MIXED NUTS - Rick Cormier

2016-04-21

"Highly irreverent, but filled with wisdom and infused with deep caring, Mixed Nuts is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner

alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

The Gift of the Magi

(Illustrated) - O. Henry
2022-04-27

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of the

Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the letters to life, immersing the

reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the Ex-Girlfriend zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic

that sometimes the things that drive you crazy can be the only things that can keep you sane. *How to Get Your Ex Girlfriend Back* - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those

mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

The Noticer - Andy Andrews
2011-04-10

A New York Times bestseller! From the author of *The Traveler's Gift* comes a story of common wisdom based on the remarkable true story of "Jones," a mysterious old man who has a knack for showing up in people's lives at just the right time, providing priceless lessons about love, life, and the importance of perspective. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, businesspeople on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. These situations can

seem like dead ends, but to an old drifter named Jones with a gift for seeing what others miss, there is no such thing as a dead end. It only takes a little "perspective," he says, to recognize the miracles in our moments, the seeds of greatness tucked into our struggles. Appearing when things look darkest, the mysterious, elderly man with white hair carrying a battered old suitcase shows up when he's needed most. "Your time on this earth is a gift to be used wisely," he says. "Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever." *The Noticer* will provide you with: A better understanding of life's challenges and proper perspective for tackling them. Practical yet powerful methods of motivation, encouragement, and resolve for those struggling. A fresh and insightful perspective on how people can change their view of the world, find strength, and
