Being Special - Patricia Liggins

Visible Dissent - Teresa Longo 2018-05-15

As Teresa Longo's groundbreaking examination reveals, North America's dissident literature has its roots in the Latin American literary tradition. From Pablo Neruda's Canto General to Eduardo Galeano's Open Veins of Latin America to Gabriel García Márquez's One Hundred Years of Solitude—among others—contemporary writers throughout the Americas have forced us to reconsider the United States's relationship with Latin America, and more broadly with the Global South. Highlighting the importance of reading and re-reading the Latin American canon in the United States, Longo finds that literature can be an instrument of progressive social change, and argues that small literary presses—City Lights, Curbstone, and Seven Stories—have made that dissent visible in the United States. In the book's final two chapters on the Robert F. Kennedy Center's Speak Truth to Power initiative and the publication of Marc Falkoff's Poems from Guantánamo, the author turns our attention further outward, probing the role poetry, theater, and photography play in global human rights work. Locating the work of artists and writers alongside that of scholars and legal advocates, *Visible Dissent* not only unveils the staying-power of committed writing, it honors the cross-currents and the on-the-ground implications of humane political engagement.

Marlon Wright has tried his best to make his wife happy, but the more he tries the more she complains. She takes her need for excitement to far and winds up down a path of lies and manipulation. Even worse, little Mary Ellen has been sired by an unavailable man who has no desire to marry her mother. After Bea relinquishes Mary Ellen to her mother without an explanation, she leaves her old life behind to begin anew. But is it all she hoped for or a nightmare she cannot seem to escape? As the world changes, war erupts, and one tragedy after the other affects Bea and her family, Mary Ellen matures into a young woman who has but one desire: to share her life with someone who loves her. But as history repeats itself, Mary Ellen must also find a way to forge ahead while protecting those she loves. *He Knew Her Name* is the story of two strong-willed women—one selfish and one too loving—who live in different times, forever connected by their blood and pain.

A Call to Remember - Shaina Fertig 2022-11-21

Piper Jean Potts Streyle was brutally murdered on July 29, 1996 by serial killer, Robert Leroy Anderson. He had taken the life of another woman in 1994 and failed to take another. Streyle was abducted from her home in Canistota, South Dakota mid-morning, leaving behind two small children, who had witnessed the kidnapping. She was presumably ruined and her body has never been recovered. I was the little girl who witnessed a kidnapping: visions of hell to always be etched in my mind. I was also the girl who would not testify in a court of law. I was the girl who hid behind her soft blanket and would not face the stark terrifying truth. I would not affirm, again, the face I knew was my mother's murderer. I would not testify. I am that girl. I wish to no longer be known as the girl who would not testify, but as the woman who will. I will testify. I will speak and I will tell. This is my testimony, through the recalling of memories, answering: A Call to Remember.

From My Heart and Soul - Betty Jean Holt 2010-10

I am the Mother of three sons and a daughter, six grandsons and one great granddaughter. For many years I have been married to an Ordained Bishop in the Church of God. In our pastoral ministry we have seen God heal and restore numerous times. About 14 years ago my husband Jerry and I moved to Brookport, Illinois to retire. Our thoughts were on travel and spending time with our married children and grandchildren. We never dreamed our lives would take the turn it has taken. Jerry and I fell in love and married at a young age. God has had His hand on us from the very beginning. In this book, I open my heart and share my life before marriage, funny things that happened raising our children and also the times I had to stand and watch as my husband lay at the point of death. In 2006 our world was forever changed when Jerry was injured with a severe brain injury, in a motorcycle accident. I bear my soul and tell how I had reached the point where I wanted to die, but God in His omnipotent way picked me up and hung on to me when I couldn't hang on any longer. Evidently, God was not finished with us. He has been so faithful and I hope you can feel His power and presence as you read my story.

The Glorian Council has been decimated. The Willkeeper is missing. And the Dark army has grown virtually unconquerable. In the final volume of Lyn I. Kelly's Dark Lands series, a confluence of tragedies has unsteadied the Dark Lands, tilting it mercilessly in the Dark Man's favor. As he begins his march to destroy Glorian and claim the living world for his own, a desperate plan is unleashed to try and still the Dark Man's reign. Webb Thompson and a select few Glorians ride out for the haunting Passage of Oradour, intent in bringing this plan to fruition, while Kane, Raven, Caleb, and the remaining Glorians engage in a harrowing battle with the Dark Man's forces. Time, the most enigmatic of all elements in the Dark Lands, is waning, and the ultimate battle for the living world is in play. Through the most traumatic of moments, one will rise, one will fall, and the Dark Lands will never again be the same.
