The House Girl Tara Conklin 2013-02-12 "Assured and arresting...You cannot put it down." (Chicago Tribune) *The House Girl*, the historical fiction debut by Tara Conklin, is an unforgettable story of love, history, and a search for justice, set in modern-day New York and 1852 Virginia. Two remarkable women, separated by more than a century, whose lives unexpectedly intertwine . . . 2004: Lina Sparrow is an ambitious young lawyer working on a historic class-action lawsuit seeking reparations for the descendants of American slaves. 1852: Josephine is a seventeen-year-old house slave who tends to the mistress of a Virginia tobacco farm—an aspiring artist named Lu Anne Bell. It is through her father, renowned artist Oscar Sparrow, that Lina discovers a controversy rocking the art world: art historians now suspect that the revered paintings of Lu Anne Bell, an antebellum artist known for her humanizing portraits of the slaves who worked her Virginia tobacco farm, were actually the work of her house slave, Josephine. A descendant of Josephine's would be the perfect face for the lawsuit—if Lina can find one. But nothing is known about Josephine's fate following Lu Anne Bell's death in 1852. In piecing together Josephine's story, Lina embarks on a journey that will lead her to question her own life, including the full story of her mother's mysterious death twenty years before. Alternating between antebellum Virginia and modern-day New York, this searing tale of art and history, love and secrets explores what it means to repair a wrong, and asks whether truth can be more important than justice. Featuring two remarkable, unforgettable heroines, Tara Conklin's *The House Girl* is riveting and powerful, literary fiction at its very best.

Girl Zines Alison Piepmeier 2009-11-18 Stroll through any public park in Brooklyn on a weekday afternoon and you will see black women with white children at every turn. Many of these women are of Caribbean descent, and they have long been a crucial component of New York's economy, providing childcare for white middle- and upper-middleclass families. *Raising Brooklyn* offers an in-depth look at the daily lives of these childcare providers, examining the important roles they play in the families whose children they help to raise. Tamara Mose Brown spent three years immersed in these Brooklyn communities: in public parks, public libraries, and living as a fellow resident among their employers, and her intimate tour of the public spaces of gentrified Brooklyn deepens our understanding of how these women use their collective lives to combat the isolation felt during the workday as a domestic worker. Though at first glance these childcare providers appear isolated and exploited—and this is the case for many—Mose Brown shows that their daily interactions in the social spaces they create allow their collective lives and cultural identities to flourish. *Raising Brooklyn* demonstrates how these daily interactions form a continuous expression of cultural preservation as a weapon against difficult working conditions, examining how this process unfolds through the use of cell phones, food sharing, and informal economic systems. Ultimately, *Raising Brooklyn* places the organization of domestic workers within the framework of a social justice movement, creating a dialogue between workers who don't believe their exploitative work conditions will change and an organization whose members believe change can come about through public displays of solidarity.

Justified Affair Unavailable - I was always good at running away when the going got tough. For me, getting caught

screwing the wife of a drug dealer was about as tough as it was going to get. So I got the heck out of dodge. That's how I found myself in New Jersey, with no money and no friends. And certainly no reason to stick around. Until I met Andrea. Married, straight Andrea, who was just as beautiful as she was kind. Andrea, who turned my predicament into an opportunity. Andrea, whose happy marriage wasn't what it seemed... Now I have every reason to stick around. Untamed - At first I thought Andrea would want me out of her house, after what I did, but we somehow became closer. Became friends, even. I was the one she turned to when she needed to be comforted, after her husband showed his true colors. And then we became closer than I ever thought possible... She was definitely worth the wait. Unjust - Everything was perfect. I had it all: a place to live, a job, and a beautiful woman who wanted me as much as I wanted her. Who submitted to me whenever I wanted her. It wasn't a dream, but it sure as hell felt like one. Then I opened my big mouth and ruined everything. I pushed her away with my "honesty". What was said couldn't be unsaid. And now? Now things have changed between us, and I don't think they will ever be the same again. Who said honesty was the best policy? The Neighbor Part One - "You have the misfortune of living next door to Azalea's very own Cleopatra. The little harlot who'll sleep with anything that moves." After ending my marriage and uprooting my teenage son to my hometown against his wishes, I knew things would be tough at first. But with the good weather, the chance to be close to my parents, and the opportunity to reconnect with old friends, it seemed like a good idea at the time. And it was, until she came into my life. The infamous Casey Adams, a woman who'd succeeded in turning the whole street against her just by being irresistible. I wasn't going to let her get under my skin... But it's difficult when she's always there, right next door, being so friendly and beautiful, being the opposite of what everyone described. Awakening within me feelings I didn't know existed. Who can resist that? Part Two - "She'll take everything from you, bleed you dry, spit you out and move on to the next gullible person who gives her the time of day. Staying away from her from now on is your best option." Getting closer to Casey was a choice; falling for her was out of my control. Everyone warned me to stay away from her. But that just made me want her even more. For the first time in my life I was letting my body do the thinking. And now I could lose everything. My comfortable life, my family. All because I fell for the wrong person; all because I fell for a woman. Now I have to choose - love or acceptance. Set Dreams Book 1 - Nyla Rossi - brunette beauty, once voted Sexiest Woman Alive. Former action star, now my co-star. Hobbies include being an unapologetic homophobe, and hating me! She's made no secret of her dislike for me and my "lifestyle". The whole world knows about it. What the whole world doesn't know, however, is what goes on when the cameras stop rolling, and when we're alone together... Being hated never felt so good. Book 2 - I was foolish to think that what happened between us would change things. If anything it made things worse. Knowing me intimately gave Nyla power over me. And worst of all, I can't stop thinking about her. She's made it difficult to move on. But luckily for me, I don't have to. Book 3 - After what she did and said to me, I wanted her dead. I regretted ever letting her touch me. I couldn't stand being in the same room as her. The show started to suffer. I'd finally seen the real Nyla Rossi, and I hated her. But then she did something that made me question my opinion of her. She showed me a side of her I never knew existed. A side the rest of the world had never seen. And then, what started off as hate-sex became something more. So much more. This is a lesbian erotic romance collection. Contains strong language and adult scenes. For Mature Audiences Only.

A Girl's Guide to Personal Hygiene Tallulah Pomeroy 2018-02-01 "A Girl's Guide to Personal Hygiene is everything I never knew I wanted: a disgusting, hilarious, and honest book that pays tribute to the female body and all of its habits and suppurations. It is delightfully and uncomfortably relatable and I love it with my whole self—heart, sweat, bowels, and all."—Carmen Maria Machado, author of *Her Body and Other Parties* We sniff our knickers; we bite our own toenails; we laboriously dig out ingrown hairs: Women aren't as ladylike as people would like to imagine. Using anecdotes collected from hundreds of anonymous sources, this gleefully disgusting illustrated book rewrites our definition of femininity. One day, the artist Tallulah Pomeroy overheard a conversation between two girls about another friend of theirs they knew in college. Apparently, when this friend had been on tour with the rugby team, she'd drunkenly 'done a shit in the sink.' 'She's not a girl if she did that,' said one to the other. 'She may have a vagina, but she's not a girl.' This exchange made Tallulah laugh, but it also made her think. How many things had her friends done that meant they 'weren't girls?' She made a Facebook group and asked people to submit stories about their 'unladylike' behaviors. The page was soon flooded with more stories than she could have ever imagined: about ear wax and trapped wind, gray pubes and bloody pajamas. It became a community of honest, funny, and supportive women, who, by admitting to things they'd thought were shameful, no longer had to feel ashamed. For *A Girl's Guide to Personal Hygiene*, Tallulah made original illustrations to accompany a selection of those Facebook posts—plus dozens more from an expanded call for submissions—to create an exuberant and galvanizing handbook for all the nasty women of the world.

Still, she can't help but be charmed by the beautiful seaside town and its sweetly old-fashioned ways. Little House in the Hollywood Hills: A Bad Girl's Guide to Becoming Miss Beadle, Mary X, and Me Charlotte Stewart and Andy Demsky 2016-06 Charlotte Stewart is known by millions of fans worldwide for her role as the beloved schoolteacher, Miss Beadle, on the iconic TV show, *Little House on the Prairie*, currently broadcast in syndication in more than 100 countries around the world. Here for the first time an adult cast member writes about the experience of making the show—the challenges, the joys, and the sometimes-turbulent behind-the-scenes relationships. Charlotte, with Andy Demsky, reveal a no-holds-barred, heart-breaking, and ultimately joyful account of fifty years in film and television offers a backstage pass to Hollywood's cocaine-fueled glory years in the 1970s, and includes Charlotte's celebrated work as Mary X in David Lynch's cult classic film, *Eraserhead*, as well as her later work as Betty Briggs in the highly-rated television series, *Twin Peaks*. Charlotte recalls working with leading men, from Jimmy Stewart, Elvis Presley, Kevin Bacon, and Kyle MacLachlan. She also details off-stage friendships with Neil Young and Joni Mitchell, as well as with relationships and flings with some of TV, film, and music's biggest names, including Jon Voight, Richard Dreyfuss, Victor French, Tim Considine, Bill Murray, and Jim Morrison. Ultimately, Charlotte's story is that of a survivor. Six years after her career-making role on *Little House on the Prairie*, she lost everything and was living on vodka and hotdogs. Yet through the darkest periods of her life—divorce, drug-use, cancer, financial ruin, the death of a spouse, and alcoholism—she never lost her humanity or sense of humor. David Lynch writes, "Charlotte Stewart is my kind of girl—a talented, courageous actress—a loyal friend and one who brings happiness to work." Charlotte's story is far from over. She is set to reprise her role of Betty Briggs in the new *Twin Peaks* series to be seen on Showtime in 2017. Throughout the year, she is a featured celebrity in fan events and festivals for *Little House on the Prairie* and *Twin Peaks* both in the U.S. and abroad. Co-author Andy Demsky is a writer and journalist, whose work has been published in the *San Francisco Chronicle*, *Los Angeles Times* magazine and *Better Homes & Gardens*, and he co-wrote Doug Shafer's critically acclaimed memoir, *A Vineyard in Napa*. "An inspiring story of survival -- through recovery from alcoholism, breast cancer, and the death of her beloved husband to how she rediscovered life, love, and the thrill of meeting her legions of prairie fans. Moving, yet hilarious, with a healthy dose of celebrity name dropping -- and enough sex to burn down the prairie!" -- Alison Arngrim, who starred alongside Charlotte in *Little House on the Prairie*, playing Nellie Oleson "I never knew Miss Beadle knew so much about sex, drugs, and rock-n-roll." -- Neil Young, who directed Charlotte in the classic film *Human Highway* "Her personal life is a movingly told story of survival. She candidly wrestles with who she was—beloved schoolteacher Miss Beadle on TV while in real life dealing with alcoholism, sex, drugs, rock 'n' roll, breast cancer and the death of one of her

husbands. How she survived her own mental and moral lapses, stupidity and mistakes makes her bio absolutely one of the most honest, compelling, well written bios I've ever read." - Western Clippings

Black Girl In Love (with Herself) Trey Anthony 2021-01-05 Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized "keeping it real" to-do list on how to practice self-love and self-care. Therapy is not just for white women-no matter what your momma told you! After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love (with Herself)*, Trey breaks down the lessons and tools that she used to heal her life, including how to: Set clear and healthy boundaries-even with the people who raised you Quit being the family ATM Sort out who is a real friend, and who is just there for parties and gossip Confront microaggressions at work without missing a beat Forget who black women are "supposed" to be And fall in love with yourself!
