major compulsive determinant of their thoughts and actions. Based on evidences found, it is believed that this is probably one of the most updated and accurate of modern manuals on the topic of dating Asian women. This book won't show special tricks or techniques to make an Asian woman fall in love immediately, but it does describe them within a wider explanation demonstrating why they're effective, how and in which way. For this reason, this book could be useful for both men and women from any culture, as it allows a better understanding of certain societies and the role of women inside them. The content here exposed has been widely debated among groups of Asian women and they all recognized the truth in it, even though they're unable to accept their lack of insights about why this represents their reality. Some do want to change and become more truthful to their individuality, but the strong bond to their own group of belonging leads them to a life in which not having an identity or personal opinion is a skill that is as much requested as it's demanded to survive, socialize and prosper. It's at this point that the concept of being human applies to an extent in which labeling some as Asian just because of appearance would be a diminishing approach to understanding who they truly are. However, the vast majority, due to a huge amount of reasons and even when confronted with their belief-system, will always continue to do

what this book describes, and that's why this knowledge can be so efficient. For married couples this perspective can actually help improve their relationship and make it more harmonious, by providing explanations about the interrelation of Asian values with others. The principles here presented have been exposed and taught to both Western and Chinese men to make sure that the knowledge was 100% correct and the results were always as expected. But, more than providing a clear, precise and successful method to finally understand Asian women and know how to date them, make them happy and be the one they want to marry with, this book has a higher and wider intention and that's making this world a better place for everyone. Cultures serve a purpose and they should change as we change for the better, but while they don't we can make an effort to understand them.

The Football Hotties Collection Jennifer Sucevic 2022-12-26 From USA Today bestselling author Jennifer Sucevic comes a sexy, new adult college sports romance collection featuring three football playing hotties. King of Campus Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. People, by which I mean grown women, stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year. I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. I have three words for you—avoid, avoid, avoid. I've had the sad misfortune of running into him on campus. Literally. As in—I literally slammed into him before spilling my iced coffee all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a— I also learned that he has the most spectacular chest. Unfortunately for me, Operation—Avoid Roan King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall. Campus Player Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at. Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. But what if Rowan isn't the player I pegged him to be? What if one little secret has the capability to change everything between us? Love to Hate You Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles. The guy works out like it's his job. Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. But his obnoxious presence killed any attraction I might have felt a long time ago. Carter is my cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. So when he takes his antics a little too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I necessarily taking things too far if I whip up a batch of laxative laced brownies? The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you actually think I was going to say something else? Please, as if that would happen... - -- Reviews "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?!" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon worthy moments!" -Emma, GoodReads "The antics between Carter and Daisy are

Campus Player Jennifer Sucevic 2020-12-26 From USA Today bestselling author Jennifer Sucevic comes a new standalone novel. Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at, and basically stalk him around campus. It's a little nauseating. Don't these girls have any self-respect when it comes to a hot guy? Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like the plague. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. The one guy I'd like to steer clear of is the very same one I can't seem to get away from. But what if Rowan isn't the player I pegged him to be? What if one little secret has the capability to change everything between us? ---- "I liked the slow burn between them even though it was evident from the beginning that they had tons of chemistry!!!!" - Christie, GoodReads "The sexual tension between Rowan and Demi are off the charts hot" -Shawna, GoodReads "This was a sweet read with a HEA guaranteed. Will totally get you in all the feels" - Yesenia, GoodReads "The characters are everything you need and the sizzle will ignite to cause an explosion" - WhisperedSecrets, GoodReads "I am all types of obsessed with Rowan Michaels, and I think he's my new book boyfriend on the leaderboard" - Chanon, GoodReads Read the entire Campus Series *Campus Player* *Campus Heartthrob* *Campus Flirt* *Campus Hottie* *Campus God* *Campus Legend* Topics- New adult sports romance, new adult, contemporary romance, sports romance, college romance, enemies-to-lovers, virgin romance, Campus Series, virgin hero, campus romance, football romance. With a Crooked Stick—The Films of Oscar Micheaux J. Ronald Green 2004 With a "crooked stick," filmmaker Oscar Micheaux (1884–1951) sought to hit a "straight lick" by stressing the strategic importance of class mobility, or "uplift," for African Americans. A theme in all of his more than 40 feature-length, black-produced, black-directed, black-cast, and black-audience films, uplift would allow for the better things in life: fast cars and fancy clothes, freedom of belief, financial security, and an unencumbered intellectual life. Although racism was an impediment to uplift for Micheaux and other African Americans, race as a category was of a secondary order for him in the larger game of class. In *With a Crooked Stick*, J. Ronald Green pursues this seeming contradiction in a detailed analysis of each of Micheaux's 15 surviving films. He presents critical commentary on each film's plot and action and its contribution to the overall theme of uplift. Readers will also find this an invaluable guide to the preoccupations and features of Micheaux's remarkable career and the insight it provides into the African American experience of the 1920s and 30s.

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the *New York Times* and the *Washington Post*. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

Going Full Speed Steven M. Rosenberg 2015-03-24 On the football field, Sean Taylor was feared by opposing teams. Off the field, he was loved by those who knew him best, as well as his many fans. Tragically, Sean was killed in a home invasion gone wrong. However, "Going Full Speed, the Sean Taylor Stories" is not just about being at the wrong place at the wrong time. It's Sean's father, Pedro "Pete" Taylor's recollection of raising, training, then losing his superstar son. But Sean Taylor was no saint. And in the words of his father, he wants to give readers "the good, the bad and the ugly." Sean Taylor touched many lives. In "Going Full Speed" you'll be touched by stories from family, friends, teammates, coaches, and the owner of the Washington Redskins and more. Thirty-three people in all share their favorite personal stories of the fallen superstar. You'll "hear" from names such as University of Miami coaches Larry Coker, Curtis Johnson, Don Soldinger and teammates Buck Ortega and Jon Vilma. From the Washington Redskins, coaches Gregg Williams and Steve Jackson, teammates Santana Moss, Clinton Portis, Renaldo Wynn and team owner Daniel Snyder share their favorite anecdotes. Some stories are hilarious, some heartwarming, and some are heartbreaking. So you may want to read this book with a box of tissues close by. Highlights of the book include: - revelations, Sean stories never before told; - life lessons, talks that would serve Sean -- or frankly anyone -- well in life; and, - training tips, things Pete Taylor taught Sean in order to get his body and mind ready for school and competition. This book is a must have for football fans, Sean's fans, student athletes, and parents of athletes.

Originally envisioned as a modest publication that would take only four months to write, it evolved into a work of more than 5700 pages written over a period of 41 years and was completed in 1922, long after the deaths of its visionary authors and editors, Elizabeth Cady Stanton and Susan B. Anthony. However, realizing that the project was unlikely to make a profit, Anthony had already bought the rights from the other authors. As a sole owner, she published the books herself and donated many copies to libraries and people of influence. Elizabeth Cady Stanton (1815-1902) was an American suffragist, social activist, abolitionist, and leading figure of the early women's rights movement. Susan B. Matilda Gage (1826-1898) was a suffragist, a Native American rights activist and an abolitionist. Ida H. Harper (1851-1931) was a prominent figure in the United States women's suffrage movement.
