Rent a Boyfriend - Gloria Chao

2021-11-09

"Chloe Wang is nervous to introduce her parents to her boyfriend, because the truth is, she hasn't met him yet either. She hired him from Rent for Your 'Rents, a company specializing in providing fake boyfriends trained to impress even the most traditional Asian parents. Drew Chan's passion is art, but after his parents cut him off for dropping out of college to pursue his dreams, he became a Rent for Your 'Rents operative to keep a roof over his head. Luckily, learning protocols like 'Type C parents prefer quiet, kind, zero-PDA gestures' comes naturally to him. When Chloe rents Drew, the mission is simple: convince her parents fake Drew is worthy of their approval so they'll stop pressuring her to accept a proposal from Hongbo, the wealthiest (and douchiest) young bachelor in their tight-knit Asian American community. But when Chloe starts to fall for the real Drew, who, unlike his fake persona, is definitely not 'rent-worthy, her carefully curated

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of

attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III

will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't

understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Unprotected - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health

providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

Not the Girl You Marry -

Andie J. Christopher

2019-11-12

How To Lose a Guy in 10 Days gets a millennial makeover in this romantic comedy by USA Today bestselling author Andie J. Christopher. "The way Jack sets out to win Hannah back is really the stuff of true romance."—NPR Jack Nolan is a gentleman, a journalist, and unlucky in love. His viral success has pigeon-holed him as the how-to guy for a buzzy, internet media company instead of covering hard-hitting politics. Fed up with his fluffy articles and the app-based dating scene as well, he strikes a deal with his boss to write a final piece de resistance: How to Lose a Girl. Easier said than done when the girl he meets is Hannah Mayfield, and he's not sure he wants her to dump

him. Hannah is an extremely successful event planner who's focused on climbing the career ladder. Her firm is one of the most prestigious in the city, and she's determined to secure her next promotion. But Hannah has a bit of an image problem. She needs to show her boss that she has range, including planning dreaded, romantic weddings. Enter Jack. He's the perfect man to date for a couple weeks to prove to her boss that she's not scared of feelings. Before Jack and Hannah know it, their fake relationship starts to feel all too real—and neither of them can stand to lose each other.

Rohan, on the other hand, is determined to prove his love for Aditi and show her that she is not loved the way she deserves to be loved. The paths of these two intertwine in the most unpredictable of ways and what entails is a turbulent yet light-hearted journey of falling in love, the ups and downs of being in love with someone you can't have, the pains and the heartbreaks, the cute chats and talks, and of course, the memorable college days that would make anyone revisit that golden time of their lives. This is not a love story... this is a story about love!
