How Lulu Lost Her Mind - Rachel Gibson 2020-07-21

From New York Times bestselling author Rachel Gibson comes the story of a mother-daughter journey to rediscover the past before it disappears forever. Lou Ann Hunter's mother, Patricia, has always had a passionate nature, which explains why she's been married and divorced five times and spooned enough male patients to be ousted from three elderly care facilities. She also has Alzheimer's, which is why she wants to spend the rest of her life surrounded by childhood memories at Sutton Hall, her family's decrepit plantation home in Louisiana. Lou Ann, a.k.a. Lulu the Love Guru, has built an empire preaching sex, love, and relationship advice to the women of America—mostly by defying the example her mother has set for her. But with Patricia suddenly in need of a fulltime caretaker, Lou Ann reluctantly agrees to step out of the spotlight and indulge her mother's wishes, even if it means trading in her Louboutins and Chanel N°5 for boots and mosquito repellent. Upon her arrival at Sutton Hall, Lou Ann discovers that very little functions as it should—least of all Patricia's mind. And as she adjusts to this new and inevitably temporary dynamic with the help of a local handyman and a live-in nurse, she is forced to confront the reality that neither her nor her mother's future is going according to plan. Heartrending at times and laugh-out-loud funny at others, *How Lulu Lost Her Mind* is the book for everyone and their mother. Fans of Emily Giffin, Kristan Higgins, and Jill Shalvis won't be able to forget it.

A Shoe Story - Jane L. Rosen 2022-06-28

"I LOVED THIS BOOK! ...smart, sensitive and incredibly satisfying."

—Elin Hilderbrand "Jane L. Rosen has a forever fan in me."—Emily Henry
A young woman has one month and a closetful of shoes to discover the future she thought she'd lost in this captivating new novel from the author of *Eliza Starts a Rumor* and *Nine Women, One Dress*. Esme Nash is eager to leave her small town and begin her carefully planned post-grad life: a move to New York City, an apartment with her loving college boyfriend, and a fancy job at an art gallery. But when tragedy strikes, instead of heading to Manhattan, she returns home to care for her ailing father, leaving every bit of her dream behind. Seven trying years later, Esme is offered a dog-sitting job in Greenwich Village by a mysterious stranger, giving her access to all of her long-buried hopes and dreams—as well as to an epic collection of designer shoes. Esme jumps at a second chance to step into the future she's sure was meant to be hers. As she retraces her steps, one pair of borrowed shoes at a time, making new friends and reconnecting with her old love, Esme tries on versions of herself she didn't know existed. But the hazy August days and warm summer nights pass too quickly, and Esme must decide how much of the life she imagined still fits, and what—and who—is on the road ahead of her.

Goody Two Shoes - Janet Elizabeth Henderson 2014

Take one American singer who doesn't believe in falling in love... Josh McInnes' biological clock is ticking and he wants to get married—now. After 20 years singing soppy love songs, he knows that there is no such thing as romantic love. There's only hormones and lust. At thirty-five, he's tired of his playboy lifestyle. He wants a wife who isn't interested in fame, money, or romance. A sensible wife, who values commitment. He wants a partnership, a friendship, and none of the craziness that goes

with falling in love. As far as he can see, there's only one way to get exactly what he wants—he needs an arranged marriage. ...add a Scottish librarian who has given up on ever falling in love... Caroline Patterson terrifies men. With her no-nonsense attitude, and ice queen demeanour, she's in control of everything—and everyone—around her. Her sensible shoes and grey skirt suits act like a force field, repelling male attention. At thirty-one, she can't remember the last time she went on a date and is beginning to think she'll never have a family of her own. When an American stranger approaches Caroline with a marriage proposal that resembles a business contract, she quickly accepts. She doesn't expect romance. But she does expect to control each and every detail of their lives together. Because as life has taught her—if you aren't in control, bad things happen. ...and you get romance Invertary style! Josh and Caroline learn the hard way that falling in love isn't something you can avoid. And it definitely isn't something you can control. Their well laid plans are about to degenerate into chaos, as they fall in love the Scottish way.

The Depth of My Darkness, the Radiance of My Essence - Regina Rosier 2002-03

Do you think that you are invincible? No one is. What would you do if you had it all, then suddenly it's all taken away from you? Would you sink or swim? Reena was faced with that at a young age and managed to survive the odds despite not having help from her mom. If placed in this same dilemma, would you be strong enough to survive?

In Her Shoes - Jennifer Weiner 2008-09-04

Rose Feller is thirty years old, a high-powered attorney, with a secret passion for romance novels, an exercise regime she's going to start next week, and dreams of a man who will slide off her glasses, gaze into her eyes, and tell her that she's beautiful. Meet Rose's sister Maggie. Twenty-eight years old, drop-dead gorgeous and only occasionally employed, Maggie is a backing singer in a band called Whiskered Biscuit. She dreams of fame and fortune -- and of getting her dowdy big sister to stick to a skin-care regime. These two women with nothing in common but a childhood tragedy, shared DNA, and the same size feet, are about

to learn that their family is more different than they ever imagined, and that they're more alike than they'd ever believe. The brilliant new novel by Jennifer Weiner, *Who Do You Love*, will be released in August 2015.

My Big Blended Family - April Mata Lovato 2022-05-26

Through my own co-parenting experiences I began to advocate for children and became involved with United Parents for Children 3 years ago. We are a collective group of parents from all over the world who have stood up as parents not only to advocate for children but also to advocate for healthy co parenting relationships. It then became apparent to me that family dynamics have changed a lot in recent years. Not every situation is the same. Its not uncommon see children being raised by grandparents, aunts uncles, same sex couples or other family members . I thought it was important to create books that children could relate to. I know many of children might feel embarrassed or ashamed because of their living situations at home but I just wanted to point out the importance of healthy love and support. As a parent I would never deny my child of love from a stepparent or anyone who cares for and encourages my children in a positive way. I think it's important for children to see parents and guardians getting along getting along. To be supported in all that they do. Kids need to know that it's OK to love their step parent and their family as well and should never be looked down upon down upon for it. It's OK if they are being raised by someone other than their parents. With the ever changing world I just really wanted to emphasize the positive impact being supported and loved has on our children. I hope you enjoyed this book and were able to take something positive away from it. Thank you.

A Love That Traveled but Never Died - Caleen Radabah 2020-11-07

This enlivening Western novel takes the reader on an excursion of a bride ordered in the mail from the 1800s. Love the Man You Married - Angie Lewis 2006-10-01

Biblical-based insights for married women and women who are thinking of getting married. From marital infidelity to forgiveness this book explains it all! God made man to be the protector of women. Men love to do it, they want to do it, and they feel like a man when we let them do it!

Most married women don't feel they need protected. They carry mace, a gun and take karate classes and act like a man and still, they are getting beaten, raped, manhandled, and murdered. What happens when we don't allow our husbands to protect us? We reject their love for us. Don't you want to be loved by your man? Don't you want your man to show his love for you? Did you know that when we don't let our husband's love us the way God meant for a man to love his wife, we are actually rebelling against God?

Miss Morgan's Love Returns - Aurora Klimanoski 2013-09-19

Miss. Morgans love returns Are you one of those people who have been taught to always do what was good for the family? Everything you do is a reflection on your family, from the way you dress, how you act in public, those you hang around with; to what you choose to do in life. It can all be suffocating. That's was the world Jacqueline Morgan was brought up in. For years she had been the perfect daughter doing everything she was told without making waves or even a ripple of trouble that would have disappointed her parents. She couldn't, she was the chosen daughter to take over the family business when it was time. She envied her little sister and the freedom she had to live her life with carefree adventures. More than anything Jacqui wanted to experience a little freedom herself before devoting her life to the family business. She gathered all her courage the summer before she was going to enter college and plead with her father to let her have a few weeks to blow off some steam. On her first day of freedom Jacqui found herself standing on a dock letting the warm ocean wind blow through her hair and she was happier than she had been in years. That was also the first time she laid eyes on Azmyth. He was unlike any of the boys she knew in her life. He was handsome in a rugged way and full of life and passion not stuffy and extremely controlled and held down by responsibilities. Azmyth was on vacation at his cousins and enjoying some afternoon fishing when Jacqui stepped out on the pier and stole his attention. He never saw anyone as beautiful as she was and instantly wanted to get to know her better so he asked her out. In the days that followed Jacqui and Azmyth met for afternoon dates bringing them even closer. She really liked him and felt a

very strong connection with him unlike anything she ever felt before. Jacqui didn't let anyone know what she was doing, not even her sister, because she knew that her father wouldn't approve of Azmyth. That alone seemed to heighten her need to explore the relationship further. She experiences all kinds of adventures with Azmyth including her first kiss that made heat flood her body and her toes curl in her shoes. It didn't take long for Jacqui to fall head over heels for him. Things heated up quickly between the young couple and Jacqui decided she wanted to experience a deeper intimacy before she went off to college and she wanted it to be with Azmyth. It was a night she would never forget and for more than the magical time she had with Azmyth. When she got home that night the magic ended and disaster hit. Her parents came home early and discover her sneaking back into her bed room and all hell broke loose. Her perfect night ended in her being torn away from Azmyth forever with no way of contacting him to explain what had happened. Eleven years passed and Jacqui had become a driving force in the family business. She works all the time and rarely takes time to enjoy life's little pleasures and relax. A fact that has her sister and friends afraid that she will burn herself out and they gang up on her insisting she joins them on vacation. Jacqui is hesitant to join them after all the last time she indulged in fun and freedom everything in her life had come crashing down on her. When the group of friends arrived on the private island Jacqui changes her mind about having a good time and begins to relax. Then as if fate decided to torture her the one person she never thought she would see again but had haunted her more intimate dreams walks into the bar her and her friends were at. Just laying eyes on Azmyth again after so many years Jacqui's pulse started to race. Even in her wildest dreams she never pictured that he would look even more gorgeous than she remembered. Jacqui and Azmyth reunion isn't what he expected it would be when he first saw him walking towards him. She's different from the girl he once knew but still kind of the same and the spark

[A Mother's Goodbye](#) - Kate Hewitt 2018-06-13

After Before - Jemma Wayne 2014-06-01

Three women, beset by trauma, temptation, and regret, find each other in this “rich, haunted, gripping” novel (Ruth Padel, award-winning author of *Beethoven Variations*). That was the day that Mama made the rules: If they come, run. Be quiet and run. But not together. Never together. If one is found, at least the other survives... During a cold British winter, three women, each suffering her own demons, reach a crisis point. Emily, an immigrant survivor of the Rwandan genocide, is existing but not living. Vera, a newly Christian Londoner, is striving to live a moral life, her happiness constantly undermined by secrets from her past. Lynn, battling with an untimely disease, is consumed by bitterness and resentment of what she hasn’t achieved and what has been snatched from her. Their lives have been torn open by betrayal: by other people, by themselves, by life itself. But as their paths interweave, they begin to unravel their beleaguered pasts, and inadvertently change each other’s futures. Longlisted for the Baileys Women’s Prize for Fiction

With These Shoes I Thee Wed Book 1 - Tope Omotosho 2020-09-25

Shoes are like life-partners; they either fit perfectly or they don't. 30-year-old Adetoke is an up-and-coming fashion designer who enjoys the thrills of colours and frills. She's always loved the idea of creating unique designs that match the eclectic tastes of her clients. But there's only one thing missing in her life; her perfect match. Or rather, her missing shoes. A marriage proposal crossed her path several years ago with a man she loved, but back then, marriage was the farthest thing on her mind. Did she miss out on love? Do her poor connections in relationships mean she's cursed? She gets pulled into one date after the other with men who have one poor feature or the other. In-between garlic breaths,

poor dentition and height flaws love once again knocks on her door. And he's perfect-ish! What happens if her best friend's brother is who God wants for her? Even worse, she never considered getting married to a man younger than her! Toke admitted it to herself - she was attracted to him. She was scared. What if she was in-over-her-head and it was too good to be true? Even much worse, will she have to choose between her friendship and the man she loves? Buy this book to enjoy this roller-coaster ride of romantic drama and comedy! Review: Quirky, fun, humorous, deeply spiritual, some cringe-worthy moments and unforgettable characters!
